**Family Portraits** Ken Carroll,2010-06-29 The room was silent as all the adults stared him into the floor With carefully enunciated words that whipped across the room his father spoke the almost a whisper voice louder than any shout could have been You re killing me Aaron You re killing me I do my best for you Mom does her best for you And right now I m ashamed to say you re my son You might as well put a bullet in my head cause that s what you re doing The room was as silent as a morgue as John stormed out leaving the door open Hours later Aaron stood there staring at the computer screen He stood there staring at the floor He stood there staring at the gun And it was all so clear It was clear but white at the same time as if in a sharp brilliantly white haze His father was dead John Farmer had been struggling lately but no one suspected how many problems riddled this seemingly perfect Christian man and his family His sudden death causes everyone he has known to question their role in this tragedy none more so than his family who know the secrets of his heart Or do they As the family begins breaking apart and blame is assigned John s wife uncovers a secret computer journal he kept in a laptop titled Family Portraits The family soon receives an intimate glimpse into the depths of a soul hidden from everyone What will the Family Portraits reveal Discover for yourself in this captivating thought provoking page turner The truth will astound you

**Superheroes and Masculinity** Sean Parson,J.L. Schatz,2019-10-24 Superheroes and Masculinity Unmasking the Gender Performance of Heroism explores how heteropatriarchal representations of gender are portrayed within superhero comics film and television The contributors examine how hegemonic masculinity has been continually perpetuated and reinforced within the superhero genre and unpack concise critiques of specific superhero representations the industry and

the fan base at large However Superheroes and Masculinity also argues that possibilities of resistance and change are embedded within these problematic portrayals To this end several chapters explore alternative portrayals of queerness within superhero representations and read the hegemonic masculinity of various characters against the grain to produce queer possibilities Ultimately this collection argues that the quest to unmask how gender operates within superheroes is a crucial one *Elizabeth's Navy* Paul Brown,2023-04-13 With over 260 images this is a highly illustrated history of the ships and operations of the Royal Navy during the reign of the late Queen Elizabeth II During the 70 years spanned by the reign of the late Queen Elizabeth II the Royal Navy changed out of all recognition Its status as a superpower navy with worldwide bases and operations has been eclipsed but it remains a powerful force because of its potency if not its size Maritime history author Paul Brown takes us through each decade in turn outlining the key events and developments and charting the changes to the size structure and capabilities of the Navy Fully illustrated with over 260 colour and black and white images this book also provides a stunning visual record of the ships and operations that featured most prominently in each decade

**United States Army Combat Forces Journal** ,1978 *Wicked Sense* Fabio Bueno,2012-08-05 Witches inhabit our world organized in covens and hiding behind a shroud of secrecy the Veil Skye s London coven sends her to Seattle s Greenwood High to find the Singularity an unusually gifted witch who may break the Veil and trigger a dangerous new era of witch hunting Things get complicated when Skye meets a charming new classmate Drake Skye s job becomes even trickier when she clashes with Jane an intimidating rival witch Drake falls for the mysterious Skye but odd accidents potion mix ups and the occasional brush with death kind of get in the way of romance Once he discovers Skye is a witch he goes to war for her even though his only weapons are a nice set of abs and a sharp sense of humor Fighting off wicked Jane and the other dark forces hell bent on seizing the Singularity s immense power Skye and Drake will risk everything to save the covens Going on a date has never been harder **American Now Departed: How to Save a Life** Jordan Harms,2012-11-02 Peter Daniels an American teenager traveled to Europe before the Second World War but he left many friends behind There is one friend in particular that is tugging at his heart a little Russian girl he met in Stalingrad named Tanya Koslova Now the war has reached Tanya s doorstep and he will do everything he can to find her again Told with heart rending emotion unbelievable power and exquisite detail How to Save a Life is a tale of how far we can go to protect the ones we love

**Perilous Prospects** Anthony H Cordesman,2018-04-19 In this book the author supplies the first account of the military and security concerns arising out of the Israeli Palestinian peace process and the recent assassination of Prime Minister Rabin considering a number of possible futures for the region and their effects on the peace process **Chinese Grand Strategy and Maritime Power** Thomas M. projections for 2020 Recognizing that military power encompasses more than weaponry it develops an original empirical framework for measuring militaries that also includes doctrine training and organizational structure      **Fighting Identity** Amit Singh,2022-10-21 This book is an immersive ethnographic account of how fighters at a Polish owned Muay Thai kickboxing gym in East London seek to reject prior identity markers in favour of constructing one another as the same as fighters a category supposedly free from the negative assumptions and limitations associated with prior ascriptions such as race class gender and sexuality It explores questions of subjectivity and identity by examining how and why fighters sought to disavow identity which involved casting aside pre established ways of thinking feeling and acting about constructed differences to forge deep bonds of carnal convivial friendships Yet this book argues that becoming a fighter is highly socially contingent and remains subject to rupture due to the durability of taken for granted thinking about race gender and sexuality which if drawn upon could pull people out of the category of fighter and back into longer standing durable categories This book deploys Butler s theory of performativity and Bourdieu s conceptualisation of habitus to explore the context specific ways people transgress identity whilst remaining attentive to the constrained nature of agency The book is intended for undergraduate and master s students on courses looking at race racism gender social anthropology sociology and sociology of sport      **China and East Asian Strategic Dynamics** Mingjiang Li,Dongmin Lee,2011-07-16 China and East Asian Strategic Dynamics the Shaping of a New Regional Order edited by Mingjiang Li and Dongmin Lee examines how China s remarkable economic growth and its proactive diplomatic efforts in recent years have not only shored up its importance in global issues but also induced a transformation of the strategic dynamics in East Asia The authors argue that major power relations in the region appear to be driven by some new momentum along with the changing international environment The contributors of this edited volume are well known scholars in their areas of specialty and the book is divided into five parts The first part discusses China s soft and hard power in East Asia The second examines China and the strategic interactions between major powers this particular section is devoted to discussion on the strategic responses of the major regional powers the United States Japan Korea India and ASEAN to China s rise Part three focuses on China s strategic approach to East Asian regionalism Of particular note are China s active leadership role in institution building efforts strategic calculations and preference for an informal approach The fourth section analyzes the Cross Taiwan Strait relations and their impact on both China and East Asia The final section of China and East Asian Strategic Dynamics addresses the issue of China and maritime order in East Asia China and East Asian Strategic Dynamics the Shaping of a New Regional Order edited by Mingjiang Li and Dongmin Lee is a pioneering work Given that the rise of China is a prominent issue in politics and economics worldwide this edited collection is essential for a wide audience of policy makers academics and students alike

