new Republican Party headed by famed explorer John C Fr mont offered a ray of hope a major party dedicated to limiting the spread of slavery For the first time women and African Americans actively engaged in a presidential contest and the candidate s wife Jessie Benton Fr mont played a central role in both planning and executing strategy and was a public face of the campaign Even enslaved blacks in the South took hope from Fr mont s crusade The 1856 campaign was also run against the backdrop of a country on the move with settlers continuing to spread westward facing unimagined horrors a terrible natural disaster that took hundreds of lives in the South and one of the most famous Supreme Court cases in history which set the stage for the Civil War Fr mont lost but his strong showing in the North proved that a sectional party could win a national election blazing the trail for Abraham Lincoln s victory four years later
