*Louis Jacobs and the Quest for a Contemporary Jewish Theology* Miri Freud-Kandel, 2023-10-15 For Louis Jacobs the quest the process of engaging with and thinking about Jewish faith was a lifelong pursuit He offered a model in the 1960s a period characterized by general religious crisis of an observant committed but intellectually curious Judaism that empowered individual seekers to address challenges to faith In Orthodox Judaism at the time a battle was under way for religious control Generating a widespread controversy in British Jewry known as the Jacobs Affair his thought offers a lens for examining the trajectory of Orthodoxy In a contemporary context marked by the changing cultural and intellectual concerns of a post secular age the focus of some of these debates over religious control has shifted Yet Jacobs emphasis on a

personal quest is as relevant as ever perhaps more so This first book length analysis of his theology unpacks the building blocks of his thought It argues that despite its particularities and limitations his approach can provide a powerful model for contemporary religious seekers in the context of a growing impetus away from established denominationally bound forms of religion Many orthodox believers across a range of faiths continue to prefer the certainty of unquestionable religious truth claims rather than pursuing a subjective search for religious meaning For those seeking alternative models for the contemporary Jewish quest a reconsideration of Jacobs theology can offer valuable tools *Journal of Youth Services in Libraries* ,1995 *Children's Books in Print*, 2007 ,2006 *The Writers Directory* ,2013 **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12 *Kirjath sepher* ,2003 *Bowker's Guide to Characters in Fiction* ,2003 **PC Mag** ,1983-02 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **The Writers Directory 2008** Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography *Subject Guide to Children's Books In Print*, 1996 R R Bowker Publishing,1996 **Billboard** ,1954-05-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **We Can Find a Way** Dina Herman Rosenfeld,2018 **Where Does Food Come From?** Dina Rosenfeld,2020-04 For a child the food we see on our tables comes in boxes plastic bags and cans and is bought in a store The child is taught the different bracha s blessings to be said before eating each type of food to thank Hashem for all the different foods The specific bracha said on each food is based on the origin of that particular food *Where Does Food Come From* Attempts to bridge that gap between the child and the bracha to be said by illustrating where each food comes from The amazing detailed illustrations will help the child understand the growing and processing of bread grape juice baked goods fruits and vegetables and the meaning of the bracha Which in turn will give the child the basic knowledge to know and understand what brachas to say The publisher taking into account the possibility that this book will be used at the table by a child wanting to see where the food on his plate came from has laminated the interior text pages with a wipe clean surface **Get Well Soon** Dina Rosenfeld,2019-08 You re never too young to want to do a mitzva especially one as important as visiting the sick Little Eli would like to see his friend who missed school but the boy has a cold that might be contagious He asks to go along with his mother to the hospital to visit her friend but the rule is No children allowed Then Eli s father goes to see someone too weak for a lot of company and once again the little boy must be left behind In the meantime Eli s family consoles him with other
