Sovereignty or Security? Shelagh Grant, 2011-11-01 Sovereignty or Security explores the numerous and diverse influences responsible for the dramatic change in northern policies during the 1940s and their subsequent impact on the Yukon and Northwest Territories Apart from concern for the social economic and political development of the North two major issues emerged which became central to the policy initiatives in the war and postwar years the question of maintaining optimum sovereign control and of providing adequate defence against possible enemy attack As a result Ottawa abandoned its former laissez faire approach to northern affairs and adopted an active interventionist role accompanied by unprecedented financial support Jock McMeekan's Yellowknife Blade Jock McMeekan, Gladys McCurdy Gould, 1984 History of Yellowknife compiled from author's columns in the newspapers Yellowknife Blade and Mackenzie Press Uranium Era and Hay River Optimist

The Winter Count Allen R. Wells, 2012-02-08 The chief joy of travelling comes from getting from where you were to where you choose to be on time A close second would be finding that your luggage has almost matched your trip and can be found on arrival Unexpectedly high on the list of pleasures though are chance encounters Seemingly dealt by fate at random your seatmates may leave lasting impressions They may quietly change your life A bucket list is a list of experiences or achievements that a person writes down when young and crosses off as each is accomplished Improbable items on the list may approach one hundred They help give a sense of meaning to life of progress of winning in a competition to reach the writers dreams A bucket list seems to symbolize purposeful living The term relates to what people set out to grasp before they kick the bucket The motivational value is obvious A word for the opposite kind of life is hard to propose It would be a life like the one that is the subject of this book made up of unplanned reactions to unexpected events Such a life might be unachieving or hum drum It could as easily be striking It could be serene carefree lucky or unlucky looking back Most readers like this author will not have a bucket list Life unfolds as it may Like snow flakes no two haphazard lives will be identical The chance events of life can just as forcefully change the outcomes of carefully planned and structured lives The value to you as a traveller is to recognize the balance of opportunity and effort that colours all our lives in whatever order those two influences may come Here then is your opportunity for a chance encounter If you knew the author in one of the two dozen or more scenarios of your shared life this is your chance to reminisce What came before and what came after in his life or in your own How did it all come about How did it all come out If you have never met the author here is a different opportunity In a few hours you can follow what came to be written on the blank slate of one of your companions on life's journey You can experience a different life You can be assured that your arrival with your luggage and your perceptions will end with new discoveries and satisfaction Enjoy your trip Enjoy your companion You can begin to do both now by buying the book
