Diary of Interrupted Days Dragan Todorovic,2010-04-09 Dragan Todorovic s first book written in English won him a literary prize for non fiction and predictions from readers that he was a novelist in the making The readers were right as his exceptional first novel proves Diary of Interrupted Days is playful blazingly intelligent occasionally erotic and ultimately tragic unfurling from the cliffhanger scene that opens the book a lone exile returning to Belgrade for the first time since he fled to Canada in the mid nineties is stranded on the only bridge into the city that hasn t been destroyed by NATO bombers as air raid sirens sound He should be focused on getting off the bridge but he seems unable to calculate the risk The war that dismembered his country still haunts him but what has him frozen is that the disruptions of war allowed him to steal happiness for himself from his best friend with the likelihood that he would never be caught But lies even artful ones told by someone adept at incinerating the past have a way of catching up to you As the man on the bridge is about to find out

Kissinger Niall Ferguson, 2016-09-27 From the bestselling author of *The Ascent of Money* and *The Square and the Tower* the definitive biography of Henry Kissinger based on unprecedented access to his private papers Winner of the Council on Foreign Relations Arthur Ross Book Award No American statesman has been as revered or as reviled as Henry Kissinger Once hailed as Super K the indispensable man whose advice has been sought by every president from Kennedy to Obama he has also been hounded by conspiracy theorists scouring his every telcon for evidence of Machiavellian malfeasance Yet as Niall Ferguson shows in this magisterial two volume biography drawing not only on Kissinger's hitherto closed private papers but also on documents from more than a hundred archives around the world the idea of Kissinger as the ruthless arch realist is based on a profound misunderstanding The first half of Kissinger's life is usually skimmed over as a quintessential tale of American ascent the Jewish refugee from Hitler's Germany who made it to the White House But in this first of two volumes Ferguson shows that what Kissinger achieved before his appointment as Richard Nixon's national security adviser was astonishing in its own right Toiling as a teenager in a New York factory he studied indefatigably at night He was drafted into the U S infantry and saw action at the Battle of the Bulge as well as the liberation of a concentration camp but ended his army career interrogating Nazis It was at Harvard that Kissinger found his vocation Having immersed himself in the philosophy of Kant and the diplomacy of Metternich he shot to celebrity by arguing for limited nuclear war Nelson Rockefeller hired him Kennedy called him to Camelot Yet Kissinger's rise was anything but irresistible Dogged by press gaffes and disappointed by Rocky Kissinger seemed stuck until a trip to Vietnam changed everything The Idealist is the story of one of the most important strategic thinkers America has ever produced It is also a political Bildungsroman explaining how Dr Strangelove ended up as consigliere to a politician he had always abhorred Like Ferguson's classic two volume history of the House of Rothschild Kissinger sheds dazzling new light on an entire era The essential account of an extraordinary life it recasts the Cold War world

The Spamalot Diaries Eric Idle, 2024-10-08 A rollicking account of the making of the Broadway musical Spamalot and an irresistible and unfiltered ode to the art of live theater Fans will love this tantalizing glimpse behind the curtain Publishers Weekly starred review From comedy legend Eric Idle the fascinating inside story of bringing Monty Python and the Holy Grail to Broadway as the unlikely theatrical hit Spamalot On March 17 2005 Spamalot debuted on Broadway to rapturous reviews for its star studded creative team including creators Eric Idle and John du Prez director Mike Nichols and stars Hank Azaria David Hyde Pierce Sara Ramirez Tim Curry and more But long before the show was the toast of Broadway and the winner of three Tony Awards it was an idea threatening to fizzle out before it could find its way into existence Now in *The Spamalot Diaries* Eric Idle shares original journal entries and raw email exchanges all featuring his whip smart wit that reveal the sometimes bumpy always entertaining path to the show's unforgettable run In the months leading up to that opening night financial anxieties were

high with a low ceiling budget and expectations that it would take two years to break even Collaborative disputes put decades long friendships to the test And the endless process of rewriting was a task as passionate as it was painstaking Still there s nothing Idle would change about that year Except for the broken ankle He could do without the broken ankle Chronicling every minor mishap and triumph along the way as well as the creative tension that drove the show to new heights The Spamalot Diaries is an unforgettable look behind the curtain of a beloved musical and inside the wickedly entertaining mind of one of our most treasured comic performers
