**The Films of Fay Wray** Roy Kinnard,Tony Crnkovich,2015-07-11 Widely acclaimed as a horror movie actress Fay Wray is best remembered for her performances in King Kong and four other classic 1930s film thrillers Doctor X The Most Dangerous Game Mystery of the Wax Museum and The Vampire Bat Yet Wray appeared in 77 feature films between 1925 and

1958 playing leading roles in 67 Many of her films including her entire silent film output have been lost or are available only on a limited basis This heavily illustrated filmography at last makes obvious her sizeable contribution to the film industry After an overview of her professional acting career the filmography is divided into three sections The first introduces Wray s early silent feature film appearances the second covers her leading lady period in popular horror thrillers and other films in the sound era and the third covers her latter day supporting roles Appendices document her work in film shorts and her television appearances Commentary throughout includes first person interviews with Fay Wray

**The Freshman** Christina G. Petersen, 2019-03-27 Before the advent of the teenager in the 1940s and the teenpic in the 1950s The Freshman Taylor and Newmeyer 1925 represented 1920s college youth culture as an exclusive world of leisure to a mass audience Starring popular slapstick comedian Harold Lloyd The Freshman was a hit with audiences for its parody of contemporary conceptions of university life as an orgy of proms and football games becoming the highest grossing comedy feature of the silent era This book examines The Freshman from a number of perspectives with a focus on the social economic and political context that led to the rise of campus culture as a distinct subculture and popular mass culture in 1920s America Lloyd s use of slapstick to represent an embodied youthful middle class masculinity and the film s self reflexive exploration of the conflict between individuality and conformity as an early entry in the youth film genre

Roach studio until *Truth and Lies on Film* John T. Aquino, 2022-06-17 As early as the Silent Era movie studios were sued over depictions of real people and events Filmmakers have always altered the details of true stories and actual persons living or dead to make narratives more workable and characters more compelling When truth and fantasy become inextricably mixed the effect on people's lives can be significant even devastating This expanded second edition presents an updated history of legal issues surrounding the on screen embellishment of reality with a focus on important court decisions and the use of disclaimers Seventeen courtroom dramas are given fact versus fiction analyses and the *The Perfect Storm* 1991 is covered in extensive detail A concluding chapter is devoted to actors who became so identified with fictionalized characters that they sought exclusive rights to those personas **American Silent Film Comedies** Blair Miller, 2024-10-15

Many movie genres developed during the silent era but none was as lasting as comedies Actors and actresses stood in front of crude hand cranked cameras and invented a style that made people laugh and forget their troubles This is an encyclopedic work to persons institutions and terms associated with silent film comedy For people there is a capsule biography and a summary of their contribution For studios and companies there is a brief history and for terms a full definition is given

Comedy Films 1894-1954 John Montgomery, 2022-04-26 Originally published in 1954 this was the first factual history of comedy films and the men and women who had since 1894 kept us laughing in the cinema It traces the beginning of comic motion pictures and the pioneer work of Paul Gaumont Hepworth Pathe and Zecca Then comes the picture palace craze and the success of the early Italian and French comedies and trick films The work of Al Christie and Mack Sennett in America and the rise of American films is fully described as knockabout gives way to slapstick and salaries and box office receipts soar Now come Chaplin Harold Lloyd and all the other bright figures of the Roaring Twenties with favourites like Buster Keaton and Will Rogers to the fore The development of sound and its effect on the comedians is explained and the story comes up to date through the thirties and forties to 1954 Some of the hundreds of names to whom tribute is paid include Mabel Normand Larry Semon Roscoe Arbuckle Monty Banks Max Linder Harry Langdon Will Hay the Marx Brothers Bob Hope Fernandel and Alec Guinness These are only a few of the many whose careers are traced The book is illustrated by a number of carefully selected photographs many of which are unique This edition first published in 1968 has been revised but the period it covers remains the same 1894 1954 sixty years of film humour *Pioneers of "B" Television* Richard Irvin, 2022-11-02

As television grew more enticing for both viewers and filmmakers in the 1950s several independent film producers with knowledge of making low cost films and radio shows transferred their skills to producing shows for the small screen Rather than funding live programs that were popular at the time these producers saw the value in pre taped shows which created large financial returns through episode reruns This low cost high yield production model resulted in what are known and beloved as B television shows Part historical account and part filmography this book documents the careers of over a dozen B television producers It chronicles the rise of situation comedies and crime dramas and explores the minds behind popular shows like

