

The background of the cover is a painting of a dimly lit interior. On the left, a staircase with wooden steps and a dark railing leads upwards. In the foreground, a dark, upholstered armchair is partially visible. To the right, a doorway or open closet reveals a brightly lit area beyond, where a white object, possibly a piece of furniture or a wall, is visible. The overall color palette is muted, with greens, browns, and greys, creating a somber and contemplative mood.

The Creative Process Charlotte L. Doyle, 2021-12-22 The Creative Process Stories from the Arts and Sciences asks how celebrated works of art and breakthroughs in science came to be What was the first inkling What were the steps and missteps along the way How was the process experienced by the creative person as it proceeded And what are the implications for the psychology of the creative process Each chapter focuses on a specific creative endeavor situating the work in the context of domain culture and historical era Then it traces the development of the work from what we know of its beginnings to its fulfillment Qualitative materials interviews notebooks diaries sketches drafts and other writings allow a story of the creative process as lived to emerge The narratives exemplify established concepts in the psychology of creativity propose broadening some reveal the need for modification and suggest new ones Application of phenomenological frameworks illuminate the episodes in new ways as well The case study approach proves again that each episode is unique yet themes and variations come into view when the episodes are considered together in a final reflection From Darwin's theory to an unusual jazz sound here are 11 fascinating stories of how specific works took shape Psychologists students interested in creativity and all those intrigued by the process in any creative field will find this book essential reading

The Archive Thief Lisa Moses Leff, 2015-06-09 In the aftermath of the Holocaust Jewish historian Zosa Szajkowski gathered up tens of thousands of documents from Nazi buildings in Berlin and later public archives and private synagogues in France and moved them all illicitly to New York In The Archive Thief Lisa Moses Leff reconstructs Szajkowski's story in all its ambiguity Born into poverty in Russian Poland Szajkowski first made his name in Paris as a communist journalist In the late 1930s as he saw the threats to Jewish safety rising in Europe he broke with the party and committed himself to defending his people in a new way as a scholar associated with the YIVO Institute for Jewish Research Following a harrowing 1941 escape from France and U.S. army service Szajkowski struggled to remake his life as a historian eking out a living as a YIVO archivist in postwar New York His scholarly output was tremendous nevertheless he published scores of studies on French Jewish history that opened up new ways of thinking about Jewish emancipation modernization and the rise of modern antisemitism But underlying Szajkowski's scholarly accomplishments were the documents he stole moved and eventually sold to American and Israeli research libraries where they remain today Part detective story part analysis of the construction of history The Archive Thief offers a window into the debates over the rightful ownership of contested Jewish archives and the powerful ideological economic and psychological forces that have made Jewish scholars care so deeply about preserving the remnants of their past
