

Johannes Brahms

Donna Getzinger, Daniel Felsenfeld

Johannes Brahms:

Johannes Brahms Jan Swafford, 1997 An illuminating new biography of one of the most beloved of all composers published on the hundredth anniversary of his death brilliantly written by a finalist for the 1996 National Book Critics Circle Award Johannes Brahms has consistently eluded his biographers Throughout his life he attempted to erase traces of himself wanting his music to be his sole legacy Now in this masterful book Jan Swafford critically acclaimed as both biographer and composer takes a fresh look at Brahms giving us for the first time a fully realized portrait of the man who created the magnificent music Brahms was a man with many friends and no intimates who experienced triumphs few artists achieve in their lifetime Yet he lived with a relentless loneliness and a growing fatalism about the future of music and the world The Brahms that emerges from these pages is not the bearded eminence of previous biographies but rather a fascinating assemblage of contradictions Brought up in poverty he was forced to play the piano in the brothels of Hamburg where he met with both mental and physical abuse At the same time he was the golden boy of his teachers who found themselves in awe of a stupendous talent a miraculous young composer and pianist poised between the emotionalism of the Romantics and the rigors of the composers he worshipped Bach Mozart Beethoven In 1853 Robert Schumann proclaimed the twenty year old Brahms the savior of German music Brahms spent the rest of his days trying to live up to that prophecy ever fearful of proving unworthy of his musical inheritance We find here more of Brahms's words his daily life and joys and sorrows than in any other biography With novelistic grace Swafford shows us a warm blooded but guarded genius who hid behind jokes and prickliness rudeness and intractability with his friends as well as his enemies but who was also a witty drinking companion and a consummate careerist skillfully courting the powerful This is a book rich in secondary characters as well including Robert Schumann declining into madness as he hailed the advent of a new genius Clara Schumann the towering pianist tormented personality and great love of Brahms's life Josef Joachim the brilliant self lacerating violinist the extraordinary musical amateur Elisabet von Herzogenberg on whose exacting criticism Brahms relied Brahms's rival and shadow the malevolent genius Richard Wagner and Eduard Hanslick enemy of Wagner and apostle of Brahms at once the most powerful and most wrongheaded music critic of his time Among the characters in the book are two great cities the stolid North German harbor town of Hamburg where Johannes grew up which later spurned him and glittering fickle music mad Vienna where Brahms the self proclaimed vagabond finally settled to find his sweetest triumphs and his most bitter failures Unique to this book is the way in which musical scholarship and biography are combined in a style refreshingly free of pretentiousness Jan Swafford takes us deep into the music from the grandeur of the First Symphony and the intricacies of the chamber work to the sorrow of the German Requiem allowing us to hear these familiar works in new and often surprising ways This is a clear eyed study of a remarkable man and a vivid portrait of an era in transition Ultimately Johannes Brahms is the story of a great backward looking artist who inspired musical revolutionaries of the following generations yet who was no

less a prophet of the darkness and violence of our century A biographical masterpiece at once wholly original and definitive

Johannes Brahms Johannes Brahms,1997 This book is the first comprehensive collection of the letters of Johannes Brahms ever to appear in English Over 550 are included virtually all uncut and there are over a dozen published here for the first time in any language Although he corresponded throughout his life with some of the great performers composers musicologists writers scientists and artists of the day and although thousands of his letters have survived English readers have until now had scant opportunity to meet Brahms in person through his words and in his own voice The letters in this volume range from 1848 to just before his death They include most of Brahms's letters to Robert Schumann over a hundred letters to Clara Schumann and the complete Brahms Wagner correspondence They are joined by a running commentary to form an absorbing narrative documented with scholarly care provided with comprehensive notes but written for the general music lover the result is a lively biography The work is generously illustrated and contains several detailed appendices and an index *Johannes Brahms* Hermann Deiters,1888 *Johannes Brahms* Hans Gal ,1971 *Johannes Brahms* Heather Anne Platt,2011 First published in 2011 Routledge is an imprint of Taylor Francis an informa company

