A Long Journey Home Luis Eduardo Pérez Murcia, 2025-09-01 Advancing contemporary scholarly debates on the role of home in understanding displacement and emplacement *A Long Journey Home* explores powerful personal narratives from Colombia The book examines the experiences of those whose sense of home has been disrupted by decades of conflict and violence It highlights the profound feelings of loss and the enduring struggle of living without a home an experience that can last for years or even decades Through these stories the book reveals how internally displaced people use creativity and imagination to remake their home while on the move

Winning at Life "No Regrets" David R Bradley MHA, 2015-11-20 David R Bradley's book *Winning at Life No Regrets* takes a journey of life through the author's eyes and experiences as he reflects back to each event through his faith in Christ professional experiences and interactions with family and friends It takes a different approach to inspirational books The author avoids the traditional approach of writing and seeks to take the reader on a hilly

ride through issues in life that are often seen as useless Bradley uses all his life experiences and envisions them through his faith and the Word of God for outcomes which assist with conquering the past hurt and developing a vision of a future journey The information he shares places value on all things and seeks to point out that life's choices are future investments on success or failure He attempts to elicit the reader on an inner journey to living as if looking back from the end of life's road There are short inspirational quotes and writings to encourage the reader to follow a life with no regrets The short writings and stories hopefully will challenge readers to think and feel deeply His desire is for each reader to seek quality of life through love forgiveness family and worship He believes that faith in God and quality of life is winning in life with no regrets

Rethinking the Politics of Absurdity Matthew H. Bowker, 2013-11-12 What does it mean to describe something or someone as absurd Why did absurd philosophy and literature become so popular amidst the violent conflicts and terrors of the mid to late twentieth century Is it possible to understand absurdity not as a feature of events but as a psychological posture or stance If so what are the objectives dynamics and repercussions of the absurd stance And in what ways has the absurd stance continued to shape postmodern thought and contemporary culture In *Rethinking the Politics of Absurdity* Matthew H Bowker offers a surprising account of absurdity as a widespread endeavor to make parts of our experience meaningless In the last century he argues fears about subjects destructive desires have combined with fears about rationality in a way that has made the absurd stance seem attractive Drawing upon diverse sources from philosophy literature politics psychoanalysis theology and contemporary culture Bowker identifies the absurd effort to make aspects of our histories our selves and our public projects meaningless with postmodern revolts against reason and subjectivity Weaving together analyses of the work of Albert Camus Georges Bataille Judith Butler Emmanuel Levinas and others with interview data and popular narratives of apocalypse and survival Bowker shows that the absurd stance and the postmodern revolt invite a kind of bargain in which meaning is sacrificed in exchange for the survival of innocence Bowker asks us to consider that the very premise of this bargain is false that ethical subjects and healthy communities cannot be created in absurdity Instead we must make meaningful even the most shocking losses terrors and destructive powers with which we live Bowker's book will be of interest to scholars and practitioners in the fields of political science philosophy literature psychoanalysis sociology and cultural studies

The Philosophy of Henry Thoreau Lester H. Hunt, 2019-10-17 Henry Thoreau is widely considered to be one of the greatest nature writers among whose best known works are *Walden* and *Walking* In this book Lester Hunt shows that his writings have a compelling philosophical dimension as well Thoreau seldom argues for his ideas the way other philosophers do Rather than setting up proofs designed to trap the reader into agreeing with him he challenges the reader by means of narratives jokes questions and paradoxes to recognize possibilities previously unknown and unexplored Thoreau's own explorations led him to several distinctively philosophical theories an intuitionist metaethics an ethics based on virtue and self realization a politics that is fundamentally individualist and anarchist and a secular religion in which nature is pre

Zupancic,2020-05-05 The idea of Kantian ethics is both simple and revolutionary it proposes a moral law independent of any notion of a pre established Good or any human inclination such as love sympathy or fear In attempting to interpret such a revolutionary proposition in a more humane light and to turn Kant into our contemporary someone who can help us with our own ethical dilemmas many Kantian scholars have glossed over its apparent paradoxes and impossible claims This book is concerned with doing exactly the opposite Kant thank God is not our contemporary he stands against the grain of our times Lacan on the face of it appears the very antithesis of Kant the wild theorist of psychoanalysis compared to the sober Enlightenment thinker His concept of the Real however provides perhaps the most useful backdrop to this new interpretation of Kantian ethics Constantly juxtaposing her readings of the two philosophers Alenka Zupancic summons up an ethics of the Real and clears the ground for a radical restoration of the disruptive element in ethics **The Monthly Review** Ralph
