the dearth of scholarly attention it has traditionally received compared to other Platonic texts is an important dialogue for  
any consideration of Plato's views on political philosophy history and rhetoric to say nothing of the dialogue's contribution to  
the study of civic ideology and institutions natural law theory and Plato's notion of race *Speeches for the Dead* unites the  
contributions of scholars working on diverse aspects of the dialogue growing out of a one day workshop on the same subject  
at the University of Pennsylvania organized by the editors In offering a variety of perspectives on the Menexenus the volume  
is the very first of its kind in any language In addition the volume contains an up to date bibliography of scholarship in  
English French German and Italian This makes the book a definitive guide and ideal starting point for advanced students and

Jonathan S. Nkhoma, 2013 Jonathan Nkhoma in this scholarly collection of essays enriches the reader with different  
interesting windows on how one can unearth the riches contained in some of the New Testament writings The first two  
essays underscore the importance of placing the New Testament in a proper context and attempt to construct this context by  
discussing the historical background and the theological understanding of the Qumran Covenanters as derived from the Dead  
Sea Scrolls Jonathan Nkhoma treats many aspects touching the proper interpretation of the New Testament writings For  
example he shows how the sacramental rituals of washing and eating together in the Qumran Community add meaning to the  
same rituals carried over to the New Testament The significance of table fellowship is treated in greater depth in a  
subsequent essay Throughout the various essays the question of the historicity of the various texts is treated in a succinct  
way and the author is able to come to some helpful conclusions drawing on the previous work of many well know scholars  
The later essays tackle the very difficult question of martyrdom and Jonathan Nkhoma delves into the history of two  
particular cases in order to shed light on this difficult subject All essays are written in impeccable English which flows in an  
easy style This collection of essays would be invaluable to anyone who would wish to make a serious study of the New  
Testament writings      **Life and Letters of Mandell Creighton, D. D., Oxon and Cam., Sometime Bishop of London ...**