*The Great Wall at Sea, Second Edition* Bernard D Cole,2010-12-01 Bernard Cole takes a comprehensive look at China s Navy a Navy that continues to grow while the U S Navy shrinks Of particular note according to the author is Beijing s

increased attention to guarding its vital sea lanes because of the nation's growing dependence on maritime trade especially energy supplies. He provides a thorough description of China's naval establishment including its personnel system followed by a detailed view of its ships, submarines, and aircraft, all marked by technical sophistication and capability as China reaches the top rank of the world's maritime powers. His evaluation is based on extensive interviews with Chinese and other naval experts, in-depth perusal of original documents, and visits to Chinese warships, training facilities, and shore establishments. *The Great Wall at Sea* is on the U.S. Navy's Professional Reading List. *Air University Library Index to Military Periodicals*, 1999.

*Dance with Me* Luanne Rice, 2004-02-17. Acclaimed for her insightful depiction of the magic and mystery in everyday life and relationships, Luanne Rice is one of today's most gifted novelists. Now the author of eight consecutive New York Times bestsellers delivers her most powerful book yet: the story of a man and woman forced to choose between the past that haunts them and the love that won't let them go. Jane Porter left the apple orchards of rural Twin Rivers, Rhode Island, years ago, fleeing memories that could tear two families apart. Now she has been unexpectedly drawn home to her mother and only sister. Dylan Chadwick has come back too, shedding the steely exterior he wore as a federal agent in order to follow in the footsteps of his apple farming father and forget the life he once lived. Amid this landscape of loss and renewal, a haunting story of converging lives, small town secrets, and the magical sway of unexpected miracles unfolds. Deeply moving and richly told, *Dance with Me* explores emotional connections at their very core, with keen insights into the lives of mothers and daughters, sisters and lovers that will resonate long after the final page is turned. *Military Industry and Regional Defense Policy* Timothy D. Hoyt, 2017-07-05. *Military Industry and Regional Defense Policy* re-examines military industrialization in the developing world, focusing on policy making in producer states and the impact of security perceptions on such policy making. Timothy D. Hoyt reassesses the role of regional state sub-systems in international relations and recent historical studies of international technology and arms transfers. Looking at Israel, Iraq, and India, the three most powerful regional powers in the Cold War era, he presents an expert analysis of the three-sided phenomena of the regional hegemony, the regional competitor, and the small over-achiever. This new book breaks away from existing literature on military industries in the developing world, which has focused on their economic and development costs and benefits. These past studies have used primitive methodologies that focus on the production of complete weapons systems, a misleading gauge in a world of growing international defense cooperation. They have also ignored empirical evidence of the impact of local military industrial production on Cold War regional conflict and of the defence planning and concerns that drove development of indigenous military industries in key regional powers. This new text delivers an incisive new perspective. *Handbook of Evidence-Based Therapies for Children and Adolescents* Ric G. Steele, T. David Elkin, Michael C. Roberts, 2007-12-03. Growing numbers of young people, some 10% to 20% of school-age populations, have mental health problems requiring intervention, and current policy initiatives identify evidence-based therapies as the most effective and relevant forms of treatment. By

reviewing evidence based treatments EBTs across a wide spectrum of conditions the Handbook of Evidence Based Therapies for Children and Adolescents Bridging Science and Practice closes the gaps between children s needs and services as well as those between research training and practice Several EBT options both proved and promising are offered for each covered disorder and are bolstered by case examples tables and reference lists Features include chapters on implementation issues such as diversity family treatment assessment strategies and community settings and step by step guidance for the researcher looking to gather empirical support for therapies With comprehensive coverage provided by numerous leading experts in the field this volume covers the broadest range of disorders over the widest pediatric adolescent age range including Behavioral disorders ADHD aggression bullying Phobias panic disorders school refusal and anxiety Autism and pervasive developmental disorders Depression mood disorders and suicidal behavior Alcohol and drug abuse Eating disorders and obesity PTSD With its emphasis on flexibility and attention to emerging issues the Handbook of Evidence Based Therapies for Children and Adolescents is essential reading for anyone who works to address the mental health needs of children including clinical child school and counseling psychologists clinical social workers and child psychiatrists as well as advanced graduate level students in these and other related fields
