Everything Is Mist:

Three Authors of Alienation M. Ian Adams, 2014-12-15 As a philosophical and social concept alienation covers a broad range of mental states both normal and abnormal Correspondingly a wide range of literary forms has been employed to deal with this important theme In *Three Authors of Alienation* an exploration of the literary expression of alienation M Ian Adams discusses the works of three contemporary Latin American authors The fiction of Mar a Luisa Bombal Juan Carlos Onetti and Alejo Carpentier reflects alienation disgust with life and a feeling of nothingness arising from the conditions of modern society However each author treats the theme differently In *La ltima niebla* Mar a Luisa Bombal uses poetic imagery to create the emotional life of the protagonist Juan Carlos Onetti portrays the schizoid extreme of alienation with a complex of symbols based on changes of vision caused by the mental states of his characters In *Los pasos perdidos* Alejo Carpentier presents the problem of the modern alienated artist who attempts to rid himself of his social alienation by changing times and cultures In his close analysis of the works discussed Adams considers each literary element in its context and also in terms of its relation to the larger artistic vision of the author In addition he places the works of the three authors in the greater perspective of modern social problems by discussing the concepts of social alienation proposed by Erich Fromm and Erich Kahler His conclusion is that although disgust with life and feelings of meaninglessness are at the heart of the experiences of the characters of all three authors only in Alejo Carpentier s *Los pasos perdidos* are social conditions the major cause of alienation In the works of Bombal and Onetti alienation is a result not of social conditions but of factors unique to the characters personalities and circumstances *Three Authors of Alienation* is a solid contribution to criticism of contemporary Latin American narrative Adams s projection of a social problem into the realm of aesthetic experience yields intriguing interpretations of both the problem and the literature

The Impersonal Life Joseph Benner, 2018-04 To you who through long years and much running to and fro have been eagerly seeking in books and teachings in philosophy and religion for you know not what Truth Happiness Freedom God To you whose Soul is weary and discouraged and almost destitute of hope To you who many times have obtained a glimpse of that Truth only to find when you followed and tried to reach it that it disappeared in the beyond and was but the mirage of the desert To you who thought you had found it in some great teacher who was perhaps the acknowledged head of some Society Fraternity or Religion and who appeared to you to be a Master so marvelous was the wisdom he taught and the works he performed only to awaken later to the realization that that Master was but a human personality with faults and weaknesses and secret sins the same as you even though that personality may have been a channel through which were voiced many beautiful teachings which seemed to you the highest Truth And here you are Soul aweary and enhungered and not knowing where to turn To you I AM come Likewise to you who have begun to feel the presence of that Truth within your Soul and seek the confirmation of that which of late has been vaguely struggling for living expression within Yes to all you who hunger for the true Bread of Life I AM come Are you ready to partake ,
