Green Felt Jungle:

The Green felt jungle. [With plates.] Edward REID (and DEMARIS (Ovid)), Ovid Demaris, 1968 **The Green Felt Jungle** Ed Reid, 1968 **Green felt jungle: The story of People v. Collins** George Fisher, **Escape from the Green Felt Jungle** John Horvat, 1999-09-01 **Devil's Bargains** Hal Rothman, 1998

The West is popularly perceived as America's last outpost of unfettered opportunity but twentieth century corporate tourism has transformed it into America's land of opportunism. From Sun Valley to Santa Fe towns throughout the West have been turned over to outsiders and not just to those who visit and move on but to those who stay and control. Although tourism has been a blessing for many bringing economic and cultural prosperity to communities without obvious means of support or allowing towns on the brink of extinction to renew themselves the costs on more intangible levels may be said to outweigh the benefits and be a devil's bargain in the making. Hal Rothman examines the effect of twentieth century tourism on the West and exposes that industry's darker side. He tells how tourism evolved from Grand Canyon rail trips to Sun Valley ski weekends and Disneyland vacations and how the post World War II boom in air travel and luxury hotels capitalized on a surge in discretionary income for many Americans combined with newfound leisure time. From major destinations like Las Vegas to revitalized towns like Aspen and Moab Rothman reveals how the introduction of tourism into a community may seem innocuous but residents gradually realize as they seek to preserve the authenticity of their communities that decision making power has subtly shifted from the community itself to the newly arrived corporate financiers. And because tourism often results in a redistribution of wealth and power to outsiders observes Rothman it represents a new form of colonialism for the region. By depicting the nature of tourism in the American West through true stories of places and individuals that have felt its grasp Rothman doesn't just document the effects of tourism but provides us with an enlightened explanation of the shape these changes take. Deftly balancing historical perspective with an eye for what's happening in the region right now his book sets new standards for the study of tourism and is one that no citizen of the West whose life is touched by that industry can afford to ignore.

Gangster Priest Robert Casillo, 2006-01-01

Widely acclaimed as America's greatest living film director Martin Scorsese is also some argue the pre eminent Italian American artist. Although he has treated various subjects in over three decades his most sustained filmmaking and the core of his achievement consists of five films on Italian American subjects: *Who's That Knocking at My Door*, *Mean Streets*, *Raging Bull*, *GoodFellas* and *Casino* as well as the documentary *Italianamerican*. In *Gangster Priest* Robert Casillo examines these films in the context of the society, religion, culture and history of Southern Italy from which the majority of Italian Americans including Scorsese derive. Casillo argues that these films cannot be fully appreciated either thematically or formally without understanding the various facets of Italian American ethnicity as well as the nature of Italian American cinema and the difficulties facing assimilating third generation artists. Forming a unified whole Scorsese's Italian American films offer what Casillo views as a prolonged meditation on the immigrant experience. The

relationship between Italian America and Southern Italy the conflicts between the ethnic generations and the formation and development of Italian American ethnicity and thus identity on American soil through the generations Raised as a Catholic and deeply imbued with Catholic values Scorsese also deals with certain forms of Southern Italian vernacular religion which have left their imprint not only on Scorsese himself but also on the spiritually tormented characters of his Italian American films Casillo also shows how Scorsese interrogates the Southern Italian code of masculine honour in his exploration of the Italian American underworld or Mafia and through his implicitly Catholic optic discloses its thoroughgoing and longstanding opposition to Christianity Bringing a wealth of scholarship and insight into Scorsese s work Casillo s study will captivate readers interested in the director s magisterial artistry the rich social history of Southern Italy Italian American ethnicity and the sociology and history of the Mafia in both Sicily and the United States **The Grit Beneath the Glitter** Hal Rothman, Mike

Davis, 2002-03-15 An anthology of essays and first person narratives offers a glimpse of the people and institutions that support the Las Vegas gaming industry **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

