underworld of smugglers and traffickers The agents who recruit and deploy migrant workers are at the heart of the evolving migration infrastructure i e the network of business and personal ties that is creating a global labour market This book highlights best practices in the activities and regulation of these merchants of labour as well as innovative strategies to protect migrant workers underlining the contribution of ILO standards It covers a broad range of national and regional experiences and puts merchants of labour in the wider context of changing employment relationships in globalizing labour markets The papers it contains are an important contribution to understanding a major mechanism facilitating the growth of the migrant labour force *Strengthening Support for Labor Migration in Tajikistan* Asian Development Bank,2020-12-01

Migration for work is an important livelihood option for many households in Tajikistan due to limited job opportunities Remittances from migrant workers significantly supplement the country s foreign currency reserves but the economic crisis and worldwide shutdown induced by the coronavirus disease COVID 19 have caused international migration flows to fall and remittances are projected to decline significantly This publication reviews the state of international migration out of Tajikistan and identifies the impact of COVID 19 on the movement of people and migrant workers in particular It also reviews international best practices and proposes appropriate predeparture programs post return services for Tajik migrants and ways to address migrate worker issues related to the pandemic *Routledge Handbook of Family Law and Policy* John Eekelaar,Rob George,2020-07-26

Changes in family structures demographics social attitudes and economic policies over the last 60 years have had a large impact on family lives and correspondingly on family law The Second Edition of this Handbook draws upon recent developments to provide a comprehensive and up to date global perspective on the policy challenges facing family law and policy round the world The chapters apply legal sociological demographic and social work research to explore the most significant issues that have been commanding the attention of family law policymakers in recent years Featuring contributions from renowned global experts the book draws on multiple jurisdictions and offers comparative analysis across a range of countries The book addresses a range of issues including the role of the state in supporting families and protecting the vulnerable children s rights and parental authority sexual orientation same sex unions and gender in family law and the status of marriage and other forms of adult relationships It also focuses on divorce and separation and their consequences the relationship between civil law and the law of minority groups refugees and migrants and the movement of family members between jurisdictions along with assisted conception surrogacy and adoption This advanced level reference work will be essential reading for students researchers and scholars of family law and social policy as well as policymakers in the field **South-south Migration and Remittances** Dilip Ratha,William Shaw,2007

South South Migration and Remittances reports on preliminary results from an ongoing effort to improve data on bilateral migration stocks It sets out some working hypotheses on the determinants and socioeconomic implications of South South migration Contrary to popular perception that migration is mostly a South North phenomenon South South migration is large Available

data from national censuses suggest that nearly half of the migrants from developing countries reside in other developing countries Almost 80 percent of South South migration takes place between countries with contiguous borders Estimates of South South remittances range from 9 to 30 percent of developing countries remittance receipts in 2005 Although the impact of South South migration on the income of migrants and natives is smaller than for South North migration small increases in income can have substantial welfare implications for the poor The costs of South South remittances are even higher than those of North South remittances These findings suggest that policymakers should pay attention to the complex challenges that developing countries face not only as countries of origin but also as countries of destination **Multinational Maids**

Anju Mary Paul, 2017-09-28 *Multinational Maids* offers an in depth investigation into the international migrations of Filipino and Indonesian migrant domestic workers The author taps on her rigorous study of more than 1 200 subjects migration trajectories to reveal how these migrants work in a series of overseas countries to improve their lives and in some cases seek permanent residence in another country Challenging the portrayal of Asian migrant domestic workers as victims of globalization *Multinational Maids* reveals migrants agency and strategic thinking under conditions of constraint At the market level the establishment of guestworker programmes for migrant domestic workers in multiple countries has created a global labor market A transnational diaspora shapes migrants evolving destination imaginaries while manpower recruitment and placement agencies create transnational mobility structures In addition differing destination hierarchies and degrees of access to resources lead to the adoption of divergent stepwise trajectories Written in an accessible manner *Multinational Maids* appeals to migration scholars policymakers activists and students *Indovation* T. Birtchnell, 2013-04-23

How should we understand the many reports that poverty is the mother of innovation in India What has the role of austerity been in the development of India s knowledge economy In this critical study of Indian innovation or *Indovation* Thomas Birtchnell explores how the complex mobilities of globals with stakes in India have transformed discourses and imaginaries about innovation in the region He adopts a critical eye to the notion of *Indovation* by focusing on the various circuits of globals where India s knowledge economy is concentrated expertise entrepreneurship and community Birtchnell traces the various discourses and counter discourses around an Indian way of working and illustrates how differences in the international dimensions of austerity allow India s knowledge economy to prosper *World Migration 2008* International Organization for Migration, 2008