The Music of Johannes Brahms Bernard Jacobson,1977 For too long Brahms has been considered a heavy or thickly textured composer The author who has made a special study of his music shows how once this misconception has been exploded there are few obstacles left in the way of understanding this most misunderstood of romantic composers Brahms's music looked both forward to the present day and backward to the early Polyphonists from its standpoint in the nineteenth century Ranging freely across his entire output the author discusses Brahms's rhythmic vitality his symphonic thought and individual approach to scouring A meticulous and fastidious worker who destroyed more than he allowed to be published Brahms the man was as complex a character as his music The author provides an effortless guide to the many frequently hidden beauties of his works **Johannes Brahms** Jan Swafford,1999-12-07 A New York Times Notable Book This brilliant and magisterial book is a very good bet to become the definitive study of Johannes Brahms The Plain Dealer Judicious compassionate and full of insight into Brahms's human complexity as well as his music Johannes Brahms is an indispensable biography Proclaimed the new messiah of Romanticism by Robert Schumann when he was only twenty Johannes Brahms dedicated himself to a long and extraordinarily productive career In this book Jan Swafford sets out to reveal the little known Brahms the boy who grew up in mercantile Hamburg and played piano in beer halls among prostitutes and drunken sailors the fiercely self protective man who thwarted future biographers by burning papers scores and notebooks late in his life Making unprecedented use of the remaining archival material Swafford offers richly expanded perspectives on Brahms's youth on his difficult romantic life particularly his longstanding relationship with Clara Schumann and on his professional rivalry with Liszt and Wagner Johannes Brahms will no doubt stand as the definitive work on Brahms one of the monumental biographies in the entire musical library London Weekly Standard It is a measure of the accomplishment of Jan Swafford's biography that Brahms's

sadness becomes palpable Swafford manages to construct a full bodied human being The New York Times Book Review

The Life of Johannes Brahms (Complete) Florence May,1948-01-01 *Johannes Brahms* Johannes Brahms,1909

The Life and Times of Johannes Brahms Jim Whiting,2004-09 Johannes Brahms was born in Hamburg Germany to a family that lived in extreme poverty Yet by the time of his death he had become one of the most financially successful classical music composers who ever lived It wasn't easy His family had to move several times while Hannes as he was nicknamed was still a boy He had to go to work when he was just 13 playing the piano in rough waterfront taverns in Hamburg Often he wouldn't come home until dawn Brahms received his first big break when he was 20 The composer Robert Schumann called him a genius and a young eagle Even then it still took him many years to become famous While he is most noted for his symphonies and concertos it is likely that more people know him for his Cradle Song better known as Brahms's Lullaby which millions of mothers have sung to their young children to lull them to sleep **Johannes Brahms** Heather Platt,2004-03-01

First Published in 2003 Routledge is an imprint of Taylor Francis an informa company Late Idyll Reinhold Brinkmann,1995 In this elegant book premier musicologist Reinhold Brinkmann guides us through Brahms's Second Symphony examining musical ideas in all their compositional facets and placing them in the context of major trends in the intellectual history of late nineteenth century Europe The Compleat Brahms Leon Botstein,1999 The 1997 centennial of Brahms's death has intensified interest among concertgoers and music lovers in the composer's prodigious body of work

Personal Recollections of Johannes Brahms George Henschel,1907 **Johannes Brahms** Jan Swafford,2012-01-11 An illuminating new biography of one of the most beloved of all composers published on the hundredth anniversary of his death brilliantly written by a finalist for the 1996 National Book Critics Circle Award Johannes Brahms has consistently eluded his biographers Throughout his life he attempted to erase traces of himself wanting his music to be his sole legacy Now in this masterful book Jan Swafford critically acclaimed as both biographer and composer takes a fresh look at Brahms giving us for the first time a fully realized portrait of the man who created the magnificent music Brahms was a man with many friends and no intimates who experienced triumphs few artists achieve in their lifetime Yet he lived with a relentless loneliness and a growing fatalism about the future of music and the world The Brahms that emerges from these pages is not the bearded eminence of previous biographies but rather a fascinating assemblage of contradictions Brought up in poverty he was forced to play the piano in the brothels of Hamburg where he met with both mental and physical abuse At the same time he was the golden boy of his teachers who found themselves in awe of a stupendous talent a miraculous young composer and pianist poised between the emotionalism of the Romantics and the rigors of the composers he worshipped Bach Mozart Beethoven In 1853 Robert Schumann proclaimed the twenty year old Brahms the savior of German music Brahms spent the rest of his days trying to live up to that prophecy ever fearful of proving unworthy of his musical inheritance We find here more of Brahms's words his daily life and joys and sorrows than in any other biography With novelistic grace Swafford shows

