## **Frederic Remington American West:**

Frederic Remington's Own West Frederic Remington, 2015-11-06 A collection of Frederic Remington's writings complemented by more than one hundred of his famous drawings provides an exciting record of the Old West as it once was with tales of cowboys Indians and soldiers *Frederic Remington* Frederic Remington, 1991 **Frederic Remington** Nancy Plain, 1999-04-01 100 page biographies of famous Americans Great for reports and curriculum tie ins **Frederic Remington and the West** Ben Merchant Vorpahl, 2014-01-09 Frederic Remington and the West sheds new light on the remarkably complicated and much misunderstood career of Frederic Remington This study of the complex relationship between Remington and the American West focuses on the artist's imagination and how it expressed itself Ben Merchant Vorpahl takes into account all the dimensions of Remington's extensive work from journalism to fiction sculpture and painting He traces the events of Remington's life and makes extensive use of literary and art criticism and nineteenth century American social cultural and military history in interpreting his work Vorpahl reveals Remington as a talented sensitive and sometimes neurotic American whose work reflects with peculiar force the excitement and distress of the period between the Civil War and the Spanish American War Remington was not a western artist in the conventional sense neither was he a historian he lacked the historian's breadth of vision and discipline expressing himself not through analysis but through synthesis Vorpahl shows that even while Remington catered to the sometimes maudlin sometimes jingoistic tastes of his public and his editors his resourceful imagination was at work devising a far more demanding and worthwhile design a composite work executed in prose pictures and bronze This body of work as the author demonstrates demands to be regarded as an interrelated whole Here guilt shame and personal failure are honestly articulated and death itself is confronted as the artist's chief subject Because Remington was so prolific a painter sculptor illustrator and writer and because his subjects techniques and media were so apparently diverse the deeper continuity of his work had not previously been recognized This study is a major contribution to our understanding of an important American artist In addition Vorpahl illuminates the interplay between history artistic consciousness and the development of America's sense of itself during Remington's lifetime **Frederic Remington** Peter H. Hassrick, 2016-05-31 One of America's most popular and influential American artists Frederic Remington 1861 1909 is renowned for his depictions of the Old West Through paintings drawings and sculptures he immortalized a dynamic world of cowboys and American Indians hunters and horses landscapes and wildlife Frederic Remington A Catalogue Raisonné II is a comprehensive presentation of the artist's body of flat work both in print and on this book's companion website Beautifully illustrated with more than 150 figures and 100 color plates this book offers insightful essays by notable art historians who explore Remington's experiences in Taos New Mexico and other parts of the West The chapters include analyses of Remington's artistic development from an illustrator to a fine art painter his search for and understanding of men with the bark on his relationship with the famed illustrator Howard Pyle and the shared

imagery of Remington and Buffalo Bill Cody A chapter considering Remington's enduring bond with the horse and its representation in his paintings follows an examination of Remington's ties to Theodore Roosevelt that reveals how the two men helped move the American conscience toward wildlife preservation An assessment of the authentication process for evaluating Remington's works opens the collection Remington is perhaps the most frequently faked American artist The book features a unique keycode granting access to a companion website that brings together more than 3 000 reproductions of the artist's flat works including the complete original 1996 edition of the Catalogue Raisonné and nearly 300 previously unknown or relocated pieces Each entry includes the title date medium size inscriptions provenance and exhibition and publication history of the work as well as select commentary The online catalogue is fully searchable and will be continuously updated as new information becomes available Based on decades of scholarship and research the revised Remington Catalogue Raisonné is an essential resource for scholars collectors museum curators historians of the American West and anyone seeking definitive information on the art of Frederic Remington Frederic Remington A Catalogue Raisonné II is published in cooperation with the Buffalo Bill Center of the West Cody Wyoming

**Frederic Remington** Michael Edward Shapiro, Peter H. Hassrick, 1991 Frederic Remington was the greatest artist of the American West Here masterworks that span the artist's

entire career including selections from his letters diaries and fiction provide a comprehensive look at his work The book includes more than 150 illustrations including rare personal photographs taken by Remington himself 161 illustrations 73 in full color *Frederic Remington* Joanne Mattern,2005-01-01 Discusses the life of Frederic Remington and describes his unique style of art Frederic Remington, the American West Philip R. St. Clair,1978 Remington Frederic Remington,2012-05-08 It is impossible to reflect upon Frederic Remington s art without thinking of the merely human elements Remington became interested in the American Indian probably because he became interested in the active exciting life of the American Great Plains The Indian appealed to him not in any histrionic way not as a figure stepped out from the pages of Hiawatha but just as a human subject Remington hit upon this truth when he travelled west What he found there was majesty that he did not make solely an affair of Indians in war paint and feathers Remington knew how the light of the moon or of the stars is diffused how softly and magically it envelops the landscape There is a sort of artistic honesty in his nocturnal studies He never set out to be romantic or melodramatic just to develop his affinity and closeness to nature The beauty of the painter s motive too has communicated itself in his technique His grey green tones fading into velvety depths take on transparency and in his handling of form he uses a touch as firm as need be The determining influence in his career was that of the creative impulse urging him to deal in the translation of visible things into pictorial terms **The Western Art of Frederic Remington** Matthew Baigell,1976 *Frederic Remington* Emily Ballew Neff,Frederic Remington,Wynne H. Phelan,2000 The Museum of Fine Arts Houston houses one of the most distinguished collections of works by Frederic Remington 1861 1909 in the country Featuring Fight for the Water Hole one of the icons of American art and many other highlights the Hogg Brothers Collection is remarkably comprehensive representing an unparalleled survey of Remington s career This generously illustrated book showcases the most important works from this collection including paintings works on paper and a bronze sculpture establishing each within its appropriate historical cultural and political contexts Drawing on unpublished archival information the book discusses Remington s spectacular rise to fame as a popular illustrator who mythologized the experience of westward expansion and whose works created the enduring American cowboy archetype while chronicling the rapidly disappearing Native American cultures Frederic Remington will be of great appeal to those who have long loved and admired this unique American artist And with its new technical data and information the book will also be a valuable addition to libraries of students and scholars alike BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Frederic Remington, the American West** Philip R. St. Clair,1981 Gathers Remington s Western illustrations of Indians trappers cowboys soldiers and outlaws and includes the artist s anecdotes about Western life Frederic Remington, the Camera & the Old West Estelle Jussim,1983