My Little Margie The Lone Ranger Lassie Highway Patrol and Sea Hunt Divided into 14 chapters of producer profiles this work is rich in both trivia and critical assessments of the first years of television A chapter detailing the work of early female television producers rounds out the text *Prehistoric Humans in Film and Television* Michael Klossner,2015-01-09 From the early days of the movies cavemen have been a popular subject for filmmakers not surprisingly since the birth of cinema occurred only a few decades after the earliest scientific studies of prehistoric man Filmmakers however were not constrained by the emerging science instead they most often took a comedic look at prehistory a trend that continued throughout the 20th century Prehistoric humans also populated adventure fantasy films with the original One Million B C 1940 leading the charge Documentaries were also made but it was not until the 1970s that accurate film accounts of prehistoric humans finally emerged This exhaustive work provides detailed accounts of 581 film and television productions that feature depictions of human prehistory Included are dramas and comedies set in human prehistory documentaries and films and television shows in which prehistoric people somehow exist in historical periods from the advent of civilization up to the present or in extraterrestrial settings Each entry includes full filmographic data including year of release running time production personnel cast information and format A description of each film provides background on the prehistoric elements Contemporary critical commentary is included for many of the works *Encyclopedia of American Short Films, 1926-1959* Graham Webb,2020-07-10 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s *What Was The Film When? The Movies of Laurel and Hardy* Mark Potts,Dave Shephard,2007 **Theda Bara** Roy Liebman,2023-08-11 Although a major star in the 1910s Theda Bara known as The Vamp was largely neglected until the 1990s when her fame began to resurface Since then there have been biographies documentaries and other works that have brought the silent film actress back into the spotlight including a painstaking stills reconstruction of her lost epic Cleopatra This is a complete examination of Bara s more than 40 films as well as her theater and radio appearances down to the smallest detail With the vast majority of Bara s films considered lost it is a particularly valuable resource for fans and scholars and includes information about each film s genesis director plot censorship problems and critical and public reactions Also included is a biographical overview with many illuminating anecdotes **Olive Borden** Michelle Vogel,2010-03-24 The all too brief career of film star Olive Borden 1906 1947 is

chronicled in this definitive biography Apprenticing in short slapstick silent comedies the vivacious Virginia born actress rose to stardom after signing with Fox in 1925 enlivening such films as John Ford's 3 Bad Men 1926 Borden's career declined after she severed her ties with Fox and by the early 1930s she was finished in Hollywood Alcoholism and a devastating series of personal setbacks hastened her death at age forty one Olive Borden's controversial contract debacle with Fox and her long term relationship with actor George O'Brien are thoroughly detailed Personal anecdotes and insights are offered by Ralph Graves Jr who befriended Borden in the late 1920s Dozens of heretofore unattributed screen appearances by the actress are included in the filmography     **Hokum!** Rob King,2017-04-07 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more Hokum is the first book to take a comprehensive view of short subject slapstick comedy in the early sound era Challenging the received wisdom that sound destroyed the slapstick tradition author Rob King explores the slapstick short's Depression era development against a backdrop of changes in film industry practice comedic tastes and moviegoing culture Each chapter is grounded in case studies of comedians and comic teams including the Three Stooges Laurel and Hardy and Robert Benchley The book also examines how the past legacy of silent era slapstick was subsequently reimagined as part of a nostalgic mythology of Hollywood's youth     Movie Studios of Culver City Julie Lugo Cerra,Marc Wanamaker,2011-03-14 After watching pioneer filmmaker Thomas Ince film one of his famous Westerns on Ballona Creek city founder Harry Culver saw the economic base for his city Culver announced plans for the city in 1913 and attracted three major movie studios to Culver City along with smaller production companies The Heart of Screenland is fittingly etched across the Culver City seal These vintage images are a tour through the storied past of this company town on the legendary movie lots bearing the names of Thomas Ince Hal Roach Goldwyn Metro Goldwyn Mayer Lorimar MGM UA Columbia Sony Pictures DeMille RKO Pathe Selznick Desilu Culver City Studios Laird International the Culver Studios and such nearly forgotten mini factories as the Willat Studios On these premises Gone With the Wind The Wizard of Oz Citizen Kane E.T.
