Finance And Information:

Managerial Finance Alan Parkinson, 2012-08-21 Managerial Finance provides a clear and readable explanation of the most important topics managers should understand about business finance. These include resource management, investment and decision making as well as the practical use of financial ratios and performance indicators. Real examples and case studies are used throughout to illustrate points in a practical context. The book is based upon the Management Charter Initiative's Occupational Standards for Management NVQs and SVQs at Levels 4 and 5 and is also particularly suitable for managers on Certificate and Diploma in Management programmes including those accredited by the IM and Edexcel formerly BTEC. Managerial Finance is part of the highly successful series of textbooks for managers which cover the knowledge and understanding required as part of any competency based management programme. The books cover the three main levels of management: supervisory first line management NVQ level 3, middle management Certificate NVQ level 4 and senior management Diploma NVQ level 5. Alan Parkinson is the Hill Samuel Senior Lecturer in Accounting Finance at the Open Business School. He was previously responsible as Director of the Open University MBA Programme for launching the highly successful MBA Course.
