Francis Bacon Anatomy Of An Enigma:

Francis Bacon Michael Peppiatt, 2009-09 Francis Bacon was one of the most powerful and enigmatic creative geniuses of the twentieth century Immediately recognizable his paintings continue to challenge interpretations and provoke controversy Bacon was also an extraordinary personality Generous but cruel forthright yet manipulative ebullient but in despair He was the sum of his contradictions This life lived at extremes was filled with achievement and triumph misfortune and personal tragedy In his revised and updated edition of an already brilliant biography Michael Peppiatt has drawn on fresh material that has become available in the sixteen years since the artist's death Most important he includes confidential material given to him by Bacon but omitted from the first edition Francis Bacon derives from the hundreds of occasions Bacon and Peppiatt sat conversing often late into the night over many years and particularly when Bacon was working in Paris We are also given insight into Bacon's intimate relationships his artistic convictions and views on life as well as his often acerbic comments on his contemporaries

Francis Bacon in the 1950s Michael Peppiatt, 2006 Bringing both Bacon the man and Bacon the painter to life this book offers a study that reveals essential keys to understanding Bacon's mysterious and subversive art Also included is an account of the artist's life in the 1950s and a series of revealing conversations between the author and Bacon in 1964 1987 and 1989

Francis Bacon: Studies for a Portrait Michael Peppiatt, 2021 Francis Bacon was one of most elusive and enigmatic creative geniuses of the twentieth century However much his avowed aim was to simplify both himself and his art he remained a deeply complex person Bacon was keenly aware of this underlying contradiction and whether talking or painting strove consciously towards absolute clarity and simplicity calling himself simply complicated Until now this complexity has rarely come across in the large number of studies on Bacon's life and work Francis Bacon Studies for a Portrait shows a variety of Bacon's many facets and questions the accepted views on an artist who was adept at defying categorization The essays and interviews brought together here span more than half a century Opening with an interview by the author in 1963 the year that he met Bacon there are also essays written for exhibitions memoirs and reflections on Bacon's late work some published here for the first time Included are recorded conversations with Bacon in Paris that lasted long into the night and an overall account of the artist's sources and techniques in his extraordinary London studio This is an updated edition of Francis Bacon Studies for a Portrait 2008 published for the first time in a paperback reading book format It brings this fascinating artist into closer view revealing the core of his talent his skill for marrying extreme contradictions and translating them into immediately recognizable images whose characteristic tension derives from a life lived constantly on the edge With 14 illustrations 7 in colour

Francis Bacon Mark Stevens, Annalyn Swan, 2021-03-23 THE TIMES BEST ART BOOK OF THE YEAR FINALIST FOR THE PLUTARCH AWARD AND THE APOLLO AWARD There are not many biographical masterpieces but Mark Stevens and Annalyn Swan have produced one wrote the novelist John Banville of Francis Bacon Revelations By the Pulitzer prize winning authors of de Kooning An American Master

this acclaimed biography contains a wealth of never before known details about one of the iconic artists of the 20th century a singularly private darkly funny eruptive man and his extraordinary art whose iconoclastic charm keeps the pages turning The Washington Post Francis Bacon created an indelible image of mankind in modern times and played an outsized role in both twentieth century art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London s Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon s childhood in Ireland he earned his father s lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure *Francis Bacon* Michael Peppiatt, 2008 One of the most elusive and enigmatic creative geniuses of modern times Francis Bacon was a man of endless contradictions and facets In this invaluable book Michael Peppiatt a major art critic and close friend of Bacon s offers an entertaining and uniquely well informed portrait of this complex artist Peppiatt s collection of interviews and essays spans more than forty years from 1963 when the two men met to 2007 when Peppiatt wrote an essay explaining Bacon s passionate involvement with Van Gogh The pieces in between include discussions of Bacon s working methods and techniques his unlikely relationship with his London dealer his attitude toward Christian belief and classical myth and his defining friendship with the eminent French writer Michel Leiris Peppiatt also provides fascinating anecdotes about the artist s early life his intimate relationships and his connections with the artists who were his contemporaries and friends In addition among the interviews reproduced for the book are new transcripts of two interviews presenting previously omitted material that brings out many little known aspects of Bacon s presence and personality *Francis Bacon - In the Mirror of Photography* Katharina Günther, 2022-05-09 The British painter Francis Bacon 1909 1992 is famed for his idiosyncratic mode of depicting the human figure Thirty years after his death his working methods remain underexplored New research on the Francis Bacon Studio Archive at Hugh Lane Gallery Dublin sheds light on the genesis of his works namely the photographic source material he collected in his studios on which he consistently based his paintings The book brings together the artist s pictorial springboards for the first time delineating and interpreting recurring patterns and methods in his preparatory work and adoption of photographic material In addition it correctly locates chance as a driving force in Bacon s working method and qualifies the significance of photography for the

