How I found Livingstone ... With illustrations, maps and a memoir of Dr. Livingstone. New and cheaper edition Henry Morton Stanley, 1895 David Livingstone. The Story of His Life and Travels. With Illustrations [including a Portrait and a Map.]. David Livingstone (the African Explorer.),1888 Fieldwork of Empire, 1840-1900 Adrian S. Wisnicki, 2019-03-20 Fieldwork of Empire 1840 1900 Intercultural Dynamics in the Production of British Expeditionary Literature examines the impact of non western cultural political and social forces and agencies on the production of British expeditionary literature it is a project of recovery The book argues that such non western impact was considerable that it shaped the discursive and material dimensions of expeditionary literature and that the impact extends to diverse materials from the expeditionary archive at a scale and depth that critics have previously not acknowledged The focus of the study falls on Victorian expeditionary literature related to Africa a continent of accelerating British imperial interest in the nineteenth century but the study s findings have the potential to inform scholarship on European expeditionary imperial and colonial literature from a wide variety of periods and locations. The book s analysis is illustrative not comprehensive Each chapter targets intercultural encounters and expeditionary literature associated with a specific time period and African region or location The book suggests that future scholarship especially in areas such as expeditionary history geography cartography travel writing studies and book history needs to adopt much more of a localized non western focus if it is to offer a full account of the production of expeditionary discourse and literature David Livingstone. The Story of His Life and Travels. With ... Illustrations David Livingstone, 1880 The Illustrated London News ,1872-07

Africa in Nineteenth-Century British Travel Accounts Leila Koivunen,2008-11-19 This study examines and explains how British explorers visualized the African interior in the latter part of the nineteenth century providing the first sustained analysis of the process by which this visual material was transformed into the illustrations in popular travel books At that time central Africa was effectively a blank canvas for Europeans unknown and devoid of visual representations While previous works have concentrated on exploring the stereotyped nature of printed imagery of Africa this study examines the actual production process of images and the books in which they were published in order to demonstrate how why and by whom the images were manipulated Thus the main focus of the work is not on the aesthetic value of pictures but in the activities interaction and situations that gave birth to them in both Africa and Europe Christmas Collection: 400+Novels, Stories, Poems, Carols & Legends (Illustrated) Selma Lagerlöf, Charles Dickens, Mark Twain, Harriet Beecher Stowe, Martin Luther, William Shakespeare, Henry Wadsworth Longfellow, Max Brand, William Wordsworth, Carolyn Wells, Sophie May, Louisa May Alcott, Henry Van Dyke, William John Locke, Walter Scott, Anthony Trollope, Rudyard Kipling, Beatrix Potter, Emily Dickinson, Lucas Malet, Thomas Nelson Page, O.
