La Terra In Piazza An Interpretation Of The Palio Of Siena:

La terra in piazza. An interpretation of the Palio in Siena Alan Dundes, Alessandro Falassi, 1994 **Early Modern Visual Allegory** Cristelle Baskins, 2017-09-29 The first book in over twenty five years devoted solely to allegory and personification in art history this anthology complements current literary and cultural studies of allegory The volume re examines early modern allegorical imagery in light of crucial material contextual and methodological questions how are allegories conceived for whom and for what purposes Contributors consider a wide range of allegorical representations in the visual arts and material culture of both early modern Europe and the colonial New World 1400 1800 Essays included here examine paintings sculpture prints architecture and the spaces of public ritual while discussing the process and theory of interpretation formation of audiences reception history appropriation and censorship A special focus on the medium of the body in visual allegory unites the volume s diverse materials and methods Artistic Responses to Travel in the Western Tradition Sarah J. Lippert, 2018-04-17 In an era when ease of travel is greater than ever it is also easy to overlook the degree to which voyages of the body and mind have generated an outpouring of artistry and creativity throughout the ages Exploration of new lands and sensations is a fundamental human experience This volume in turn provides a stimulating and adventurous exploration of the theme of travel from an art historical perspective Topical regions are covered ranging from the Grand Tour and colonialism to the travels of Hadrian in ancient times and Georgia O Keeffe s journey to the Andes from Vasari s Neoplatonic voyages to photographing nineteenth century Japan The scholars assembled consider both imaginary travel as well as factual or embellished documentation of voyages The essays are far reaching spatially and temporally but all relate to how art has documented the theme of travel in varying media across time and as illustrated and described by writers artists and illustrators The scope of this volume is far reaching both chronologically and conceptually thereby appropriately documenting the universality of the theme to human experience **Heritage Regimes and the State** Bendix, Regina, Eggert, Aditya, Peselmann, Arnika, 2013-07-02 What happens when UNESCO heritage conventions are ratified by a state How do UNESCO s global efforts interact with preexisting local regional and state efforts to conserve or promote culture What new institutions emerge to address the mandate The contributors to this volume focus on the work of translation and interpretation that ensues once heritage conventions are ratified and implemented With seventeen case studies from Europe Africa the Caribbean and China the volume provides comparative evidence for the divergent heritage regimes generated in states that differ in history and political organization The cases illustrate how UNESCO s aspiration to honor and celebrate cultural diversity diversifies itself The very effort to adopt a global heritage regime forces myriad adaptations to particular state and interstate modalities of building and managing heritage *Performing Witchcraft, Exorcism, and Abortion on the Italian Renaissance Stage* Mary Gallucci, 2024-12-23 Antonfrancesco Grazzini s plays *La Spiritata* *The Possessed Girl* and *La Strega* *The Witch* are available in English for the first time with notes and an

Introduction These plays deal with witchcraft superstition sexuality and abortion The context for such themes is analyzed in the Introduction Grazzini enhanced literary drama with elements from popular performances He influenced other playwrights including in England where *The Possessed Girl* was adapted as the Elizabethan comedy *The Bugbears* Writer and linguist John Florio used Grazzini's plays in his lexicon of Italian for English learners Grazzini celebrated artistic and popular traditions of Renaissance Florence he is significant for writing and preserving many literary genres especially the burlesque and carnivalesque He participated in Florentine spectacle and theater as a writer of plays a composer of interludes and a chronicler of festive events His importance to the development of the Italian language is evident in his plays **Cultural**

Psychoanalytic Study of Society, V. 18 L. Bryce Boyer, Ruth M. Boyer, Stephen M. Sonnenberg, 2018-12-07 Opening with a critical appreciation of Alan Dundes M Carroll and Dundes's own cross cultural study of the cockfight Volume 18 includes chapters on psychoanalysis and Hindu sexual fantasies W Doniger the modern folk tale *The Boyfriend's Death* M Carroll a gruesome Eskimo bedtime story R Boyer the homosexual implications of Argentinean soccer M Suarez Orozco and the symbolism of a Malaysian religious festival E Fuller **Teaching Translation** LAWRENCE VENUTI, 2016-08-05 Over the

past half century translation studies has emerged decisively as an academic field around the world and in recent years the number of academic institutions offering instruction in translation has risen along with an increased demand for translators interpreters and translator trainers *Teaching Translation* is the most comprehensive and theoretically informed overview of current translation teaching Contributions from leading figures in translation studies are preceded by a substantial introduction by Lawrence Venuti in which he presents a view of translation as the ultimate humanistic task an interpretive act that varies the form meaning and effect of the source text 26 incisive chapters are divided into four parts covering certificate and degree programs teaching translation practices studying translation theory history and practice surveys of translation pedagogies and key textbooks The chapters describe long standing programs and courses in the US Canada the UK and Spain and each one presents an exemplary model for teaching that can be replicated or adapted in other institutions Each contributor responds to fundamental questions at the core of any translation course for example how is translation

