Labour Party In Wales 1900 2000:

A History of the British Labour Party Andrew Thorpe, 2017-09-16 After 13 years in power Labour suddenly returned to being the party of opposition in 2010 This new edition of A History of the British Labour Party brings us up to date examining Gordon Brown s period in office and the Labour Party under the leadership of Ed Miliband Andrew Thorpe s study has been the leading single volume text on the Labour Party since its first edition in 1997 and has now been thoroughly revised throughout to include new approaches This new edition Covers the entirety of the party s history from 1900 to 2014 Examines the reasons for the party s formation and its aims Analyses the party s successes and failures including its rise to second party status and remarkable recovery from its problems in the 1980s Discusses the main events and personalities of the Labour Party such as MacDonald Attlee Wilson Blair and Brown With his approachable style and authoritative manner Thorpe has created essential reading for students of political history and anyone wishing to familiarise themselves with the history and development of one of Britain s major political parties Dictionary of Labour Biography Keith Gildart, David Howell, 2020-01-31 The Dictionary of Labour Biography has an outstanding reputation as a reference work for the study of nineteenth and twentieth century British history Volume XV maintains this standard of original and thorough scholarship Each entry is written by a specialist drawing on an array of primary and secondary sources The biographical essays engage with recent historiographical developments in the field of labour history The scope of the volume emphasises the ethnic and national diversity of the British labour movement and neglected political traditions *Unionism in the United Kingdom, 1918-1974* P. Ward, 2005-03-01 This book examines the range and complexity of unionist political identities ideas and beliefs in the non English parts of the United Kingdom in the mid twentieth century It discusses the careers of eight politicians from Scotland Wales and Northern Ireland and uncovers the varieties of unionism that held the multi national UK together Challenging the idea that Britain was in the process of breaking up it argues that the Union provided a focus for loyalty in the United Kingdom that contributed to the continuing formation of identities of Britishness **Labour's First Century** Duncan Tanner, Pat Thane, Nick Tiratsoo, 2000-09-11 The Labour Party s centenary is an appropriate moment to evaluate its performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction Labour s First Century covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party s contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour Party will need to read Labour s First Century *The Labour Party and Constitutional Reform* P. Dorey, 2008-06-17 Examines the Labour Party s approach to constitutional reforms in historical context and how these have

been pursued more to modernize political institutions rather than radically transform them Explains the reasons for this constitutional conservatism and the debates which specific reform proposals have prompted in the Party

A Companion to Early Twentieth-Century Britain Chris Wrigley, 2008-04-15 This Companion brings together 32 new essays by leading historians to provide a reassessment of British history in the early twentieth century The contributors present lucid introductions to the literature and debates on major aspects of the political social and economic history of Britain between 1900 and 1939 Examines controversial issues over the social impact of the First World War especially on women Provides substantial coverage of changes in Wales Scotland and Ireland as well as in England Includes a substantial bibliography which will be a valuable guide to secondary sources

Labour's Grass Roots Matthew Worley, 2017-11-28 The period between 1918 and 1945 witnessed dynamic social and economic developments in Britain as the notion of a government controlled economy and welfare state took root In order to be understood this shift in the political landscape needs to be seen in context of the growth of mass political movements and the implementation of fuller democratic processes in the aftermath of the Great War But whilst much has been written on the rise of the Labour Party the decline of the Liberals and the domination of the Conservatives in the sphere of high politics much less research has been done on the local or regional experience of Britain's main political parties between the wars This volume brings together ten essays that together provide an introduction to the role influence and effectiveness of Labour Party activists across Britain Taking a systematic and comparative approach that examines a range of representative areas this volume is more than simply a collection of local studies Instead it utilises the local to develop and illuminate the wider dynamics at work inside the Labour Party By emphasising the role of the party membership Britain's social and political evolution can be reconstructed from grass roots level taking into account the priorities and expectations of the people who sustained and cultivated the nation's social political base By addressing reoccurring issues of interest to labour historians such as gender nationalism the co operative movement and trade unionism through the locus of regionalism and local party activity this volume will not only provide scholars with a better understanding of the Labour Party but should stimulate similar much needed research into other political parties and organisations