us a warm blooded but guarded genius who hid behind jokes and prickliness rudeness and intractability with his friends as well as his enemies but who was also a witty drinking companion and a consummate careerist skillfully courting the powerful This is a book rich in secondary characters as well including Robert Schumann declining into madness as he hailed the advent of a new genius Clara Schumann the towering pianist tormented personality and great love of Brahms's life Josef Joachim the brilliant self-lacerating violinist the extraordinary musical amateur Elisabet von Herzogenberg on whose exacting criticism Brahms relied Brahms's rival and shadow the malevolent genius Richard Wagner and Eduard Hanslick enemy of Wagner and apostle of Brahms at once the most powerful and most wrongheaded music critic of his time Among the characters in the book are two great cities the stolid North German harbor town of Hamburg where Johannes grew up which later spurned him and glittering fickle music mad Vienna where Brahms the self-proclaimed vagabond finally settled to find his sweetest triumphs and his most bitter failures Unique to this book is the way in which musical scholarship and biography are combined in a style refreshingly free of pretentiousness Jan Swafford takes us deep into the music from the grandeur of the First Symphony and the intricacies of the chamber work to the sorrow of the German Requiem allowing us to hear these familiar works in new and often surprising ways This is a clear-eyed study of a remarkable man and a vivid portrait of an era in transition Ultimately Johannes Brahms is the story of a great backward-looking artist who inspired musical revolutionaries of the following generations yet who was no less a prophet of the darkness and violence of our century A biographical masterpiece at once wholly original and definitive

The Organ Music of Johannes Brahms Barbara Owen, 2007-06-25 Influenced by Robert and Clara Schumann and Joseph Joachim Johannes Brahms not only learned to play the organ at the beginning of his career but also wrote significant compositions for the instrument as a result of his early counterpoint study He composed for the organ only sporadically or as part of larger choral and instrumental works in his subsequent career During the final year of his life however he returned to pure organ composition with a set of chorale preludes though many of these are thought to have been revisions of earlier works Today the organ works of Johannes Brahms are recognized as beautifully crafted compositions by church and concert organists across the world and have become a much cherished component of the repertoire Until now however most scholarly accounts of Brahms's life and work treat his works for the organ as a minor footnote in his development as a composer Precisely because the collection of organ works is not extensive the pieces composed at different times during Brahms's lifetime help to map his path as a composer pinpointing various stages in his artistic development In this volume Barbara Owen offers the first in-depth study of this corpus considering Brahms's organ works in relation to his background methods and overall artistic development his contacts with organs and organists the influence of his predecessors and contemporaries and analyses of each specific work and its place in Brahms's career Her expert history and analysis of Brahms's individual organ works and their interpretation also investigates contemporary practices relative to the performance of these pieces The book's three valuable appendices

present a guide to editions of Brahms's organ works a discussion of the organ in Brahms's world that highlights some organs the composer would have heard and a listing of the organ transcriptions of Brahms's work Blending unique insights into composition and performance practice this book will be read eagerly by performers students and scholars of the organ
Brahms and the music of the Nineteenth Century **Johannes Brahms** Johannes Brahms, 2001-01-01 *Johannes Brahms and the Twilight of Romanticism* Donna Getzinger, Daniel Felsenfeld, 2004 Johannes Brahms labored his entire life in the shadow of Ludwig van Beethoven Even as a child when his musician father forced him to earn money by playing piano in the seedy waterfront bars of Hamburg Germany Brahms wanted to compose symphonies concertos and sonatas in the style of the great master As the Romantic era that began with Beethoven drew to a close Brahms joined a group of musicians dedicated to keeping traditional musical forms alive Brahms along with Robert and Clara Schumann and a few others stood in opposition to the bold new music advocated by Richard Wagner and Franz Liszt The conflict reached beyond music into the political and philosophical struggles of the late nineteenth century Johannes Brahms and the Twilight of Romanticism captures these personalities and controversies and brings to life this tender irascible and complex man Book jacket

Johannes Brahms & George Henschel George S. Bozarth, Johannes Brahms, 2008 George Henschel is known for his highly informative Personal Recollections of Johannes Brahms in which he published memoirs of his times with Brahms and a selection of Brahms's letters to him The present volume incorporates these recollections and letters and supplements them with letters from Henschel to Brahms additional Brahms memoirs from other sources Henschel's contacts with Verdi and Wagner and extensive annotations that enlighten the reader Includes a CD of Henschel's recordings **Getting To Know The World's Greatest Composers** Mike Venezia, 1999 Presents a biography of Johannes Brahms

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Johannes Brahms eBooks, including some popular titles.

FAQs About Johannes Brahms Books

What is a Johannes Brahms PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Johannes Brahms PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Johannes Brahms**

PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I**

convert a Johannes Brahms PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Johannes Brahms PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
