Secondhand China Carles Prado-Fonts, 2022-06-15 This transcultural study of cultural production brings to light the ways Spanish literature imagined China by relying on English and French language sources Carles Prado Fonts examines how the simultaneous dependence on and obscuring of translation in these cross cultural representations created the illusion of a homogeneous West He argues that Orientalism became an instrument of hegemony not only between the West and the rest but also within the West itself where Spanish writers used representations of China to connect themselves to Europe hone a national voice or forward ideas of political and cultural modernity Uncovering an eclectic and surprising archive Prado Fonts draws on diverse cultural artifacts from popular literature journalism and early cinema to offer a rich account of how China was seen across the West between 1880 and 1930 Enrique Gaspar Luis de Oteyza Vicente Blasco Ib ez and lesser known authors writing in Spanish and Catalan put themselves in dialogue with Leo Tolstoy John Dewey W Somerset Maugham Bertrand Russell Pearl Buck and Andr Malraux as well as stereotypical figures from popular culture like Fu Manchu and Charlie Chan Throughout Prado Fonts exposes translation as a technology of cultural hegemony and China as an appealing object for representation A timely contribution to our understanding of how we create and consume knowledge about the world Secondhand China is essential reading for scholars and students of Orientalism postcolonial studies translation studies comparative literature and cultural studies Jewish Imaginaries of the Spanish Civil War Cynthia Gabbay, 2022-09-08 Jewish Imaginaries of the Spanish Civil War inaugurates a new field of research in literary and Jewish studies at the intersection of Jewish history and the internationalist cultural phenomenon emerging from the Spanish Civil War 1936 1939 the Republican exile and the Shoah With the Spanish Civil War as a point of departure this volume proposes a definition of Jewish textualities based on the entanglement of multiple poetic modes Through the examination of a variety of narrative fiction and non fiction memoir poetry epistles journalism and music in Yiddish Spanish French German and English these essays unveil non canonic authors across the West and explore these works in the context of antisemitism orientalism and philo Sephardism among other cultural phenomena Jewish writings from the war have much to tell about the encounter between old traditions and new experimentations framed by urgency migration and messianic hope They offer perspectives on memorial and post memorial literatures triggered by transhistorical imagination and many were written against the grain of canonic literature where subtle forms of dissidence manifested through language structure sound and thought sought to tune with the anti fascist fight This book revindicates the polyglossia of Jewish cultures and literatures in the context of

Jaxon Vega Un vampir amb secrets foscos que no ha sentit res des de fa un segle. Alguna cosa d'ell m'atrau, hi ha alguna cosa trencada en ell que d'alguna manera encaixa amb el que hi ha de trencat en mi, la qual cosa podria significar la fi del món. Dins del mirall Pep Molist Sadurní, 2008-03-10 Dins del mirall presenta un itinerari gradual per algunes de les millors obres de la literatura universal adreçades als infants i els joves des que neixen fins que ja es poden considerar lectors autònoms. L'itinerari esdevé una manera d'explicar als adults els elements que caracteritzen i defineixen la literatura per als lectors d'aquestes edats i a la vegada un immillorable punt de partida per a conèixer-la a través d'obres de gran qualitat. Diu l'autor que li agrada la imatge de la literatura com un mirall que emmiralla i absorbeix tot all que passa pel seu davant per mostrar-ho més tard en forma d'història a través d'uns personatges i d'unes peripecies. Doncs bé, aquest llibre vol ser també una invitació a ficar-se dins del mirall per tots aquells que desitgin fer-ne un tastet, gaudir-ne o recomanar obres interessants als infants segons l'edat, el nivell lector i les seves preferències.

Casa gran Nicole Krauss, 2014-02-06 Després de l'èxit internacional de La història de l'amor, Nicole Krauss ha aconseguit amb Casa gran una novel·la inoblidable exquisidament escrita sobre la pròpia i el sentit sobre la memòria i sobre el que anem deixant enrere a mesura que vivim i també sobre tot all que potser podrem llegir als que vindran rere nosaltres. Durant vint i cinc anys una solista novel·lista americana ha estat escrivint en l'escriptori que li va deixar un poeta xil que poc després va desaparèixer a mans de la policia secreta de Pinochet. Fins que un dia una noia que afirma que és filla d'ell la va a veure i demana d'endur-se'l. A l'altra banda de l'oceà a Londres un home descobreix un secret terrible sobre la seva dona a punt de morir. I a Jerusalem un antiquari recupera de mica en mica l'estudi que tenia el seu pare a Budapest espoliat pels nazis l'any 1944. Només li falta un objecte per completar-lo. La connexió entre aquestes històries i d'altres que formen aquesta novel·la elegàcia passa per aquell escriptori un moble on es disposa tot all que en algun moment ha tingut un sentit decisiu en la vida dels protagonistes.
