lived the dream quite like Jimmy Page Robert Plant John Paul Jones and John Bonham In Led Zeppelin Bob Spitz takes their full measure separating myth from reality with his trademark connoisseurship and storytelling flair From the opening notes of their first album the band announced itself as something different a collision of grand artistic ambition and brute primal force of English folk music and African American blues Spitz s account of their artistic journey amid the fascinating ecosystem of popular music is irresistible But the music is only part of the legend Led Zeppelin is also the story of how the sixties became the seventies of how innocence became decadence of how rock took over Led Zeppelin wasn t the first band to let loose on the road but as with everything else they took it to an entirely new level Not all the legends are true but in Spitz s careful accounting what is true is astonishing and sometimes disturbing Led Zeppelin gave no quarter and neither has Bob Spitz Led Zeppelin is the long awaited full reckoning the band richly deserves **Led Zeppelin** Martin Popoff,2018-08-21
