But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about, and how to teach it, and provide the tools and techniques to set up a family Bible study habit. You will discover several outlines of the story of the Bible to help orient you to the flow of the narrative. You will find four reading plans that will take you through the sweep of the biblical story at varying levels. The reading guide in chapter two acts as a running commentary through the reading plans.
