*of the Shanghai Jews* Kevin Ostoyich,Yun Xia,2022-11-28 This volume provides a historical narrative historiographical  
reviews and scholarly analyses by leading scholars throughout the world on the hitherto understudied topic of Shanghai  
Jewish refugees Few among the general public know that during the Second World War approximately 16 000 to 20 000 Jews  
fled the Nazis found unexpected refuge in Shanghai and established a vibrant community there Though most of them left  
Shanghai soon after the conclusion of the war in 1945 years of sojourning among the Chinese and surviving under the  
Japanese occupation generated unique memories about the Second World War lasting goodwill between the Chinese and  
Jews and contested interpretations of this complex past The volume makes two major contributions to the studies of Shanghai  
Jewish refugees First it reviews the present state of the historiography on this subject and critically assesses the ways in  
which the history is being researched and commemorated in China Second it compiles scholarship produced by renowned  
scholars who aim to rescue the history from isolated perspectives and look into the interaction between Jews Chinese and  
Japanese    **The Reference Catalogue of Current Literature** ,1913    *The English Catalogue of Books* Sampson
