John Cardinal O'Connor Nat Hentoff,1988 **John Cardinal O'Connor and the Culture of Life** Charles Patrick Connor,2011 **Sons of Saint Patrick** George Marlin,Brad Miner,2017-01-12 Sons of Saint Patrick tells the story of America s premiere Catholic see the archdiocese of New York from the coming of French Jesuit priests in the seventeenth century to the early years of Cardinal Timothy Dolan It includes many intriguing facets of the history of Catholicism in New York including the early persecution of and legal discrimination against Catholics the waves of catholic immigrants most notably from Ireland the Church s rise to power under New York s first archbishop Daggar John Hughes the emerging awareness in the Vatican of New York s preeminence the clashes between America and Rome over the Americanist heresy the role New York s archbishops have played in the life of America s greatest city and in the world The book focuses on the ten archbishops of New York and shows how they became the indispensable partners of governors and presidents especially during the war torn twentieth century Also discussed are the struggles of the most recent archbishops in the face of demographic changes financial crises and clerical sex abuse cases Sons of Saint Patrick is an objective but colorful portrait of ten extraordinary men men who were saints and sinners politicians and pastors and movers and shakers who as much as any other citizens have made New York one of the greatest cities in the world All ten archbishops have been Irish either by birth or heritage but given New York s changing ethnic profile Cardinal Timothy Dolan may be the last son of Saint Patrick to serve as its archbishop *Toward Greater Understanding* Anthony J. Cernera,1995-11-01 **United States Statutes at Large** United States,2001 Journal of the House of Representatives of the United States United States. Congress. House,2001 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House *A People Adrift* Peter Steinfels,2013-01-29 In A People Adrift a prominent Catholic thinker states bluntly that the Catholic Church in the United States must transform itself or suffer irreversible decline Peter Steinfels shows how even before the recent revelations about sexual abuse by priests the explosive combination of generational change and the thinning ranks of priests and nuns was creating a grave crisis of leadership and identity This groundbreaking book offers an analysis not just of the church s immediate troubles but of less visible more powerful forces working below the surface of an institution that provides a spiritual identity for 65 million Americans and spans the nation with its parishes schools colleges and universities hospitals clinics and social service agencies In A People Adrift Steinfels warns that entrenched

liberals and conservatives are trapped in a theological gridlock that often ignores what in fact goes on in families parishes classrooms voting booths and Catholic organizations of all types Above all he insists the altered Catholic landscape demands a new agenda for leadership from the selection of bishops and the rethinking of the priesthood to the thorough preparation and genuine incorporation of a lay leadership that is already taking over key responsibilities in Catholic institutions Catholicism exerts an enormous cultural and political presence in American life No one interested in the nation's moral intellectual and political future can be indifferent to the fate of what has been one of the world's most vigorous churches a church now severely challenged
