The church is the enlargement expansion reproduction surplus fullness and expression of Christ for His glory Eventually the church consummates in the New Jerusalem which also is Christ The enlargement of His house to become the city the kingdom in reality provides the Lord the ground to return and reclaim the earth from the usurping hand of Satan The progression of the revelation through the books of the Psalms is summed up in four words Christ house city and earth Our goal in studying the Psalms should be to experience Christ for the building up of the church as the house and the city so that the Lord will have a beachhead in order to come back and reclaim the earth According to God s view having a group of people who exalt Christ and become the church as the house and the city will provide Him a way to repossess the entire earth Therefore the deepest burden of this study of the Psalms is the fulfillment of the first and last verses of Psalm 8 O Jehovah our Lord How excellent is Your name In all the earth The Announcements section of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

characteristic By the twentieth century however a more skeptical group of writers including Zora Neale Hurston Ralph Ellison and William Melvin Kelley associated Moses with overbearing charismatic authority This book traces the transition from Walker who treated Moses as the epitome of self sacrifice to Kelley who considered Moses a flawed model of leadership and a threat to individual self reliance By asking how Moses became a touchstone for notions of racial belonging Excavating Exodus illuminates how Black intellectuals reinvented the Mosaic model of charismatic male leadership
