John Goulds Contribution To British Art:

Birdman's Wife Melissa Ashley, 2016-10-01 A woman overshadowed by history steps back into the light Artist Elizabeth Gould spent her life capturing the sublime beauty of birds the world had never seen before But her legacy was eclipsed by the fame of her husband John Gould The Birdman s Wife at last gives voice to a passionate and adventurous spirit who was so much more than the woman behind the man Elizabeth was a woman ahead of her time juggling the demands of her artistic life with her roles as wife lover helpmate and mother to an ever growing brood of children In a golden age of discovery her artistry breathed wondrous life into hundreds of exotic new species including Charles Darwin s famous Galapagos finches In The Birdman s Wife the na ve young girl who falls in love with a demanding and ambitious genius comes into her own as a woman an artist and a bold adventurer who defies convention by embarking on a trailblazing expedition to collect and illustrate Australia s curious birdlife In this indelible portrait an extraordinary woman overshadowed by history steps back into the light where she belongs The Dictionary of Australian Artists Joan Kerr, 1992 The most comprehensive dictionary on the topic ever produced this reference contains over a million words describing some 3000 artists Focusing on the Australian colonial period the book includes 450 illustrations to redefine Australia s visual origins in an authoritative entertaining and original way It will become a standard reference for art connoisseurs private collectors dealers curators and anyone with a serious interest in early Australian art A Critical Dictionary of English Literature and British and American Authors Samuel Austin Allibone, 1872 **The Business of Nature** Roslyn Russell, 2011 In 1838 John Gould and his wife Elizabeth left behind their family and home in London to travel to the far flung colony of Van Diemen s Land from where Gould would travel around the mainland to observe the native fauna Gould s artists Elizabeth foremost among them would depict these creatures in exquisite lithographs accompanied by Gould s commentary With all the acumen of a shrewd Victorian entrepreneur Gould established a thriving business that took him into the world of the British aristocracy and the scientific elite His is a tale of enduring love and of a man s unending ability to see beauty in nature despite the greatest of life s tragedies A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century Samuel Austin Allibone, 1891 **John Gould's Contribution to British Art** Allan McEvey, 1973 English Mechanic and Mirror of Science and Art , 1882 *The Bird Observer* , 1990 **The Art of the Bird** Roger J. Lederer, 2019-09-25 The human history of depicting birds dates to as many as 40 000 years ago when Paleolithic artists took to cave walls to capture winged and other beasts But the art form has reached its peak in the last four hundred years In The Art of the Bird devout birder and ornithologist Roger J Lederer celebrates this heyday of avian illustration in forty artists profiles beginning with the work of Flemish painter Frans Snyders in the early 1600s and continuing through to contemporary artists like Elizabeth Butterworth famed for her portraits of macaws Stretching its wings across time taxa geography and artistic style from the celebrated realism of American conservation icon John James Audubon

to Elizabeth Gould's nineteenth century renderings of museum specimens from the Himalayas to Swedish artist and ornithologist Lars Jonsson's ethereal watercolors this book is feathered with art and artists as diverse and beautiful as their subjects A soaring exploration of our fascination with the avian form *The Art of the Bird* is a testament to the ways in which the intense observation inherent in both art and science reveals the mysteries of the natural world Books and Pamphlets, Including Serials and Contributions to Periodicals Library of Congress, Copyright Office, 1972 **English, Irish, & Scottish Silver at the Sterling and Francine Clark Art Institute** Sterling and Francine Clark Art Institute, Beth Carver Wees, 1997 In this stunning catalog Wees curator of decorative arts at the Clark Art Institute shares her extensive knowledge of silver Robert Sterling Clark who established the Art Institute in 1955 preferred Huguenot silver especially that of Paul de Lamerie so his collection which contains typical objects from the early 16th to the mid 20th centuries is especially rich in 18th century examples Wees arranges this collection according to general function Dining Lighting etc and prefaces each chapter with exhaustively footnoted essays She accompanies each item with crisp black and white photographs a wealth of description and helpful commentary Analogous to Kathryn Buhler's standard catalog of American silver in Boston's Museum of Fine Arts this is a wonderful tool for researching makers and hallmarks comparing stylistic elements or just marveling at the beauty of an extraordinary collection While not intended to be a historical compendium this informative visual feast belongs in all silver reference collections and will also certainly appeal to individual collectors 19 colour 1 222 b w illustrations History of the Australian Environment Movement Drew Hutton, Libby Connors, 1999-04-13 This book presents a history of the value of the Australian environment and the struggles to protect it *D.J* William Thomas Lowndes, 1834 The Bibliographer's Manual of English Literature William Thomas Lowndes, 1865 **Curious Minds** Peter Macinnis, 2012 *Curious Minds* The Discoveries of Australian Naturalists looks at the long line of naturalists who have traversed Australia in search of new plants and animals Identifying and classifying the unfamiliar plants and animals was their biggest challenge the early ones were frequently wrong but later naturalists were able to build on and learn from previous mistakes In time a new breed of homegrown naturalists emerged This succession of curious minds would help to foster pride in a developing nation as well an interest in the preservation of natural history *Curious Minds* brings to life the stories of the naturalists and settlers who made the unfamiliar familiar and who contributed to developments in natural science Among the names are Joseph Banks Charles Darwin Amalie Dietrich Ludwig Leichhardt Ferdinand von Mueller Ellis Rowan John Lewin and John and Elizabeth Gould Beautifully illustrated with images from the collection of the National Library of Australia the publication is a loving tribute to the courageous and inquisitive men and women who led by example **Oiseaux d'Europe - John Gould - Vol. 1 - Les Rapaces** Edmond Lorot, Sotheran's Price Current of Literature Henry Sotheran Ltd, 1886 The Archaeology of Contextual Meanings Ian Hodder, 1987-08-06 This companion volume to *Archaeology as Long term History* focuses on the symbolism of artefacts It seeks at once to refine the theory and method relating to interpretation and show with examples

