PhD, Greece is a sovereign state located in eastern Europe situated on the southern end of the Balkan Peninsula. The country is surrounded by the Aegean Sea to the east and the Ionian Sea to the west and has a population of about 10.8 million people. Greece is recognized the world over as one of the cradles of Western civilization with its ancient history playing a huge role in shaping the modern world. It was in ancient Greece over 2,500 years ago that democracy, art, philosophy, literature, and architecture flourished. The country's ancient past remains evident in its monuments and architecture which draw millions of tourists each year. Greece has a diverse economy that is growing steadily thanks to excellent infrastructure and tourism. The country's major industries include tourism, shipping, and agriculture, and it has made progress in developing its renewable energy resources, particularly wind turbines and solar power. Greece also has a high standard of living and a well-educated population, including a thriving university system. The country's cuisine is characterized by a mix of Mediterranean and Middle Eastern influences, with seafood and lamb dishes being particularly popular. Overall, Greece is a unique and fascinating country that is well worth exploring.
