London Phil Baker, 2021-05-26 City of cities the modern world's first great metropolis London has shaped everything from clothing to youth culture It has a unique place in the world's memory even as its role has changed from the capital of the planet to its playground and as its lived history has mutated into the heritage industry In this book Londoner Phil Baker explores the city's history and the London of today balancing well known major events with more curious and eccentric details He reveals a city of almost unmatched historical density and richness For Baker London turns out to be Gothic in all senses of the word and enjoyably haunted by its own often bloody past And despite extensive redevelopment as he shows in this engaging and insightful book some of the magic remains *The Traditional Shops and Restaurants of London* Eugenia Bell, 2007 Profiles of more than fifty establishments that have supplied goods and services to royalty and the merely discriminating for more than one hundred years A gentleman Winston Churchill once observed buys his hats at Locks his shoes at Lobbs his shirts at Harvie and Hudson his suits at Huntsman and his cheese at Paxton and Whitfield Luckily for the gentlemen and gentlewomen among us all of these shops and dozens more are still in business providing the traditional British goods and food that they've been supplying Londoners for a century or more More than thirty venerable stores along with another twenty or so eateries are profiled in *The Historic Shops and Restaurants of London* The most beautiful shop in the world is how *Esquire* magazine describes John Lobb Bootmaker's opulent premises in Mayfair Less grand but no less quaint is Paxton and Whitfield now on Jermyn Street which dates to 1742 when cheese monger Stephen Cullum sets up his stall in Clare Market Now the shop sells the most prized artisanal cheeses in Great Britain Have a drink at the long narrow little Grapes Pub Built in 1720 on the site of a previous pub the Grapes was a working class tavern that Charles Dickens knew well As a child he was made to stand on a table and sing to the customers As an adult he immortalized it as the Six Jolly Fellowship Porters pub in *Our Mutual Friend* These are only a few of the many of the establishments described that are holders of the Royal Warrant dating back to the 15th century and still granted today to recognize excellence and quality Bespoke shirt makers hatters haberdashers perfumers bookstores chemists an umbrella maker and chocolatiers are only a few of the small specialist shops included most of which are located in the most quaint and beautiful settings in London Also included are traditional restaurants and bars ranging from picturesque pubs and cafes to fish n chips stands and eel and pie shops London Caffe Edwin Heathcote, 2004-11-12 London's cafes occur like shots of urban déjà vu surviving in the city's most unexpected corners A fading Formica and tile covered world of cheap basic food thumbled tabloids frothy coffee machines and a rooted genuinely local culture It is a world holding out against the corporate uniformity engulfing the city's streets and a realm which blends modernist aesthetics with a typically British utility functionalism The gleaming chrome of the spluttering coffee machines are London's equivalents of the steaming vents which punctuate New York's streets like geysers spewing up essence of coffee from beneath the labyrinthine city essential outlets from the pressure of the city They

are sets for an eccentric mix of buzz bonhomie and the forlorn existential angst of the half empty urban interior and an unmissable part of London cityscape

I Must Confess Rupert Smith,2007-09-03 A stinging satire of tell all showbiz memoirs starring a self deluded gay icon who has managed to ride every pop culture trend of the last forty years Marc LeJeune has had a remarkable career in the entertainment business Despite the carping of critics cruel twists of fate and the treachery of former friends who were blind to his exceptional dramatic and musical talents he has remained true to his unique artistic vision From his early days as the face of Swinging London to the late 1960s avant garde theater scene through the sexually liberated cinema of the 1970s to his current status as a much loved household name and TV favorite he tells all in this his own astonishing story Through this fabulous parody of the showbiz confession Rupert Smith has created a witty and scathing satire of popular culture and entertainment over the last forty years Marc LeJeune is a brilliant comic creation inspired by Smith s many years of interviewing celebrities for Time Out and writing about showbiz in The Guardian U K

London Iain Sinclair,2007-10-25 A book full of richness unexpected enticements short sharp shocks and breathtaking writing Guardian Welcome to the real unauthorised London the disappeared the unapproved the unvoiced the mythical and the all but forgotten The perfect companion to the city Exhilarating truly wonderful a cavalcade of eloquent writing London demands an anthology like this to remind us of the irascible quirkiness of its residents and we have Sinclair to thank for marshalling such a perverse and ultimately pleasurable exercise Independent on Sunday

Strayed Homes Edwina Attlee,2021-12-16 Poetic and political Strayed Homes invites architects interior designers and urbanists to think again about common concepts in architecture private public and home Whereas most writing about the public private focusses on urban space this book focusses on the domestic exploring those overlooked everyday places where private and intimate activities take place in public With four chapters set in four small liminal spaces the launderette the greasy spoon the fire escape and the sleeper train the book is part architectural history part cultural history It follows a series of allusions and impressions to explore how films adverts

