Single to God Douglas L. Fagerstrom, 1994 Each emotion and experience shared in these prayers is accompanied by a selected Scripture and a thought distilling quote from a great Christian writer or thinker making this an ideal choice for daily devotions Male and female singles alike will find comfort and spiritual power in the prayers of other singles who understand their unique struggles and joys Community as Church, Church as Community Michael Plekon, 2021-07-22 Parishes of all denominations are in decline shrinking closing dying We know that there are increasing numbers young and older who are religious nones and dones This book explores why the decline is taking place why the distancing is going on But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting The central theme of death and resurrection shapes the analysis of parishes covered Parishes are resurrecting by reinventing their ministries by repurposing their building to better serve their neighborhoods thus replanting and reconnecting with them All of this is the Spirit's doing but through the community of sisters and brothers who make up each congregation of faith Community as the core of church is the other reality shaping the book's reflection And community a parish being with those around living for more than its own survival are visions for going forward Other aspects of congregational life are also examined most importantly the pastors how they serve when budgets shrink how they are trained how pastors act with the community not above it No recipes are suggested for parish resurrection but the stories of the parishes that have revived bear within numerous lessons for us in the future *Rising from the Ashes into Church Renewal* Desmond Barrett, 2025-03-14 The church did not start off wanting to decline No church planter ever thinks the church they pour their heart and soul into will close So what happened It was a question Desmond Barrett asked walking into his new assignment There is a stigma that an aging congregation is a dying congregation If a pastor is asked to go to an aging church and buildings with a host of deferred maintenance many will run in the other direction Who would blame them However there are pastors who feel the call to serve the comeback church and who see hope in decline Countless pastors before and since have asked Is God done with the local church that has seen better days If not are you being called to a church that is seen as hopeless but God sees as hope filled To pastors or laypersons in the church the legacy church needs you It needs your wisdom and support **Building an Outreach Ministry to Your Community** Tyrone Barnette, 2023-09-05 The Church Is the Only Hope for Renewing and Redeeming Your Community Your church is meant to be a conduit of hope and healing redemption and renewal for your neighborhood Is your church equipped and ready for this important work In Building an Outreach Ministry to Your Community Pastor Tyrone Barnette uses the miracle of the feeding of the five thousand to explore

how Jesus himself ministered to people Then Barnette shows how he applied those principles to outreach ministry in his own church Filled with interviews with other ministry leaders who are tackling the challenges of reaching their communities this book is packed with practical advice on how to establish ministry outreach initiatives in your church identify needs in your community encourage a whatever it takes mindset equip young people to serve serve with limited resources and much more This book is your blueprint to grow your church by helping your members turn outward God intends for the church to be his open hand extended to the people in your community