defined What qualifies students for admission to the course What impact does the institutional site have upon the course or pedagogy Teaching Translation will be relevant for all those working and teaching in the areas of translation and translation studies Additional resources for Translation and Interpreting Studies are available on the Routledge Translation Studies Portal Food, Festival and Religion Francesca Ciancimino Howell, 2018-08-09 Food Festival and Religion explores how communities in northern Italy find a restorative sense of place through foodways costuming and other forms of materiality Festivals examined by the author vary geographically from the northern rural corners of Italy to the fashionable heart of urban Milan The origins of these lived religious events range from Christian to vernacular Italian witchcraft and contemporary Paganism which is rapidly growing in Italy Francesca Ciancimino Howell demonstrates that during ritualized occasions the sacred is located within the mundane She argues that communal feasting pilgrimage rituals and costumed events can represent forms of lived religious materiality Building on the work of scholars including Foucault Grimes and Ingold Howell offers a theoretical Scale of Engagement which further tests the interfaces between and among the materialities of place food ritual and festivals and provides a widely applicable model for analyzing grassroots events and community initiatives Through extensive ethnographic research and fieldwork data this book demonstrates that popular Italian festivals can be ritualized liminal spaces contributing greatly to the fields of religious performance and ritual studies

Women, Pilgrimage, and Rituals of Healing in Modern and Ancient Greece Evy Johanne Håland, 2023-07-21 This book investigates religious rituals and gender in modern and ancient Greece with a specific focus on women's role in connection with healing How can we come to understand such mainstays of ancient culture as its healing rituals when the male recorders did not and could not know or say much about what occurred since the rituals were carried out by women The book proposes that one way of tackling this dilemma is to attend similar healing rituals in modern Greece carried out by women and compare the information with ancient sources thus providing new ways of interpreting the ancient material we possess Carrying out fieldwork being present during often enduring rituals within cultures despite other changes teaches one whole new way of looking at written and pictorial records of such events By bringing ancient and modern worlds into mutual illumination this text also has relevance beyond the Greek context both in time and space *The Renaissance Perfected* D. Medina Lasansky, 2004 Mussolini's bold claims upon the monuments and rhetoric of ancient Rome have been the subject of a number of recent books D Medina Lasansky shows us a much less familiar side of the cultural politics of Italian Fascism tracing its wide ranging efforts to adapt the nation's medieval and Renaissance heritage to satisfy the regime's programs of national regeneration Anyone acquainted with the beauties of Tuscany will be surprised to learn that architects planners and administrators working within Fascist programs fabricated much of what today's tourists admire as authentic Public squares town halls palaces gardens and civic rituals including the famed Palio of Siena were all restored to suit a vision of the past shaped by Fascist notions of virile power social order and national achievement in the arts Ultimately Lasansky forces

readers to question long standing assumptions about the Renaissance even as she expands the parameters of what constitutes Fascist culture The arguments in *The Renaissance Perfected* are based in fresh archival evidence and a rich collection of illustrations many reproduced for the first time ranging from photographs and architectural drawings to tourist posters and film stills Lasansky's groundbreaking book will be essential reading for students of medieval Renaissance and twentieth century Italy as well as all those concerned with visual culture architectural preservation heritage studies and tourism studies

Ritual in Early Modern Europe Edward Muir, 2005-08-18 The comprehensive 2005 study of rituals in early modern Europe argues that between about 1400 and 1700 a revolution in ritual theory took place that utterly transformed concepts about time the body and the presence of spiritual forces in the world Edward Muir draws on extensive historical research to emphasize the persistence of traditional Christian ritual practices even as educated elites attempted to privilege reason over passion textual interpretation over ritual action and moral rectitude over gaining access to supernatural powers Edward Muir discusses wide ranging themes such as rites of passage carnivalesque festivity the rise of manners Protestant and Catholic Reformations the alleged anti Christian rituals of Jews and witches This edition examines the impact on the European understanding of ritual from the discoveries of new civilizations in the Americas and missionary efforts in China and adds more material about rituals peculiar to women

