L. Dawn Adams

Liz Makes A Rainbow:

Liz Makes a Rainbow Tracey West, Joanna Cole, 1999 How can Keesha and Carlos paint all the colors of a rainbow when they've only got four cans of paint? Leave it to Liz, the class pet, to come up with a really colorful solution. [Liz Haces Un Arcoiris / Liz Makes a Rainbow](#) Tracey West, 2001-08-01 *The Publishers Weekly*, 1999 *Carole, a Lucky Little Rabbit* Carole Markarian, 2007-12-12 Carole Markarian was born in the Year of the Rabbit and astrology has always played a big part in her amazing and eventful life. The author describes a personal account of humble and problematical beginnings through heroin addiction and eventually on the road to falling in love with her soul mate. Working as a team, they started a business with nothing, grew successful, and currently stay busy with an assortment of memorable friends and clients. This wonderful real-life story about a gay woman full of life combines humor, tragedy, tears, joy, and of course, true love. **The Old Rocking Chair** L. Dawn Adams, 2002-12 The Barrett family had owned three of the largest plantations in Georgia before the Civil War. Near the end of the war, they had to flee their homes. They settled in Massachusetts, eventually owning vast textile mills. Liz, the daughter of Kathleen and Isaac Barrett, was born in Massachusetts in eighteen eighty. Her father died when she was very young, and her mother married his younger brother, Harley, when Liz was ten. She always knew of her mother's love for Georgia, and they visited the homeland to find only one dilapidated plantation house left standing. When she was sixteen, she lost her mother, who was buried in the old family cemetery in Jenz Bridge, Georgia. Liz was left with a stepfather who turned to alcohol, and after two years of indecision and grieving, she went to Georgia to begin restoration of the house. There, she married and had a son. It was a perfect marriage until a secret was uncovered that nearly destroyed her marriage and her life. Through an accident, her life was restored. Now Liz sits and happily looks upon her loved ones and remembers how close she came to losing all this forever. *Colors* Deanna Smith, 2000 **Charlene's Dream** Emerson Collier, 2012-06-07 Writing this book was a labor of love. Actually, that's not quite true. Writing for me has no labor. I love doing it. I hope that I have made Charlene Parker and the rest of my story characters as real for you as they are to me. I feel that I know them all intimately, and I treasure that. If reading this story gives you a fraction of the pleasure that it gives me, then it is a success. Charlene could never have imagined in a million years all the challenges, tragedies, and triumphs that she would face in her lifetime. None of us can. No one knows what's around the next corner or over the next horizon in life. All we can try to do is face life's challenges with the same courage, hope, and faith that Charlene did. Hopefully, like it did for Charlene, it will all turn out for the best. **Spectacular Things: Reese's Book Club** Beck Dorey-Stein, 2025-07-01 REESE'S BOOK CLUB PICK Two sisters examine what they owe each other and what they are willing to sacrifice to make their dreams come true, from a New York Times bestselling author whose writing has been called witty, heartfelt. New York Times lively and intelligent. People: What would you give up for the person you love most? What would you expect in return? Mia and Cricket have always been close. The gifted daughters of a young single mother, the Lowe girls are well known in the small Maine town they call

home Each sister has a role to fill The responsible and academically minded Mia assumes the position of caregiver far too young while Cricket a bouncing ball of energy and talent seems born for soccer stardom But the cost of achieving athletic greatness comes at a steep price As Mia and Cricket grow up they must grapple with the legacy of their mother s secret past while navigating their own precarious future Can Mia allow herself to fall in love at the risk of repeating a terrible history Will Cricket s relentless chase of a lifelong goal drive her sister away When does loyalty become self sabotage A sharply observed and tender portrait of sisters love and ambition *Spectacular Things* is a sweeping story about the impossible choices we re forced to make in pursuit of our dreams
