**Conversations with Jim Harrison, Revised and Updated** Robert DeMott, 2018-12-18 *Conversations with Jim Harrison* Revised and Updated offers a judicious selection of interviews spanning the writing career of Jim Harrison 1937-2016 from its beginnings in the 1960s to the last interview he gave weeks before his death in March 2016. Harrison labeled himself and lived as a quadra schizoid writer. He worked in fiction, poetry, nonfiction, and screenwriting, and he published more than forty books that attracted an international following. These interviews supply a lively narrative of his progress as a major contemporary American author. This collection showcases Harrison's pet peeves, his candor and humility, his sense of humor, and his patience. He does not shy from his authorial obsessions, especially his efforts to hone the novella for which he is considered a contemporary master, or the frequency with which he defied polite narrative conventions and created memorable, resolute female characters. Each conversation attests to the depth and range of Harrison's considerable intellectual and political preoccupations, his fierce social and ecological conscience, his aesthetic beliefs, and his stylistic orientations in poetry and prose. *Jim Harrison* Gregg Orr, Beef Torrey, 2009-06 Jim Harrison, a literary maverick, is widely considered one of the great and iconic writers in contemporary American literature. This pioneering volume, an extensive and up-to-date illustrated guide to Harrison's published works, is the first full-length catalog of a distinguished literary career spanning more than forty years. Longtime Harrison readers and collectors Gregg Orr and Beef Torrey have amassed a thorough list of the author's wide-ranging work, annotated and arranged by genre to provide a full view of the breadth of Harrison's accomplishment. This work contains more than sixteen hundred citations of writings by and about Harrison, including his fiction, poetry, essays, interviews, screenplays, criticism, and reviews; it also features photographs of his books, dust jackets, and broadsides. With a foreword by Harrison, penned especially for this seminal volume, and an introduction by writer and scholar Robert DeMott, this is the definitive bibliographical study of a major figure in late twentieth and early twenty-first century American letters. **Motion Picture Story Magazine**, 1929 **Bi-centennial history of Albany.