World Migration 2008 focuses on the labour mobility of people in today s evolving global economy It provides policy findings and practical options with a view to making labour migration more effective and equitable and to maximizing the benefits of labour migration for all stakeholders concerned The report also analyses migration flows stocks and trends and surveys current migration developments in the major regions of the world Emigration Nations M. Collyer, 2013-10-16

Some states have a long history of reaching out to citizens living in other countries but since 2000 it has become much more common for states to encourage loyalty from current or former citizens living abroad Using detailed case studies this book

sets out to explain this significant development with an innovative new theoretical framework

Currencies of Imagination Ivan V. Small, 2019-01-15 In Vietnam international remittances from the Vietnamese diaspora are quantitatively significant and contribute important economic inputs Yet beyond capital transfer these diasporic remittance economies offer insight into an unfolding transformation of Vietnamese society through the extension of imaginations and ontological possibilities that accompany them *Currencies of Imagination* examines the complex role of remittances as money and as gifts that flow across and mediate between transnational kinship networks dispersed by exile and migration Long distance international gift exchanges and channels in a neoliberal political economy juxtapose the increasing cross border mobility of remittance financial flows against the relative confines of state bounded bodies In this contradiction Ivan V Small reveals a creative space for emergent imaginaries that disrupt local structures and scales of desire labor and expectation Furthermore the particular characteristics of remittance channels and mediums in a global economy including transnational mobility and exchangeable value affect and reflect the relations aspirations and orientations of the exchange participants Small traces a genealogy of how this phenomenon has shifted through changing remittance forms and transfer infrastructures from material and black market to formal bank and money services Transformations in the affective and institutional relations among givers receivers and remittance facilitators accompany each of these shifts illustrating that the socio cultural work of remittances extends far beyond the formal economic realm they are usually consigned to

Cruise Sector Growth Alexis Papathanassis, 2009-10-21 Despite representing a fairly small fraction of global tourism activity the cruise sector has been experiencing a steady growth rate over the last years The 1st International Cruise Conference ICC and its proceedings documented here face the changes which accompany this process of growth The corresponding refereed papers are organized under the following themes New trends and innovations human resource management information technology and standardization The underlying motivation behind this collection of works is to bridge the gap between cruise theory and practice by providing a living research agenda aligned with the cruise sector's realities and needs

Report of the Director General on the Work of the Organization for the Year ... International Organization for Migration. Council, 2003

Adjusting to a World in Motion Douglas J. Besharov, Mark Hugo López, 2016 International migration has reached new heights since the 1960s Altogether some 215 million people live in countries other than their countries of birth and according to surveys another 700 million say they would leave their homes and move to another country if they could Nations both sending and receiving have responded to this growing international migrant flow with new laws and domestic programs In receiving countries they include laws and programs to control entry encourage high skilled immigration develop refugee policy and speed assimilation In sending countries governments are implementing and experimenting with new policies that link migrant diasporas back to their home countries culturally or economically or both This volume contains a series of thoughtful analyses of some of the most critical issues raised in both receiving and sending countries including US

immigration policy European high skilled labor programs the experiences of migrants to the Gulf States the impact of immigration on student educational achievement and how post conflict nations connect with their diasporas This volume will help readers draw lessons for their own countries and is thus offered in the spirit of mutual learning within a continued international dialogue of research and analysis on migration HUMAN RIGHTS WATCH: Exported and Exposed ,

Migration and Development Savina Ammassari, International Organization for Migration, 2005 This study is a follow up activity to the MIDSA Workshop on Migration and Development in Southern Africa held in Zanzibar Tanzania in 2004 It assesses and analyses the migration and development situation of Angola and Zambia with a special focus on skills migration and a review of government policies and capacity related to skills migration and initiatives of various stakeholders including donors and civil society organizations There is much greater awareness today that development affects migration and that migration influences development The challenge is to find innovative and effective ways to enhance the benefits of migration while mitigating its adverse development implications for emigration countries

The Top Books of the Year Labour Migration In Asia Protection Of Migrant Workers Support Services And Enhancing Development Benefits The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Labour Migration In Asia Protection Of Migrant Workers Support Services And Enhancing Development Benefits : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
