## The same but different

We look the same, but we don't like the same things. Betty studies classical music, but I study art, the music needs and poems, but I don't read much. And she often watches TV, but I never watch TV - I don't interest me. Betty writes poems, I write texts on my phone. I paint pictures, Betty tries to paint, but she never finishes her paintings. She doesn't understand art! I love hip-hop. She says that hip-hop annoys her. Our friends don't understand us. "You don't like the same things!" they say. "But we always see you together! Why?" We have some fantastic arguments! I say:

1 **1.1** Read Lianne's blog. Has Lianne got the same interests as her sister Betty?

2 Study the Grammar box. Find more examples of the Present Simple in Lianne's blog.

## GRAMMAR

Present Simple: affirmative and negative | Adverbs of frequency

- I love hip-hop.  
We write poems/watch TV/study classical music.  
We look the same.
- I don't read much.  
She doesn't understand art.  
We don't like the same things.

Adverbs of frequency (always, usually, often, sometimes, never) go after to be but before the other verb.

remember that: I love to do

3 In pairs, say how Lianne and Betty are different. Lianne studies art, but Betty studies classical music.

4 Rewrite the sentences with adverbs of frequency to make them true for you.

- 1 I write poems. I sometimes write poems.
- 2 My mother reads novels.
- 3 My teacher gives us homework.
- 4 We try friends and I go dancing.
- 5 My classmates listen to classical music.

5 **1.7** Complete the text with the correct form of the verbs in brackets. Listen and check.

I live (live) in a small town, so I  not go to the theatre very often. My brother often  (watch) films on TV, but I  (prefer) playing games with my friend, Dylan. He usually  (play), but he  (not sit) every game.

6 Connect the sentences. Use the verbs in brackets to help you.

- 1 Liane Caputo plays the drums. (sing)  
Liane Caputo doesn't play the drums. He sings.
- 2 Mike Eliah plays classical music. (read)  
Director John Woo makes art films. (action films)
- 3 J.C. Rowling writes in films. (write books)
- 4 Daniel Radcliffe and Emma Watson paint pictures. (act in films)

7 **1.1** Complete the text with the words below. There is one extra word. Listen and check.

dancing doesn't don't go love sometimes

I love dancing! I  to dance classes with my friend Kay. We do hip-hop - it's great! We  practice salsa too, but not very often. I  like salsa much, but Kay  it.

## VIDEO

8 **1** Watch four people talking about how they spend their free time. Write down the free-time activities they mention.

9 What do you do at weekends? Discuss in pairs. Then form new pairs and talk about your previous partners.

I sometimes go to the cinema or to the gym. Adam sometimes goes to the cinema at weekends.

1 How often do you do these things? Discuss in groups.

- play music with friends or go to a concert
- paint a picture or draw on a computer
- read poems or write poems
- go dancing or dance in your bedroom
- sometimes play music with friends

2 Read the introduction to the blog. Mark the sentences T (true) or F (false).

- 1 ☐ Culture inspires a study about young people in the world.
- 2 ☐ The study says that nearly half of young people take part in cultural activities.

3 **1.1** Read the whole blog. Match parts A-D with questions 1-5. One part can match with two questions.

- 1 ☐ What seems a skill online?
- 2 ☐ Who performs with other people?
- 3 ☐ What gets a computer to change real things?
- 4 ☐ Who shares their work online but not in public?
- 5 ☐ Who is not sure what job he/she would like to have?

4 **1.1** **WORD PROBLEMS** Find three phrases in the blog and write the missing words. Listen and check.

- 1  art
- 2  short film
- 3  on stage
- 4  video games
- 5  something on social media
- 6  conversations

5 Complete the questions with the verbs in Exercise 4. Then ask and answer the questions in pairs.

- 1 Do you enjoy creating art? Why/Why not?
- 2 How hard is it for you to  on stage?
- 3 How often do you  music videos on your phone?
- 4 Who do you  video games with?
- 5 Would you like to  a short film or an animation? Why?
- 6 What kind of things do you  on social media?

6 Which three cultural activities do you like doing the most? Discuss in groups.

I love dancing, watching concerts and sharing my photos on social media.

## CRAZY for culture?

Are young people into art?

Some people say that young people don't care about culture, but a recent study shows that almost 50 percent of young people in the UK are watching online videos, playing video games and reading. They enjoy creating and performing too, and many have pictures of their work their cultural interests in social media.

What about you? Do you enjoy watching films, making poems or creating artwork? Do you perform or create art? Send us your poems and art to be here.

## 1.1 Intro

I love art, but I never get paint on my fingers. I draw on my computer and make pictures and animations with real-world objects and computer images. It's amazing!

## 1.2 Culture

I watch music videos every day, usually on my phone. I love going to concerts and watching them online too. At weekends I watch videos of your friends and my school. I see it's not easy, but I love it.

## 1.3 Talent

I want to be an actor. Or maybe a director. Betty doesn't act in the school play and it's my free time. I make short films with my friends. We film them on our phones and share them on our video channel.

## 1.4 Art

I love reading, especially poetry. I write poems on my phone or my computer and put them on my blog. I also write rap songs, but I'm too shy to perform on stage.
