Living Life via the Silver Cord Valerie Hutchings, 2020-12-30 Jesus Christ the same yesterday and today and forever Heb 13 8 God is still using people just as he did in the Bible Those stories were put there for us to see how God can take a nobody and turn them into a somebody without asking anybody We are all connected with a silver cord Eccles 12 6 7 This is not a puppet string Because God loves us so much he will not come against our choice We have the lifeline to communicate with him and to hear his voice My sheep listen to my voice and I know them and they follow me And I give eternal life to them and they will never perish and no one will snatch them out of My hand My Father who has given them to Me is greater than all and no one is able to snatch them out of the Father's hand I and the Father are one John 10 27 30 I hope to open the eyes of all to show them how special they are to God and to do his will For as long as they have breath they have a choice

Living Life While Working and Enjoying All the Blessings of Life Dr. Ali Raza Butt, 2015-04-25 This book is about life and how to get the best out of life It reminds us that life is the most beautiful gift of nature and we should make the best out of our life It educates us on how to maintain the best balance in life to have maximum happiness and satisfaction in life It tells us that a lot of us focus completely on our work and just sacrifice everything else in life but we should not forget that despite work as a very important part of our life it is still a part and not the whole life If we just focus on our work only it will create imbalance in our life and our personal life will be full of stress and as a result our professional life will also suffer Balanced life will allow us the luxury to be satisfied and successful in the two most important aspects of our life personal and professional The modern cutthroat global competition forces us to forget about really living life full of happiness and we are just busy in living A balanced life should be in which we value all aspects of our life and not just one aspect and ignore all other things and create an imbalance in our life affecting not only our own personal life but also the lives of important people around us Imbalance in life will increase our pressures and stresses and a balanced life will bring peace of mind and will soothe us and we will be full of energy and motivation We should be really thankful for all gifts our Creator has gifted us in our life and in the world around us This beautiful gift of life can be made more beautiful by creating a beautiful balance in our life

The Reason Why I'm Living This Life Marie Morrison, 2019-08-20 There is a common misconception regarding those who attend church and have decided to dedicate their lives to God Believe me when I say we were not always like this I do not think people truly grasp where some of us are coming from and what God has saved us from We have been homeless lost children lost parents drug abusers drunkards gang members heavy smokers self harmers gamblers you name it God

saved us from it Some of us had terminal illnesses and were told how little time we had left to live but God intervened We just got tired of our lives spinning in circles the drugs and alcohol seemed to help but only for a time So yes we were in a downward spiral Irrespective of our race gender or nationality we can be saved we all have a choice One of the most powerful things God has given to humankind is free will He will not force you to serve Him He takes no pleasure in that and neither would you We all knew something was missing we just did not know that it was God It is funny well not funny ha ha but you know it is mind blowing when people look at us believing that we were always this way and you think If they ever knew Well this book is written for you to know God did not come to save the righteous because if He did the church would be empty We all have to begin somewhere and this is how and where many stories began The following are personalised accounts of those who shared their experiences Living to Tell the Horrid Tales: True Life Stories of Fomer Slaves, Historical Documents & Novels Mark Twain, Harriet Beecher Stowe, Aphra Behn, Thomas Clarkson, Daniel Drayton, Louis Hughes, Lydia Maria Child, James Weldon Johnson, Austin Steward, Ida B.
