Lone Rangers Triumph:

The Lone Ranger's Triumph United American Video, 1991 The Lone Ranger on Radio, Film and Television Ed Andreychuk, 2018-01-30 The Lone Ranger has endured as an iconic figure in American popular culture from his 1933 premier as a radio serial hero through a highly rated television series 1949 1957 to a 2013 feature film Created by script writer Fran Striker and radio station owner George W Trendle the character was meant to embody courage fair play and honesty and writers had to adhere to specific guidelines he never smokes he uses precise speech he never shoots to kill The popularity of the Ranger and his companion Tonto inspired later crime fighting duos like Batman and Robin and The Green Hornet and Kato This book examines the franchise in detail with summaries and production details of the original radio episodes

Serials and Series Buck Rainey, 2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis **Outlaw Heroes as Liminal Figures of Film and Television** Rebecca A.

Umland, 2016-04-20 Unlike such romanticized renegades as Robin Hood and Jesse James there is another kind of outlaw hero one who lives between the law and his own personal code In times of crisis when the law proves inadequate the liminal outlaw negotiates between the social imperatives of the community and his innate sense of right and wrong While society requires his services he necessarily remains apart from it in self preservation The modern outlaw hero of film and television is rooted in the knight errant whose violent exploits are tempered by his solitude and devotion to a higher ideal In Hollywood classics such as Casablanca 1942 and Shane 1953 and in early series like The Lone Ranger 1949 1957 and Have Gun Will Travel 1957 1963 the outlaw hero reconciles for audiences the conflicting impulses of individual freedom versus serving a larger cause Urban westerns like the Dirty Harry and Death Wish franchises as well as iconic action figures like Rambo and Batman testify to his enduring popularity This book examines the liminal hero's origins in medieval romance his survival in the mythology of the Hollywood western and his incarnations in the urban western and modern action film The Strong, Silent Type Buck Rainey, 2024-10-18 Many of the stars of silent westerns were young horse wranglers who left the open fields to make extra money bulldogging steers and chasing Indians around arenas in traveling Wild West shows They made their way to Hollywood when the popularity of the Wild West shows began to decline found work acting in action packed silent westerns and became idols for early moviegoers everywhere More than 100 of those cowboys who starred in silent westerns between 1903 and 1930 are highlighted in this work Among those included are Art Acord Broncho Billy Anderson Harry Carey Fred Cody Bob Custer Jack Daugherty William Desmond William Duncan Dustin Farnum William Farnum Hoot Gibson