Harold Wilson Andrew S. Crines, Kevin Hickson, 2016-03-11 This year marks the centenary of Harold Wilson's birth the fiftieth anniversary of his most impressive general election victory and forty years since his dramatic resignation as Prime Minister He was one of the longest serving premiers of the twentieth century having won a staggering four general elections yet despite this monumental record his place in Labour's history remains somewhat ambiguous By the end of his two periods in power both the left and right of the party were highly critical of Wilson the former regarding him as a traitor to socialism the latter as contributing directly to British decline With contributions from leading experts in the fields of political study and from Wilson's own contemporaries this remarkable new study offers a timely and wide ranging reappraisal of one of the giants of twentieth century politics examining the context within which he

operated his approach to leadership and responses to changing social and economic norms the successes and failure of his policies and how he was viewed by peers from across the political spectrum Finally it examines the overall impact of Harold Wilson on the development of British politics

Labour Inside the Gate Matthew Worley, 2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes Its campaigning cartoon which gives this book its title showed the party wielding an axe towards the gates of Parliament cutting through the special interests protecting the old system to aid the working classes What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force The inter war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government At the end of the Great War 1914 1918 Labour had a developing national organisation and a fledgling constitution By 1922 it rivalled the war ravaged Liberals as the party of opposition a fact that was affirmed with the formation of the first minority Labour government in January 1924 The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression but the organisational basis of the party remained solid allowing Labour to reinvent itself over the 1930s By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945 Matthew Worley has written the first study dedicated solely to this crucial period in Labour s development In an accessible style he provides a comprehensive account of all aspects of the movement Using a wide range of sources he explores this often marginalised period in Labour s history both looking at the parliamentary party and the growing network of constituency parties Worley s approach unites high politics and issues that cross local and national boundaries He combines policy social history and economics with broader themes such as gender and culture Labour inside the Gate will appeal to students and scholars as well as all those interested in Labour s history Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government

The Cambridge History of Welsh Literature Geraint Evans, Helen Fulton, 2019-04-18 This book is a comprehensive single volume history of literature in the two major languages of Wales from post Roman to post devolution Britain

Rethinking Labour's Past Nathan Yeowell, 2022-01-13 The Labour Party after Jeremy Corbyn is charting a new direction Here Nathan Yeowell has brought together a remarkable array of contributors to provide expert insight into twentieth century British history and Labour politics and how they might shape thinking about Labour s future Reframing the span of Labour history and its effects on contemporary British politics the book provides fresh thinking and analysis of various traditions themes and individuals These include the shifting significance of 1945 the need for more grounded interpretations of Tony Blair s legacy and the enduring importance of place identity and aspiration to the evolution of the party Contributions from leading historians such as Patrick Diamond Steven Fielding Ben Jackson Glen O Hara and Florence Sutcliffe Braithwaite are supplemented by those with experience of Labour electoral politics such as Rachel Reeves and Nick Thomas Symonds The result is an intellectually

rich and politically relevant roadmap for Labour's future

Labour and the politics of Empire Neville Kirk, 2017-02-01

This is a pathbreaking comparative and transnational study of the neglected influences of nation, empire and race upon the development and electoral fortunes of the Labour Party in Britain and the Australian Labor Party from their formative years of the 1900s to the elections of 2010. Based upon extensive primary and secondary source-based research in Britain and Australia over several years, it makes a new and original contribution to the fields of labour, imperial and British world history. The book offers the challenging conclusion that the forces of nation, empire and race exerted much greater influence upon Labour politics in both countries than suggested by traditionalists and revisionists alike. The book will appeal to undergraduates, postgraduates, scholars in history and politics and all those interested in and concerned with the past, present and future of Labour politics in Britain, Australia and more generally.

