Evil Always Ends:

Evil Always Ends Joseph Payne Brennan, 1982 *Journey To The End Times* Dr. Marius Nel, 2014-06-30 Journey to the end times takes you from the beginning of the story through to the end times The adventure starts in heaven runs through the course of the history of the world to the current formation of the new world order and the driving force behind all of the events over time We also cover the powers behind this journey of the world This book is not your typical end of world writing following the books of Daniel and Revelation rather it is a book that covers the path and essence of the journey to the end of the world The real players the real goal and why it is going to happen the way it is going to happen Lucifer rose up against God We can track his path and influence throughout history and see the culmination of this goal in today's world We consider the new world order not in the light of current literature but in the power behind these We always hear it is the world bankers the Illuminati the Free Masons but who controls them and why *The End of Strife* Leland Johnson, 2014-11-10 The purpose of this book is to explain both the causes for the social and cultural breakdowns in today's world as well as the solutions to our societal regression The causes come from multiple fronts and did not develop in a matter of days weeks months years decades or even generations The degenerative process that has led humanity to the suicidal path it is currently embarked upon has taken several centuries of progressive corruption to reach this point However there is a way to reverse course and heal our society again returning it to its former strength and health The way in which a true peace can be realized in this world will be explained It must be admitted that what it takes to achieve a more universal peace is difficult and burdensome on people for many and various reasons However when the reader looks at the state of the world today it is hopeful that they will choose the difficult and burdensome road required in order to maintain a peaceful civilization rather than the bloody chaos and anarchy transpiring in today's world **Fraser's Magazine**, 1880 End of All Things - God's Shocking New Revelations May Fred May, Frederick May, 2009-11 What you DON'T know can kill you End of All Things the most powerful Book of our time is a modern day true story of God speaking verbally to two people His reason To announce His shocking new revelations exposing the world's big secrets lies and mysteries for the first time in history Revealing The cause and cure for Cancer Solid irrefutable new proof of how the Catholic Church has diabolically tricked all its members into worshipping Satan and cursing God and themselves What happens during and after death Financial success Faith healing Demons and personal exorcism Breaking the Bermuda Triangle mystery The Anti Christ How science is killing us UFOs and where they come from When the end of the world began When the Rapture began Other human life forms Precisely why killers kill An electric car never needing a plug in never needing gasoline And much more Forget about personal opinions and theories This is the truth of God's second Book This most powerful Book of our time was written by Fred May a retired Los Angeles television producer director announcer Formerly a successful radio disc jockey he was also a prominent hard hitting news commentator on the number one radio station in Los Angeles Fred worked with and interviewed

Dying to Religion and Empire Jeremy Myers,2014-12-15 Can Christianity exist without religious rites or legal rights Are baptism and communion required for the church to exist What about the freedom of religion and the right to assemble Building on what he has written in other volumes of the Close Your Church for Good series Jeremy Myers argues that our traditions of baptism and the Lord s Supper and our dependence on the legal rights from the government have actually hindered the growth and development of the church Dying to Religion and Empire is a call to leave behind the comfortable religion we know and follow Jesus into the uncertain and wild ways of radical discipleship To rise and live in the reality of God s Kingdom we must first die to religion and empire This revised and updated book now includes discussion questions
