adoración contemporánea agregada al final de cada capítulo conservando también los himnos tradicionales. Otras numerosas actualizaciones y correcciones. Parte de la brillantez de la Teología sistemática a lo largo de los años ha sido su simplicidad y facilidad de uso. Cada capítulo sigue la misma estructura. Primero se discute la doctrina que se está considerando como la justificación o la deidad de Cristo. Una explicación de dónde se apoya esa doctrina en la Biblia y siguen las posibles objeciones. Luego se proporcionan la aplicación personal y los términos clave que se deben conocer para el crecimiento personal. Los capítulos también incluyen un pasaje de memoria de las Escrituras, referencias a otra literatura sobre el tema e himnos sugeridos y canciones de adoración. Si eres alguien que piensa que la teología es difícil de entender o aburrida, entonces esta nueva edición de Teología sistemática probablemente te hará cambiar de opinión. Systematic Theology Second Edition. The most widely used text of the last 25 years in its discipline. Systematic Theology by Wayne Grudem has been thoroughly revised and expanded all 57 chapters for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. Part of the brilliance of Systematic Theology over the years has been its simplicity and ease of use. If you are someone who thinks theology is hard to understand or boring, then this new edition of Systematic Theology will likely change your mind.
