Kennedy, 1961** Kennedy, John F.,1962-01-01 Public Papers of the Presidents of the United States **John F. Kennedy** Robert P. Watson,Tom Lansford,2004 The way various presidents have used the complex power of their office is the subject of the Presidents and Their Decisions series Each volume in the series examines one particular president and the key decisions he made while in office The essays in each chapter most written by presidential historians and biographers offer a range of perspectives on the president s actions and their historical significance Some provide background on the political social and economic factors behind a particular crisis that the president faced Others critique the president s performance offering a negative or positive appraisal Each book in the series begins with an essay that provides both a brief biography of the president and an overview of the events that occurred during his time in office Chapters are then divided by subject with each chapter focusing on a specific decision the president made Each selection is preceded by an editor s summary of the essay s main points John F Kennedy s decisions shaped the course of the Cold War and paved the way for the federal government s promotion of civil rights When faced with the possibility of nuclear war with the Soviet Union it was Kennedy s handling of the Cuban Missile Crisis that averted disaster From establishing the Peace Corps to launching the space program an array of important decisions made by President Kennedy during one of the most critical periods in U S history are examined in this book *The Presidency of John F. Kennedy* James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key

issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy's watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library *The Presidency of John F Kennedy* remains the definitive appraisal of Camelot's kingdom *John F. Kennedy's Presidency* Rebecca Rowell, 2017-01-01 When John F Kennedy became the youngest person ever elected president of the United States in 1961 he stepped to the forefront of an invisible battleground The Cold War standoff between America and the Soviet Union threatened to lead to nuclear war and worldwide destruction Kennedy also faced domestic turmoil with the civil rights movement Despite these challenges Kennedy worked to bring the country into a New Frontier He supported space exploration the arts education and groundbreaking social programs He took a controversial stand in favor of civil rights legislation and navigated dangerous webs of foreign affairs Kennedy inspired the nation with his hopes for the future and his efforts to make them a reality *The Letters of John F. Kennedy* John F. Kennedy, 2013-10-29 A definitive collection of letters by and to JFK offers unique insights into his character and times in a volume that includes correspondences with such figures as Martin Luther King Jr Eleanor Roosevelt and a young John Kerry *John F. Kennedy* Ian James Bickerton, 2019-09-04 John F Kennedy A Reference Guide to His Life and Works cover all aspects of his life and work Despite his short tenure in office Kennedy shaped the domestic and international direction of the nation for decades to come He is remembered domestically for the hope and encouragement he instilled in the struggle for civil rights his support for the freedom riders and for equality for women Abroad his memory lives in his handling of the Cold War against an aggressive Soviet Union and such events as the Berlin crisis and Wall his intervention in the Vietnam War the invasion of Cuba and Bay of Pigs disaster the Cuban Missile crisis and the beginnings of space exploration all of which tested the young relatively inexperienced leader Includes a detailed chronology detailing John F Kennedy's life family and work The A to Z section includes family members his handling of the Cold War and such events as the Berlin crisis and Wall his intervention in the Vietnam War the invasion of Cuba and Bay of Pigs disaster the Cuban Missile crisis and the beginnings of space exploration The bibliography includes a list of publications concerning his life and work The index thoroughly cross references the chronological and encyclopedic entries **The Politics of the Presidency** John Anthony Maltese, Andrew Rudalevige, Joseph A.
