The Landscapes of Western Movies Jeremy Agnew, 2020-10-15. Western films have often been tributes to place and setting, with the magnificent backdrops mirroring the wildness of the narratives. As the splendid outdoor scenery of Westerns could not be found on a studio backlot or on a Hollywood sound stage, the movies have been filmed in the wide open spaces of the American West and beyond. This book chronicles the history of filming Westerns on location, from shooting on the East Coast in the early 1900s through the use of locations in Utah, Arizona, and California in the 1940s and 1950s, to filming Westerns in Mexico, Spain, and other parts of the world in the 1960s. Also studied is the relationship between the filming location timeline and the evolving motion picture industry of the twentieth century, and how these factors shaped audience perceptions of the Real West.

Introduction to John Wick (film) Gilad James, PhD, *The film John Wick* is a 2014 American neo-noir action thriller directed by Chad Stahelski and written by Derek Kolstad. The film stars Keanu Reeves in the titular role as John Wick, a retired hitman who seeks vengeance for the killing of his beloved dog, Daisy. The film is set in New York City, where John Wick is a legendary assassin known as the Boogeyman. But after finding love and leaving the criminal underworld behind, he leads a peaceful life with his wife. After her death from an illness, Wick receives a final gift from her: a beagle puppy named Daisy, who becomes his only companion. However, when a group of Russian mobsters led by a man named Iosef Tarasov (Alfie Allen) break into his home, beat him, and kill Daisy, before stealing his car, Wick emerges from retirement to track them down and take revenge. The film adopts a visually stylized aesthetic with action sequences that blend martial arts choreography, gunfights, and car chases. Its success has been attributed to its engaging protagonist, its gritty and grounded approach, its focus on practical stunts, and

effects and its inclusion of world building elements such as the network of assassins and the Continental hotel The film's critical and commercial success spawned two sequels John Wick Chapter 2 2017 and John Wick Chapter 3 Parabellum 2019 as well as other media adaptations in the form of comic books and video games [Introduction to Shazam!