books and anecdotes shape experiences of everyday architecture Making a case for the poetic interpretation of space the book can be used as a sourcebook for architects designers and theorists alike prompting the reader to rethink the emotional state of leaving home intimacy in public and lonely dreaming *City, Street and Citizen* Suzanne Hall,2012-06-25 How can we learn from a multicultural society if we don't know how to recognise it The contemporary city is more than ever a space for the intense convergence of diverse individuals who shift in and out of its urban terrains The city street is perhaps the most prosaic of the city's public parts allowing us a view of the very ordinary practices of life and livelihoods By attending to the expressions of conviviality and contestation *City Street and Citizen* offers an alternative notion of multiculturalism away from the ideological frame of nation and away from the moral imperative of community This book offers to the reader an account of the lived realities of allegiance participation and belonging from the base of a multi ethnic street in south London *City Street and Citizen* focuses on the question of whether local life is significant for how individuals develop skills to live with urban change and cultural and ethnic diversity To animate this question Hall has turned to a city street and its dimensions of regularity and propinquity to explore interactions in the small shop spaces along the Walworth Road The city street constitutes exchange and as such it provides us with a useful space to consider the broader social and political significance of contact in the day to day life of multicultural cities Grounded in an ethnographic approach this book will be of interest to academics and students in the fields of sociology global urbanisation migration and ethnicity as well as being relevant to politicians policy makers urban designers and architects involved in cultural diversity public space and street based economies *Bryant & May: Peculiar London* Christopher Fowler,2022-12-06 Thinking of a jaunt to England Let Arthur Bryant and John May London's oldest police detectives show you the oddities behind the city's faades in this tongue in cheek travel guide The best fun is running all over the city with these amiable partners The New York Times Book Review on Bryant May The Lonely Hour It's getting late I want to share my knowledge of London with you if I can remember any of it So says Arthur Bryant He and John May are the nation's oldest serving detectives Who better to reveal its secrets Why does this rainy cold gray city capture so many imaginations Could its very unreliability hold the key to its longevity The detectives are joined by their boss Raymond Land and some of their most disreputable friends each an argumentative and unreliable expert in their own dodgy field Each character gives us a short tour of odd buildings odder characters lost venues forgotten disasters confusing routes dubious gossip illicit pleasures and hidden pubs They make all sorts of connections and show us why it's almost impossible to separate fact from fiction in London **Vivienne Westwood** Fred Vermorel,1997-10-01 Vivienne Westwood was the Queen of Punk Rock and her fashions have scandalized and fascinated the world since the Sixties Parading models bare breasted down the catwalks of Paris posing pantiless outside Buckingham Palace she has an insatiable appetite for anarchic outrageousness She has never lost her power to shock and her continued innovations make her one of the most talked about fashion designers in the world But little is known about this essentially private woman What is she like

What is the secret of her success Gleaned from more than thirty years of interviews with Westwood herself Vivienne Westwood describes for the first time in detail Westwood s childhood and early years it also exposes the inside story of her stormy and bizarre relationship with musician and fashionista Malcolm McLaren The author looks at the origins of Westwood s witty and erotic sensibility placing it in the context of the sixties and throwing light on the dynamics of punk and on Westwood s later ability to tap into the inner logic of fashion a Romantic perversity which is at the heart of mass consumption itself As a dirty history of the Sixties shared by Westwood McLaren and the author and as a story of the triumph of a mad bad outrageous girl Vivienne Westwood succeeds brilliantly *The Rough Guide to Britain* ,2012-06-07 The new full colour Rough Guide to Britain is the definitive guide to Rough Guides home patch Discover the best of what Britain has to offer with detailed accounts of the country s world class attractions from the British Museum to Edinburgh Castle aided by crystal clear maps and plans Get insider tips on Britain s vital restless cities from Bristol to Glasgow and enjoy the bucolic attractions of its countryside hiking along its walkers trails or relaxing on its sometimes spectacular beaches We also steer you towards all the best places to stay from boutique hotels to cool campsites and to eat and drink from Michelin starred restaurants and gourmet gastropubs to budget caf s and traditional pubs giving you clear balanced reviews for all budgets You ll find lavish photography and colour maps throughout the guide too helping you to make the most of your trip with The Rough Guide to Britain

Family Britain, 1951-1957 David Kynaston,2010-12-01 As in his highly acclaimed *Austerity Britain* David Kynaston invokes an astonishing array of vivid intimate and unselfconscious voices to drive his narrative of 1950s Britain The keen eyed Nella Last shops assiduously at Barrow Market as austerity and rationing gradually give way to relative abundance housewife Judy Haines relishing the detail of suburban life brings up her children in Chingford the self absorbed civil servant Henry St John perfects the art of grumbling These and many other voices give a rich unsentimental picture of everyday life in the 1950s Well known figures are encountered on the way such as Doris Lessing joining and later leaving the Communist Party John Arlott sticking up on *Any Questions* for the rights of homosexuals and Tiger s Roy of the Rovers making his goal scoring debut for Melchester All this is part of a colourful unfolding tapestry in which the great national events the Tories returning to power the death of George VI the Coronation of Queen Elizabeth the Suez Crisis jostle alongside everything that gave Britain in the 1950s its distinctive flavour Butlin s holiday camps Kenwood food mixers Hancock s Half Hour Ekco television sets Davy Crockett skiffle and teddy boys Deeply researched David Kynaston s *Family Britain* offers an unrivalled take on a largely cohesive ordered still very hierarchical society gratefully starting to move away from the painful hardships of the 1940s towards domestic ease and affluence
