The Lazy Teacher's Handbook Jim Smith, 2017-02-21 p Every chapter has been revised and some significantly expanded particularly those on planning conducting and reviewing lazy lessons Others have been updated with Jim's latest tried and tested techniques which all shift the emphasis away from the teaching and onto the learning Have you ever wondered what would happen in your classroom if you simply stopped teaching Over the last few decades the demands of countless education initiatives not to mention the pressures good teachers put on themselves have seen so much teaching squeezed into our lessons it must have squeezed out some of the learning Maybe if we spent a little less time teaching and gave students a little more time to learn things would be different Maybe this would allow us more opportunities to build relationships with the class and develop that all important rapport with the individuals who might just need us most Maybe we could even reclaim our Sunday afternoons from planning and marking The Lazy Way can help you get more out of your students and at the same time help you to get your life back More than just a series of tricks the Lazy Way is something Jim Smith has put together over years of experience working with all sorts of learners and teachers who want their lessons to be different yet still be rewarded with academic success The approach was born out of Jim's frustration with doing a job he loves but being slowly killed by it in the process And as all good psychologists know if necessity is the mother of invention then frustration is the absent father and being knackered the grown up sibling who just won't leave home If you want your students to learn more and you to work less then The Lazy Teacher's Handbook provides you with all the arguments and evidence you need The new edition is packed full of even more easy to apply highly effective strategies which Ofsted have

rated as outstanding all with the seal of approval from real students in real classrooms So next time someone tells you to get a life this book will make it possible Previously published as *The Lazy Teacher's Handbook* ISBN 9781845902896 *The Lazy Teacher* is a registered trademark *The Lazy Teacher's Handbook* first edition Winner of the 2012 Award for non fiction bestselling English language Book from Wales *The Lazy Teacher's Handbook* New Edition Honorable Mention 2017 Foreword INDIES Awards in the Education category *The Lazy Teacher's Handbook* New Edition is a finalist in the 2018 Education Resources Awards in the Educational Book Award category