Popular Culture in Early Modern Europe Peter Burke, 2009 The concept of cultural history has in the last few decades come to the fore of historical research into early modern Europe Due in no small part to the pioneering work of Peter Burke the tools of the cultural historian are now routinely brought to bear on every aspect of history and have transformed our understanding of the past First published in 1978 and now in its third edition this study examines the broad sweep of pre industrial Europe's popular culture This new edition features a new introduction reflecting the growth of cultural history and an extensive supplementary bibliography which further adds to the information about new

research in the area Becoming Neapolitan John A. Marino, 2011-01-03 2011 Winner of the Phyllis Goodhart Gordan Book Prize of the Renaissance Society of America Naples in the sixteenth and seventeenth centuries managed to maintain a distinct social character while under Spanish rule John A Marino s study explores how the population of the city of Naples constructed their identity in the face of Spanish domination As Western Europe s largest city early modern Naples was a world unto itself Its politics were decentralized and its neighborhoods diverse Clergy nobles and commoners struggled to assert political and cultural power Looking at these three groups Marino unravels their complex interplay to show how such civic rituals as parades and festival days fostered a unified Neapolitan identity through the assimilation of Aragonese customs Burgundian models and Spanish governance He discusses why the relationship between mythical and religious representations in ritual practices allowed Naples s inhabitants to identify themselves as citizens of an illustrious and powerful sovereignty and explains how this semblance of stability and harmony hid the city s political cultural and social fissures In the process Marino finds that being and becoming Neapolitan meant manipulating the city s rituals until their original content and meaning were lost The consequent widening of divisions between rich and poor led Naples s vying castes to turn on one another as the Spanish monarchy weakened Rich in source material and tightly integrated this nuanced synthetic overview of the disciplining of ritual life in early modern Naples digs deep into the construction of Neapolitan identity Scholars of early modern Italy and of Italian and European history in general will find much to ponder in Marino s keen insights and compelling arguments Forbidden Friendships Michael Rocke, 1998-03-05 This is a superb work of scholarship impossible to overpraise It marks a milestone in the 20 year rise of gay and lesbian studies Martin Duberman The Advocate The men of Renaissance Florence were so renowned for sodomy that Florenzer in German meant sodomite In the late fifteenth century as many as one in two Florentine men had come to the attention of the authorities for sodomy by the time they were thirty In 1432 The Office of the Night was created specifically to police sodomy in Florence Indeed nearly all Florentine males probably had some kind of same sex experience as a part of their normal sexual life Seventy years of denunciations interrogations and sentencings left an extraordinarily detailed record which author Michael Rocke has used in his vivid depiction of this vibrant sexual culture in a world where these same sex acts were not the deviant transgressions of a small minority but an integral part of a normal masculine identity Rocke roots this sexual activity in the broader context of Renaissance Florence with its social networks of families juvenile gangs neighbors patronage workshops and confraternities and its busy political life from the early years of the Republic through the period of Lorenzo de Medici Savonarola and the beginning of Medici princely rule His richly detailed book paints a fascinating picture of Renaissance Florence and calls into question our modern conceptions of gender and sexual identity Architecture and Justice Jonathan Simon, 2016-04-15 Bringing together leading scholars in the fields of criminology international law philosophy and architectural history and theory this book examines the interrelationships between architecture and justice highlighting the provocative and curiously

ambiguous juncture between the two Illustrated by a range of disparate and diverse case studies it draws out the formal language of justice and extends the effects that architecture has on both the place of and the individuals subject to justice With its multi disciplinary perspective the study serves as a platform on which to debate the relationships between the ceremonial legalistic administrative and penal aspects of justice and the spaces that constitute their settings The structure of the book develops from the particular to the universal from local situations to the larger city and thereby examines the role that architecture and urban space play in the deliberations of justice At the same time contributors to the volume remind us of the potential impact the built environment can have in undermining the proper juridical processes of a socio political system Hence the book provides both wise counsel and warnings of the role of public civic space in affirming our sense of a just or unjust society

Balut Margaret Magat,2019-11-14 In this book Margaret Magat explores both the traditional and popular culture contexts of eating balut Balut fertilized duck or chicken eggs that have developed into fully formed embryos with feathers and beaks is a delicacy which elicits passionate responses Hailed as an aphrodisiac in Filipino culture balut is often seen and used as an object of revulsion in Western popular culture Drawing on interviews participant observation reality television programs travel shows food blogs and balut eating contests Magat examines balut production and consumption its role in drinking rituals sex and also the vampire like legends behind it Balut reveals how traditional foods are used in the performance of identity and ethnicity inspiring a virtual online cottage industry via social media It also looks at the impact globalization and migration are having on cultural practices and food consumption across the world The first academic book on balut this is essential reading for anyone in food studies folklore studies anthropology and Asian American studies

Gender on the Market Deborah Kapchan,2010-11-24 Selected by Choice magazine as an Outstanding Academic Book for 1996 Gender on the Market is a study of Moroccan women s expressive culture and the ways in which it both determines and responds to current transformations in gender roles Beginning with women s emergence into what has been defined as the most paradigmatic of Moroccan male institutions the marketplace the book elucidates how gender and commodity relations are experienced and interpreted in women s aesthetic practices Deborah Kapchan compellingly demonstrates that Moroccan women challenge some of the most basic cultural assumptions of their society especially ones concerning power and authority