Stars in My Eyes Max Bygraves, 2003 Singer entertainer Max Bygraves shares personal memories of a showbiz life and the stars he has worked with including Jack Benny Judy Garland Laurence Olivier and Peter Sellers **Betting the Line** Richard O. Davies, Richard G. Abram, 2001 A study of gambling particularly sports gambling and how it has thrived in American culture According to Davies and Abram the culture of betting results from two complementary influences in American society risk taking and speculation This is the first effort by academic writers to describe and interpret the history of sports wagering in the United States Although many books have been written about 3how to bet and win 4 Betting the Line presents a serious history of this popular activity in Colonial and Civil War eras to today from early betting on horse racing and baseball to the modern venues of basketball and football By considering topics as diverse as the business of a bookie the expansion of legalized gambling and the increase in popularity of televised sports the authors offer readers an insightful look into a practice that has become commonplace in American popular culture In a mere seventy years the number of states where gambling is legal jumped from one to forty eight Yet Nevada remains the only state where sports betting is legal This book challenges many long standing myths and stereotypes that revolve around the enterprise arguing that sports gambling is reflective of the American free enterprise culture **American Oasis** Kyle Paoletta, 2025-01-14 An expansive and revelatory historical exploration of the multicultural water seeking land destroying settlers of the most arid corner of North America arguing that in order to know where the United States is going in the era of mass migration and climate crisis we must understand where the Southwest has already been Albuquerque Phoenix Tucson El Paso Las Vegas Iconic American cities surrounded by desert and rust Teeming metropolises that seem to exist independently of the seemingly inhospitable and arid landscape that surrounds them belying the rich insight they offer into American stories of

migration industry bloodshed and rebirth Charting a geographic path through America's largest and hottest deserts acclaimed journalist Kyle Paoletta maps the past and future of these cities and the many other settlements from rural town to urban sprawl that make up the region that has come to be called the American Southwest Weaving together the stories of immigrants and indigenous populations American Oasis pulls back the layers of settlement sediment habit and effect that successive empires have left on the region from the Athapascan Din Tewa Apache and Comanche to the Spanish Mexican and finally American As Paoletta's journey into the Southwest's history becomes inextricably linked to an exploration of its dependency on water he begins to ask where ultimately will cities like Las Vegas and Phoenix find themselves once the Colorado River and its branches dry up Richly reported and sweeping in its history American Oasis is the story of what one iconic region's past can tell us about our shared environmental and cultural future

The Dunes Hotel and Casino: The Mob, the connections, the stories Geno Munari, 2022-04-07

The intent behind this book is to record classic Las Vegas history that would be lost forever if not memorialized The Dunes operation was a spectrum of information that is intricate and mysterious at times protected by a shroud of secrecy and intrigue that is virtually impossible to decipher It featured different operators and Mob characters who at various times in the history of the hotel were involved in various ventures including gambling bookmaking real estate investment and many other business arrangements There are more than 390 footnotes and an index I have been working on this book for almost four years which included many hours of research and the development of a timeline My research helped bring forth answers to questions regarding notable gambling operators Mafia chiefs U S Senators Governors and memorable events One such event solves a mystery of a bomb assassination plot and a shooting politicians were compromised Hoffa pulled strings and there are heretofore undisclosed facts that involve President Kennedy's assassination I never dreamed these details would ever be uncovered

The Peoples Of Las Vegas Jerry L. Simich, Thomas C. Wright, 2005-03-07 Beneath the glitzy surface of the resorts and the seemingly cookie cutter suburban sprawl of Las Vegas lies a vibrant and diverse ethnic life People of varied origins make up the population of nearly two million and yet until now little mention of the city has been made in studies and discussion of ethnicity or immigration The Peoples of Las Vegas One City Many Faces fills this void by presenting the work of seventeen scholars of history political science sociology anthropology law urban studies cultural studies literature social work and ethnic studies to provide profiles of thirteen of the city's many ethnic groups The book's introduction and opening chapters explore the historical and demographic context of these groups as well as analyze the economic and social conditions that make Las Vegas so attractive to recent immigrants Each group is the subject of the subsequent chapters outlining migration motivations and processes economic pursuits cultural institutions and means of transmitting culture involvement in the broader community ties to homelands and recent demographic trends

Suburban Xanadu David Schwartz G, 2003-06-03 First Published in 2003

Routledge is an imprint of Taylor Francis an informa company **The New Partridge Dictionary of Slang and**

Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English* this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang. Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language