how to conduct this sort of archaeological work Some contributors work with the material culture of modern times or the historic period areas in which the symbolism of mute artefacts has traditionally been thought most accessible However the book also contains a good number of applications in prehistory to demonstrate the feasibility of symbolic interpretation where good contextual data survive from the distant past In relation to wider debates within the social sciences the volume is characterised by a concern to place abstract symbolic codes within their historical context and within the contexts of social actions In this respect it develops further some of the ideas presented in Dr Hodder s Symbolic and Structural Archaeology an earlier volume in this series

The Natural History of Edward Lear, New Edition Robert McCracken

Peck,2021-04-13 Edward Lear is well known as the brilliant writer of nonsense poetry children s books and travel books who popularized the limerick and wrote verses such as The Owl and the Pussycat But few people are aware that Lear was one of the most talented and accomplished painters of natural history subjects in the nineteenth century and worked with British scientists collectors and publishers to make Britain the nexus for scientific investigation and its circulation One of the best ornithological artists of his generation Lear published his first book a monograph on the parrot family at age 18 and established a format that would be followed by decades by such publishers as John Gould with whom he worked closely and often anonymously Over his career Lear produced a multitude of drawings of birds and mammals from around the world for scientific publications public institutions and individual patrons not just of English species but of birds and mammals from Australia New Zealand and the Americas He is also the Lear in the name of the rare species Lear s Macaw In this book Peck has assembled the first comprehensive view of this important part of Lear s career Featuring over 200 illustrations and a foreword by Sir David Attenborough the book also examines the influence Lear had on modern artists such as Walton Ford and Tony Foster This new edition includes a new chapter that addresses Lear s continued fascination with wildlife and the natural world after giving up his career as a scientific illustrator and his fascination with domestic pets from his own beloved cat which he cartooned repeatedly to the portraits of dogs owned by his family and friends alongside thirteen never before published illustrations including fully finished watercolors rough preliminary sketches and whimsical cartoons

A Dangerous Woman Susan Ronald,2018-02-20 A revealing biography of Florence Gould fabulously wealthy socialite and patron of the arts who hid a dark past as a Nazi collaborator in 1940 s Paris Born in turn of the century San Francisco to French parents Florence moved to Paris at the age of eleven Believing that only money brought respectability and happiness she became the third wife of Frank Jay Gould son of the railway millionaire Jay Gould She guided Frank s millions into hotels and casinos creating a luxury hotel and casino empire She entertained Zelda and Scott Fitzgerald Pablo Picasso Joseph Kennedy and many Hollywood stars like Charlie Chaplin who became her lover While the party ended for most Americans after the Crash of 1929 Frank and Florence stayed on fearing retribution by the IRS During the Occupation Florence took several German lovers and hosted a controversial Nazi salon As the Allies closed in the unscrupulous Florence became

embroiled in a notorious money laundering operation for Hermann G ring s Aerobank Yet after the war not only did she avoid prosecution but her vast fortune bought her respectability as a significant contributor to the Metropolitan Museum and New York University among many others It also earned her friends like Est e Lauder who obligingly looked the other way A seductive and utterly amoral woman who loved to say money doesn t care who owns it Florence s life proved a strong argument that perhaps money can buy happiness after all
