Enserfment Of The Russian Peasantry

Ib Gram-Jensen

Enserfment Of The Russian Peasantry:

Enserfment Russian Peasant R. E. F. Smith, 1968-05-02 Compilation of translated texts of historical documents tracing the process by which rural workers in Russia CAME to be legally enserfed in the 17th century covers the legal status of peasants the social status of landowners relevant aspects of forced labour land tenure ownership taxation etc and includes comments on relevant legislation Literature survey pp 164 to 167 **The Enserfment of the Russian Peasantry** R. E. F. Smith, 1968 Enserfment Russian Peasant R. E. F. Smith, 2008-11-06 In 1649 a Code of Laws was issued in Moscow completing at least in law the process of enserfment of the Russian peasantry This book illustrates this process with fifty six documents of the twelfth to seventeenth centuries They relate mainly to the central and northern area of European Russia known in the sixteenth century as Muscovy An introductory note prefaces each document placing it in context and giving its source An introduction partly contributed by Professor Rodney Hilton discusses enserfment in Eastern and Western Europe and explains why these particular documents were chosen There is a glossary explaining the main technical terms found in the text The book deals with a topic of major historical importance and makes a collection of documents often of intrinsic interest accessible to English readers *The Enserfment of the Russian Peasantry* Robert Ernest Frederick SMITH, 1968

The Russian Peasantry 1600-1930 David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant s traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable

The Peasant in Nineteenth-Century Russia Wayne S. Vucinich, John Shelton Curtiss, 1968 Studies of foreign scholars and observers have created many useful perspectives on the Russian peasant The present volume is part of this continuing expansion of scholarship on the peasantry *Peasants in Russia from Serfdom to Stalin* Boris B. Gorshkov, 2018-02-08 The peasantry accounted for the large majority of the Russian population during the Imperialist and Stalinist periods it is for the most part how people lived Peasants in Russia from Serfdom to Stalin provides a comprehensive realistic examination of peasant life in Russia during both these eras and the legacy this left in the post Soviet era The book paints a full picture of peasant involvement in commerce and local political life and through Boris Gorshkov s original ecology paradigm for understanding peasant life offers new perspectives on the Russian peasantry under serfdom and the emancipation Incorporating recent scholarship including Russian and non Russian texts along with classic studies Gorshkov explores the complex interrelationships between the physical environment peasant economic and social practices culture state policies and lord peasant relations He goes on to analyze peasant economic activities including agriculture and livestock social

activities and the functioning of peasant social and political institutions within the context of these interrelationships Further reading lists study questions tables maps primary source extracts and images are also included to support and enhance the text wherever possible Peasants in Russia from Serfdom to Stalin is the crucial survey of a key topic in modern Russian history for students and scholars alike

Russia in the Early Modern World Donald Ostrowski, 2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450-1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia's success Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government

The Abolition of Serfdom in Russia David Moon, 2014-09-25 In February 1861 Tsar Alexander II issued the statutes abolishing the institution of serfdom in Russia The procedures set in motion by Alexander II undid the ties that bound together 22 million serfs and 100 000 noble estate owners and changed the face of Russia Rather than presenting abolition as an event that happened in February 1861 The Abolition of Serfdom in Russia presents the reform as a process It traces the origins of the abolition of serfdom back to reforms in related areas in 1762 and forward to the culmination of the process in 1907 Written in an engaging and accessible manner the book shows how the reform process linked the old social economic and political order of eighteenth century Russia with the radical transformations of the late nineteenth and early twentieth centuries that culminated in revolution in 1917

Cossack Rebellions Linda Gordon, 1983-06-30 The Ukrainian Cossacks were a complex and tenacious group influential far beyond their numbers This book offers an admiring critical and close examination of the unique cossack phenomenon It reveals the sources of their surprising power by looking at them in action in their sixteenth century uprisings The interpretation is organized around three themes offering resolutions of three apparent contradictions in cossack activity first how the cossacks could act simultaneously as individualist mercenaries and yet also lead a collective class conscious social rebellion second how they could be simultaneously traditionalist and yet also provide leadership for the developing modern Ukrainian nationalism and third how the cossacks could be simultaneously unique quintessentially Ukrainian and yet form a part of a worldwide response to economic transformations that drew Eastern Europe into a position as exploited agricultural provider