The great Labour unrest Lewis Mates, 2016-05-01

The Great Labour Unrest examines the struggle between liberals, socialists and revolutionary syndicalists for control of Britain's best established district miners' union. Drawing widely on a vast and rich body of primary sources, this study reveals the debates that grassroots activists had during the fascinating and turbulent Great Labour Unrest period. It charts the contexts in which the socialists challenged the union's Liberal leaders from the late 1890s and considers the complex strikes in 1910 against the implementation of the Liberal government's miners' eight-hour day. It analyses the emergence and development of a mass rank and file movement in the coalfield based around demands for a miners' minimum wage and when this principle was won in March 1912 for an improved minimum wage. This book is of interest to academics, advanced students and lay people interested in political, social and economic history, political thought, economics and industrial relations.

Reader's Guide to British History David Loades, 2020-12-17

The Reader's Guide to British History is the essential source to secondary material on British history. This resource contains over 1,000 A-Z entries on the history of Britain from ancient and Roman Britain to the present day. Each entry lists 6-12 of the best known books on the subject, then discusses those works in an essay of 800 to 1,000 words prepared by an expert in the field. The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication.

Understanding the Roots of Voluntary Action Colin Rochester, 2011

Draws on a range of empirical studies of aspects of the history of voluntary action. This title includes chapters that range across two centuries and a variety of fields of activity, geographical areas and organisational forms.

Terrorism and Nationalism in the United Kingdom Nick Brooke, 2018-04-17

This book makes a timely contribution to the analysis of nationalism and terrorism and also the absence of terrorism. It proposes to analyse why Scottish, Welsh and English nationalism has never had as significant a turn to political violence as the case of Irish nationalism has. This will answer a question which is too rarely asked: why do certain groups not turn to terrorism? Nick Brooke makes an important contribution to debates on nationalism in the United Kingdom as well as to debates on the relationship between nationalism and terrorism. Furthermore, the text provides complete narrative accounts of nationalist

terrorism in Scotland Wales and England and considers how recent political developments impact the likelihood of further nationalist terrorism

Regionalism After Regionalisation Frans Schrijver, 2006 Concentrating on three countries Spain France and the United Kingdom and three regional case studies of Galicia Brittany and Wales this book offers an analysis of the development of political regionalism after regionalisation

Popular Conservatism and the Culture of National Government in Inter-War Britain Geraint Thomas, 2020-11-05 A radical reading of British Conservatives fortunes between the wars exploring how the party adapted to mass democracy after 1918

The art of the possible Chris Williams, Andrew Edwards, 2015-07-01 This volume explores some of the major transitions opportunities and false dawns of modern British political history It engages with the scholarly legacy of Professor Duncan Tanner 1958 2010 whose work was focused on the political process and on politics in government Chronologically its span runs from the first general election to be conducted under the terms of the Third Reform Act through to the 1997 referenda in favour of devolved assemblies in Scotland and Wales This was the period in which British politicians most obviously addressed a mass British wide electorate seeking national approval for policies and programmes to be enacted on a UK wide basis Aimed at scholars and students of modern British history this volume will also interest the general reader who wishes to get to grips with some of the latest thinking about British politics

The Aftermath of Suffrage Julie V. Gottlieb, Richard Toye, 2013-05-28 This collection explores the aftermath of the Representation of the People Act which gave some British women the vote Experts examine the paths taken by both former suffragists as well as their anti suffragist adversaries the practices of suffrage commemoration and the changing priorities and formations of British feminism in this era

Labour Party In Wales 1900 2000 Introduction

In today's digital age, the availability of Labour Party In Wales 1900 2000 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Labour Party In Wales 1900 2000 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Labour Party In Wales 1900 2000 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Labour Party In Wales 1900 2000 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Labour Party In Wales 1900 2000 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Labour Party In Wales 1900 2000 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Labour Party In Wales 1900 2000 books and manuals is Open Library. Open

Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Labour Party In Wales 1900 2000 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Labour Party In Wales 1900 2000 books and manuals for download and embark on your journey of knowledge?

FAQs About Labour Party In Wales 1900 2000 Books

1. Where can I buy Labour Party In Wales 1900 2000 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Labour Party In Wales 1900 2000 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
