The Fighting Temeraire Sam Willis,2012-03-12 The extraordinary story of the mighty Temeraire the ship behind J M W Turner s iconic painting The H M S Temeraire one of Britain s most illustrious fighting ships is known to millions through J M W Turner s masterpiece The Fighting Temeraire 1839 which portrays the battle scarred veteran of Britain s wars with Napoleonic France In this evocative new volume Sam Willis tells the

extraordinary story of the vessel behind the painting This tale of two ships spans the heyday of the age of sail the climaxes of both the Seven Years War 1756 63 and the Napoleonic Wars 1798 1815 Filled with richly evocative detail and narrated with the pace and gusto of a master storyteller The Fighting Temeraire is an enthralling and deeply satisfying work of narrative history Captives and Corsairs Gillian Weiss,2011-03-11 Captives and Corsairs uncovers a forgotten story in the history of relations between the West and Islam three centuries of Muslim corsair raids on French ships and shores and the resulting captivity of tens of thousands of French subjects and citizens in North Africa Through an analysis of archival materials writings and images produced by contemporaries the book fundamentally revises our picture of France s emergence as a nation and a colonial power presenting the Mediterranean as an essential vantage point for studying the rise of France It reveals how efforts to liberate slaves from North Africa shaped France s perceptions of the Muslim world and of their own Frenchness From around 1550 to 1830 freeing these captives evolved from an expression of Christian charity to a method of state building and eventually to a rationale for imperial expansion Captives and Corsairs thus advances new arguments about the fluid nature of slavery and firmly links captive redemption to state formation and in turn to the still vital ideology of liberatory conquest **The Fall of the Prison** Lee Griffith,1993 Examining prisons from the perspectives of sociology theology history and biblical exegesis Griffith argues that the church has taken a woefully wrong turn by aligning itself with the traditional justice system He shows how prisons are clearly ineffective at deterring crime and rehabilitating offenders and maintains that Christians should be even more concerned with how the prison fails in principle than how it fails in practice **The Prison System and Its Effects** Antony Taylor,2008 This book traces the fascinating development of the New Zealand Prison System which includes the history of penology prior to the phenomenon coming there But this book is not only a history it is also an exploration of more complex managerial and social issues concerning crime and its treatment including the interweaving of different penal policies that have brought the situation to where it is today As such it raises psychological issues of isolation in all shades of confinement captivity and deprivation that will appeal to everyone who is trying to grapple with the administrative clinical and legal problems they create The work also traces the origins of imprisonment as a strategy used by rulers and ruling classes to retain their power and more recently by duly elected governments to maintain social control and good order in their communities *Dictionary of American Naval Fighting Ships: Historical sketches: Letters N through S.