for Western Europe *Structure, Agency and Theory* Ib Gram-Jensen, 2021-04-20 Structure Agency and Theory challenges common readings of Marx and Engels historical materialism and argues the necessity of abandoning their conception of the dialectic of forces and relations of production as the motive power of historical development and transformations because of its doubtful validity and deterministic implications Instead another fundamental conception in historical materialism the interaction between social circumstances and agency as the motive power of history is accentuated with an emphasis on agents experiences as a causal factor arguing its potential in terms of historical explanation and attempting to spell out some of its strategic implications for revolutionary socialism *Short History of Russia's First Civil War* Chester S. L. Dunning, 2010-11-01 This book is the first major post Marxist reassessment of the Time of Troubles *Dostoevsky* Joseph Frank, 2003-09-22 This fifth and final volume of Joseph Frank's biography of Fyodor Dostoevsky details the last decade of the writer's life a time that won him the universal approval towards which he always aspired *Von Moskau Nach St. Petersburg* Hans-Joachim Torke, 2000 A Berelowitch De Modis Demonstrandi in Septidecimi SAeculi Moschovia N Boskovska Muscovite Women during the Seventeenth Century At the Peak of the Deprivation of their Rights or on the Road towards New Freedom A Bruning Peter Mohyla's Orthodox and Byzantine Heritage Religion and Politics in the Kievan Church Reconsidered P Bushkovith Cultural Change among the Russian Boyars 1650 1680 New Sources and Old Problems R O Crummey Seventeenth Century Russia Theories and Models C Dunning The Legacy of Russia's First Civil War and the Time of Troubles D M Goldfrank Paradoxes of Seventeenth Century Muscovy L Hughes Images of the Elite A Reconsideration of the Portrait in Seventeenth Century Russia A S Lavrov Um seine Seele zu retten Die Verhore der Gottesnarren als religiose Autobiographien 1699 1740 G Michels The Rise and Fall of Archbishop Stefan Church Power Local Society and the Kremlin during the Seventeenth Century A P Pavlov ocyape op c Pocc XVII Gosudarev Dvor v Istorii Rossii XVII veka M Perrie Pretenders in the Name of the Tsar Cossack Tsareviches in Seventeenth Century Russia A Rustemeyer Verrat und ungehorige Worte Beobachtungen aus politischen Prozessen des 17 Jahrhunderts W v Scheliha The Orthodox Universal Church and the Emergence of Intellectual Life in Muscovite Russia P V Sedov Pocc Rossija na poroge novogo vremeni Reformy Carja Fedora Alekseevica **Serfdom and Slavery** M. L. Bush, 2014-01-09 Serfdom and Slavery compares the two forms of legal servitude in cultures in Western civilization in Europe and the New World from ancient times to the modern period Within a tightly controlled framework of general contextual chapters followed by specific case studies a distinguished team of scholars offers 17 specially written essays that illuminate the nature development impact and termination of serfdom and slavery in European society While the case studies range from classical Greece to early modern Brandenburg and from medieval England to nineteenth century Russia the volume as a whole is closely integrated It makes an important contribution to a topic of increasing international interest **Historical Dictionary of Medieval Russia** Lawrence N. Langer, 2001-12-11 History is full of surprises but rarely has there been a turnaround as unexpected and momentous as what

occurred to a formative Russia during the medieval period Attacked and invaded from all sides it hardly looked as if the small Slavic principalities would survive But they did and were eventually absorbed into Kiev Rus and then Muscovy which gradually expanded and laid the foundation for a huge empire The author uncovers this extraordinary period from the founding of the Kievan state to the accession of Peter the Great in 1682 describing both the times of danger and defeat and those of expansion and revitalization Entries cover o Tsars o Princes and khans o Pretenders and rebels o Patriarchs and priests o Russians o Mongols and others **Cartographies of Tsardom** Valerie Ann Kivelson,2006 By studying 17th century maps Kivelson sheds light on Muscovite Russia the relationship of state and society the growth of an empire the rise of serfdom and the place of Orthodox Christianity in society OCLC *Russia's First Civil War* Chester S. L. Dunning,2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal Instead most rebels were petty gentry professional soldiers townsmen and cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers [A Companion to Russian History](#) Abbott Gleason,2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field *Lord and Peasant in Russia* Jerome Blum,1971-04-21 Study of the relationship between lord and peasant from the 9th to the 19th centuries told against a background of Russian political and economic evolution
