Mount Allison University, 1998 **Learning Disabilities** Brian J. Cratty, Richard L. Goldman, 2005-09-30 Examining the field of learning disabilities and the education of learning disabled LD children through the eyes of several experts this volume discusses such areas as new medications for the LD child contemporary research on dyslexia and educational strategies for improving reading **Learning Disabilities: A to Z** Corinne Smith, Lisa Strick, 1999-05-25 Corinne Smith and Lisa Strick provide a comprehensive guide to the causes identification and treatment of learning disabilities *Learning About Learning Disabilities* Po-Zen Wong, Bernice Wong, 2014-05-19 This is the first textbook to give equal attention to the intellectual conceptual and practical aspects of learning disabilities Topical coverage is both comprehensive and thorough and the information presented is up to date Provides a balanced focus on both the conceptual and practical aspects of learning disabilities LD The research covered is far more comprehensive and of greater depth than any other LD textbook The work is distinctive in its treatment of such important areas as consultation skills and service delivery **Living with a Learning Disability** Barbara Cordoni, 1990 The author looks at life after school gets out The book presents the kinds of adaptations needed for educating communicating with and parenting the child the adolescent and the young adult with learning disabilities Foreword p ix *Caring: A Family Affair* The Open University, This 8 hour free course explored care in the family including health care and the meaning of the terms informal carer and care **Parenting Children with Learning Disabilities** Jane Utley Adelizzi, Diane B. Goss, 2001-04-30 In a straightforward and empathetic tone Adelizzi and Goss sensitively offer support to parents of children with learning disabilities who wish to see their children grow to their full potential While juggling the complex expectations imposed upon them parents often combat confusion anger fear sadness and frustration This book will help diffuse these overwhelming feelings empowering parents with the ability to provide the academic and personal support their children need to thrive Adelizzi and Goss who contribute to a unique and highly successful collegiate program for adults with LD ADD demystify the very fuzzy world of LD terminology and theory and clarify the complicated process of diagnosis and treatment They shed light on the way children and adolescents with learning disabilities function in the home environment in social relationships and at school Parents will find new understanding and hope as the authors with the collective voice of parents and children who deal with LD every day lead them through the maze of issues they must confront

Developmental-Behavioral Disorders Marvin I. Gottlieb, John E. Williams, 2013-03-07 Child development has always been a traditional component of well child care and a particular area of interest for pediatricians child neurologists and psychologists However it was not until the early 1960s that children with developmental disabilities i.e. chronic handicapping disorders became a major focus of public and professional attention During this period children with special needs were

dramatically catapulted into the limelight and exceptional became the buzzword of the day Public and professional awareness of these issues reached new peaks and recognition of the potential psychosocial impairments of children with developmental disabilities created national anxiety A variety of factors contributed to an unprecedented societal advocacy for children with developmental problems 1 a national concern generated by President Kennedy's particular interest in mental retardation 2 increased activity and visibility of parent advocacy lobbying groups e g the Association for Children with Learning Disabilities 3 the enactment of federal legislation designed to protect the rights of the handicapped e g PL94-142 and 4 the popularization of developmental behavioral disabilities by the various communications media Cumulatively these events precipitated a redefinition of the meaning of comprehensive health care for children resulting in an emphasis on the child's neurodevelopmental educational psychological and social needs For the pediatrician a myriad of new management responsibilities were mandated in addition to the traditional health care concerns **My Learning Disability Advantage** ,

Nonverbal Learning Disabilities at School Pamela Tanguay, 2001-10-01 Topics such as finding the right school curriculum modifications and social and emotional issues experienced by children with NLD are covered The bulk of the book outlines specific teaching strategies from how to deal with essay questions to tips on helping the student master long division and ideas for improving reading comprehension **Learning Disabilities** Janet W. Lerner, 1989 Learning Handicapped

Delinquents United States. Congress. House. Committee on the District of Columbia. Subcommittee on Fiscal Affairs and Health, 1985 *Special Education in Contemporary Society* Richard M. Gargiulo, 2014-07-09 Grounded in research and

expanding on current trends and contemporary issues the new edition of Gargiulo's text provides an easy to read introduction to special education **Sexuality and Women with Learning Disabilities** Michelle McCarthy, 1999-05-01 In this study of women learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities *Special Education in Contemporary Society, 4e* □ *Media Edition* Richard M. Gargiulo, 2011-08-26 This media update edition has been updated to

include icons throughout linking the book to the new accompanying interactive eBook version The book provides a highly readable and research based introduction to special education **The Dyslexic Scholar** Kathleen Nosek, 1995 Addresses the special needs of the dyslexic student focusing on how parents can work with the school system to obtain an educational evaluation and secure appropriate placement for the student A Family Affair Jane Drover, 1998 **Loving Each One**

Best Nancy Samalin, 2010-04-28 All those baby boomers who have embarked on the journey of raising their second and third children have found themselves left in the lurch by existing child care literature Now child care expert Nancy Samalin who has earned a reputation for her forgiving and empowering approach to parenting brings her inspiring outlook to this guide to the pitfalls and rewards of parenting two or more children Parents who consider themselves pros after the first child are in

for a surprise when the encounter life after the second child is born and beyond Suddenly their world is an exhausting haze of competing demands perpetual squabbling sibling rivalry complaints of unfairness and you love him more and sometimes you do unrelenting stress and a pervasive sense of guilt and inadequacy Culled from her years of workshops with hundreds of parents Nancy Samalin shares the trials and joys of parenthood and provides specific advice on steering your way through the parenting rapids This is a must read for today s harried parents *In the Mind's Eye* Thomas G. West, 2020-07 This book is recognized as a classic in its field It still stands alone as a compelling argument against popular myths of conventional intelligence and for the importance of visual thinking and visual technologies as powerful tools to aid and amplify the creative potential of many individuals with dyslexia or other learning difficulties
