**The Journey Continues** Art Zahn,2013-11-14 This warm and exciting sequel picks up where The Journey left off at the 30th Anniversary Party at Henri s Rib and Steak House in Remseberg on Long Island New York The party not only unites old friends and family who hadn t seen each other in a long time it also awakens nostalgic curiosity of what transpired since the migration from Europe to America years ago So much so that the original group and some friends they met in America decides to take a month s vacation cruise across the ocean and

visit their birth places The many surprises that occur on the sea voyages and the time spent in Europe including several new romantic encounters adds to the excitement experienced by the travelers Upon returning to America several new challenges occur that calls for new ideas and courses of action The events that follow results in a sundry of unexpected surprises understood by a vivid imagination of what lies ahead and possibly what new secrets the soul may reveal End Times Joseph Mirra,2017-06-21 The sonnets presented in End Times explore the alienation of modern man from his creator as foretold to occur before the Lord s glorious return to earth With familiar subjects of everyday life these poems describe with vivid imagery the tragedy of a society in which both God and natural law are denied and the resultant conflict between the increasing temptation to view life as meaningless and God s relentless call to all mankind for transcendence to new life But also addressed in this latest poetry collection from Joseph Mirra is the personal rebellion in the hearts of the Lord s disciples a rebellion that each Christian is all too familiar with and contends with throughout his or her life The final word of course is God s love and mercy In End Times we see God s continuing activity for the redemption of his creation especially that portion that is made in his image and likeness *Poems* Lydia Howard Sigourney,1827 The Tuscan Poet Guiseppe Giusti and His Times Susan Horner,1864 **On the Way to a Coup D'Etat** Ron Means,2013-01-11 On the Way to a Coup d Etat is a dramatic story a searing scrutiny of our politics and government Though set in the near future it is an entirely credible development of the forces that are now in play President Millwright elevated to office by an unusual event is short balding he limps and has a high squeaky voice as did Abraham Lincoln But he possesses something more essential character He is opposed in every conceivable way some of which are horrific by nefarious politicians truth distorting think tanks and media and by many members of Congress too greedy or too fearful to align with their consciences and even by a bizarre cultural hero This opposition proves to be successful But how things turn is truly convincing as America while on the surface continues to lie to itself continues to decline Yet On the Way to a Coup d Etat is a surprisingly uplifting story due in part to the believable characters of both President Millwright and his wife Ann These folks are more human and more alive than many of our current politicians One of the underlying themes in this remarkably astute book is an in depth examination of what it means to lead a country especially a country in trouble Bob Scher author of Lightning The Nature of Leadership *Franz Liszt* James Hunecker,1911 **The Southern Magazine** ,1875 Judi McMahon,2011-12 I compare this book to Mary McCarthy s The Group and feel it has every chance to be a mini series or as a big screen blockbuster It s also perhaps the finest description of addiction and its effects on lovers family and friends in contemporary American fiction use that quote in any manner you wish John Frederick Documentary Producer California This book is incredible I read it twice First very fast The second time I couldn t believe that you can be so uplifting almost like Dr Wayne Dyer not only great with your quotes but your fiction is alive all the time It reminded me of my own life story my first marriage and surviving with two smart handsome boys in a tough city like New York Eva Pollack Physical Therapist New York I wanted to tell you that I read the first five

chapters of your book and I couldn't stop reading though I am in the midst of moving Though I spent many years in NYC City it was at a later period I am European Yet I loved the very human qualities of this dysfunctional family the Brooklyn touches and certainly the Yiddish terms I used to hear those from all my Jewish friends It is all sooo New York I'm looking forward to reading the rest Annouk Van de Voorde Belgian writer who grew up in Africa and now lives in Arizona **Richard**
