Lodestar Project:

Air Force Proposal to Grant Funds to University of New Mexico (UNM) for Construction of the Enchanted Skies Park and Observatory on Horace Mesa Near Grants, Cibola County, 1998 Resources in Education, 1990 **Junk** Michael Goodwin, 2003-06-03 Martin Stallworth is a black man trying to make it on Wall Street As a junk bond salesman with the investment bank Whorman Skeller Co he has a chance to prove his worth when the firm plans to launch a major high yield bond deal for a satellite communications company called Lodestar Because Lodestar has important connections to the US Department of Defense Martin and the other junk bond salespersons know their jobs are on the line if they don't sell the deal Their desperation to do so leads to an act of espionage and murder Martin somehow finds himself as the accused perpetrator of both Both the cops and a gang of Chinese thugs under the command of a rogue hedge fund trader are hot on his trail Junk combines a satirical send up of a typical investment bank with elements of a fast paced thriller While the narrative action is riveting Goodwin's characterizations and descriptive writing attain the level of serious literary fiction *Raised by the Stars* Nick Thomas, 2011-10-14 This collection of interviews all conducted by the author focuses on the children of Hollywood legends Each child and in one case grandchild talks about the joys and difficulties of growing up in the shadow of the Hollywood spotlight While some were significantly influenced by their famous parents and chose a career in entertainment others felt no attraction toward the glamour of Tinseltown fame Among the interviewees are the offspring of such major stars as Errol Flynn Gary Cooper Ingrid Bergman Jimmy Stewart and Rosalind Russell as well as such prominent supporting players as Jack Elam Gene Lockhart Billy Barty and Jesse White The collection also includes a list of books and or websites published by the children of the actors featured *StarGuides Plus* Andre Heck, 2013-11-11 StarGuides Plus represents the most comprehensive and accurately validated collection of practical data on organizations involved in astronomy related space sciences and other related fields This invaluable reference source and its companion volume StarBriefs Plus should be on the reference shelf of every library organization or individual with any interest in these areas The coverage includes relevant universities scientific committees institutions associations societies agencies companies bibliographic services data centers museums dealers distributors funding organizations journals manufacturers meteorological services national norms standard institutes parent associations societies publishers software producers distributors and so on Besides astronomy and associated space sciences related fields such as aeronautics aeronomy astronautics atmospheric sciences chemistry communications computer sciences data processing education electronics engineering energetics environment geodesy geophysics information handling management mathematics meteorology optics physics remote sensing and so on are also covered where appropriate After some thirty years in continuous compilation verification and updating StarGuides Plus currently gathers together some 6 000 entries from 100 countries The information is presented in a clear uncluttered manner for direct and easy use *The Family Jewels* John Prados, 2014-09-01 In December 1974 a front page story in the New York

Times revealed the explosive details of illegal domestic spying by the Central Intelligence Agency This included political surveillance eavesdropping detention and interrogation The revelation of illegal activities over many years shocked the American public and led to investigations of the CIA by a presidential commission and committees in both houses of Congress which found evidence of more abuse even CIA plans for assassinations Investigators and the public soon discovered that the CIA abuses were described in a top secret document agency insiders dubbed the Family Jewels That document became ground zero for a political firestorm that lasted more than a year The Family Jewels debacle ultimately brought about greater congressional oversight of the CIA but excesses such as those uncovered in the 1970s continue to come to light The Family Jewels probes the deepest secrets of the CIA and its attempts to avoid scrutiny John Prados recounts the secret operations that constituted Jewels and investigators pursuit of the truth plus the strenuous efforts by the agency the executive branch and even presidents to evade accountability Prados reveals how Vice President Richard Cheney played a leading role in intelligence abuses and demonstrates that every type of Jewel has been replicated since especially during the post 9 11 war on terror The Family Jewels masterfully illuminates why these abuses are endemic to spying shows that proper relationships are vital to control of intelligence and advocates a system for handling Family Jewels crises in a democratic society With a new epilogue that discusses former CIA employee Edward Snowden s revelation of massive covert surveillance by the NSA this powerful accounting of intelligence abuses committed by the CIA from the Cold War through the war on terror reveals why such abuses and attempts to conceal them are endemic to spying and proposes how a democratic nation can rein in its spymasters

Saving the Blue Marble W. P. Tyler, 2022-02-24 Dr Patricia Tyler had survived through so many missions during her husband s service career She thought his retirement would mean he would be around more often This was not the case As a former member of the nation s medical response team CAPT Wade Tyler had deployed numerous times to dangerous desolate areas of the world to address the suffering following natural and manmade disasters even terrorist events Upon learning where he had been Patricia was beginning to believe he might be invincible But now she had to face up to his death A death that was not only horrific but mysterious in nature Finding out about a legacy her husband had left for the family was also puzzling A mystery that was beyond imagination and filled with potential danger for the family and as she would later learn danger for the planet A new home a new direction a new life She prayed that the life she and Wade built the foundation they laid out for the family would provide her the strength to make the right decisions

Sweetwater and the Witch Jayne Castle, 2023-07-25 Welcome to the world of Harmony where despite its name things are anything but danger lurks just beneath the surface in this new novel by New York Times bestselling author Jayne Castle If there s something Ravenna Chastain knows it s when to end things And after she almost winds up the victim of a cult that believes she s a witch it s easy to walk away from her dead end career ready for a new start But where to find a job that would allow her to use her very specialized skill set The answer is clear she becomes a matchmaker But even a successful matchmaker can t find

someone for everyone and Ravenna considers Ethan Sweetwater her first professional failure After nine failed dates Ravenna knows it s time to cut Ethan loose But Ethan refuses to be fired as a client he needs one final date to a business function Since Ravenna needs a date herself to a family event they agree to a deal she will be his business date if he will be her fake date to her grandparents anniversary celebration What Ethan fails to mention is that attending the business function is a cover for some industrial espionage that he s doing as a favor to the new Illusion Town Guild boss Ravenna is happy to help but their relationship gets even more complicated when things heat up the chemistry between them is explosive as explosive as the danger that s stalking Ravenna Lucky for her Ethan isn t just an engineer he s also a Sweetwater and Sweetwaters are known for hunting down monsters *New Mexico Magazine* ,1999 **Reflection** W. Scott Causey,2015-10-09 By the year 2126 CEO Carlton Ferguson and his immensely powerful corporation have already introduced the world to Reflection Technology a means to view any event that has happened in a previous forty eight hour window Effectively ridding the world of crime the technology is far too valuable for society to abandon but too dangerous for one person to control Still Carlton is determined that he and he alone should hold the key to this Pandoras box and finds himself in a battle to keep what is his Further he is secretly deep within the process of enhancing the technology to go far beyond a mere two day limit and does not intend to stop until he can witness the very beginning of time itself Governments covet the technology while world faiths fear it will unmask the very gods to whom they pray Though their goals may be mutually exclusive religious and political opponents conspire to force Carlton into revealing his secrets With few available options Carlton agrees to a tenuous partnership with the United States government but quickly learns that his innate reluctance to freely offer his trust is justified *Current Research and Development in Scientific Documentation* National Science Foundation (U.S.).