painter German Photo Book Award 23 24 Gold in the category Text Volume Photo Theory **ReVisioning** James Romaine, Linda Stratford, 2014-05-20 *ReVisioning Critical Methods of Seeing Christianity in the History of Art* examines the application of art historical methods to the history of Christianity and art As methods of art history have become more interdisciplinary there has been a notable emergence of discussions of religion in art history as well as related fields such as visual culture and theology This book represents the first critical examination of scholarly methodologies applied to the study of Christian subjects themes and contexts in art *ReVisioning* contains original work from a range of scholars each of whom has addressed the question in regard to a well known work of art or body of work How have particular methods of art history been applied and with what effect The study moves from the third century to the present providing extensive treatment and analysis of art historical methods applied to the history of Christianity and art *After Francis Bacon* Nicholas Chare, 2017-07-05 Like an analyst listening to a patient this study attends not just to what is said in David Sylvester's interviews with Francis Bacon but also crucially to what is left unspoken to revealing interruptions and caesuras Through interpreting these silences *After Francis Bacon* breaks with stereotypical ideas about the artist's work and provides new readings and avenues of research *After Francis Bacon* is the first book to give extended consideration to the way the reception of Bacon's art including Gilles Deleuze's influential text on the artist has been shaped by the Sylvester interviews and to move beyond the limiting effects of the interviews providing fresh interpretations Nicholas Chare draws upon recent developments in psychoanalysis and forensic psychology to present innovative readings of Bacon's work primarily based on the themes of sadomasochism and multi sensory perception Through bringing Bacon's paintings into dialogue with Joseph Conrad's *Heart of Darkness* and the film *Alien* he also provides original insights into the ethical relevance the artist's works have for today This study addresses the complexities of the artist's practice particularly in relation to sexuality and synaesthesia and additionally forms a crucial intervention within current debates about creative writing in art history

Memento Mori in Contemporary Art Taylor Worley, 2019-11-28 This book explores how four contemporary artists Francis Bacon Joseph Beuys Robert Gober and Damien Hirst pursue the question of death through their fraught appropriations of Christian imagery Each artist is shown to not only pose provocative theological questions but also to question the abilities of theological speech to adequately address current attitudes to death When set within a broader theological context around the thought of death Bacon's works invite fresh readings of the New Testament's narration of the betrayal of Christ and Beuys's works can be appreciated for the ways they evoke Resurrection to envision possible futures for Germany in the aftermath of war Gober's immaculate sculptures and installations serve to create alternative religious environments and these places are both evocative of his Roman Catholic upbringing and virtually haunted by the ghosts of his excommunication from that past Lastly and perhaps most problematically Hirst has built his brand as an artist from making jokes about death By opening fresh arenas of dialogue and meaning making in our society and culture today the rich

humanity of these artworks promises both renewed depths of meaning regarding our exit from this world as well as how we might live well within it for the time that we have As such it will be a vital resource for all scholars in Theology the Visual Arts Material Religion and Religious Studies

The Aesthetic Clinic Fernanda Negrete,2020-10-01 In *The Aesthetic Clinic* Fernanda Negrete brings together contemporary women writers and artists well known for their formal experimentation Louise Bourgeois Sophie Calle Lygia Clark Marguerite Duras Roni Horn and Clarice Lispector to argue that the aesthetic experiences afforded by their work are underwritten by a tenacious and uniquely feminine ethics of desire To elaborate this ethics Negrete looks to notions of sublimation and feminine sexuality developed by Freud Baudelaire Mallarm and Nietzsche and their reinvention with and after Jacques Lacan including in the schizoanalysis of Gilles Deleuze and Félix Guattari But she also highlights how psychoanalytic theory draws on writing and other creative practices to conceive of unconscious processes and the transformation sought through analysis Thus the aesthetic clinic of the book's title a term Negrete adopts from Deleuze is not an applied psychoanalysis or schizoanalysis Rather *The Aesthetic Clinic* privileges the call and constraints issued by each woman's individual work Engaging an artwork here is less about retrieving a hidden meaning through interpretation than about receiving a precise transmission of sensation a *jouissance* irreducible to meaning Not only do art and literature serve an urgent clinical function in Negrete's reading but sublimation itself requires an embrace of femininity

Francis Bacon in Your Blood Michael Peppiatt,2015-12-01 An intimate memoir biography of one of the most important artists of the twentieth century

Art Theory Cynthia Freeland,2003-02-13 In today's art world many strange even shocking things qualify as art In this *Very Short Introduction* Cynthia Freeland explains why innovation and controversy are valued in the arts weaving together philosophy and art theory with many fascinating examples She discusses blood beauty culture money museums sex and politics clarifying contemporary and historical accounts of the nature function and interpretation of the arts Freeland also propels us into the future by surveying cutting edge web sites alongside the latest research on the brain's role in perceiving art This clear provocative book engages with the big debates surrounding our responses to art and is an invaluable introduction to anyone interested in thinking about art

Cultures of Colour Chris Horrocks,2012-06-01 Colour permeates contemporary visual and material culture and affects our senses beyond the superficial encounter by infiltrating our perceptions and memories and becoming deeply rooted in thought processes that categorise and divide along culturally constructed lines Colour exists as a cultural as well as psycho physical phenomenon and acquires a multitude of meanings within differing historical and cultural contexts The contributors examine how colour becomes imbued with specific symbolic and material meanings that tint our constructions of race gender ideal bodies the relationship of the self to

others and of the self to technology and the built environment By highlighting the relationship of colour across media and material culture this volume reveals the complex interplay of cultural connotations discursive practices and socio psychological dynamics of colour in an international context But Is It Art? Cynthia Freeland,2002-02-07 In today s art world many strange even shocking things qualify as art In this book Cynthia Freeland explains why innovation and controversy are valued in the arts weaving together philosophy and art theory with many fascinating examples She discusses blood beauty culture money museums sex and politics clarifying contemporary and historical accounts of the nature function and interpretation of the arts Freeland also propels us into the future by surveying cutting edge web sites along with the latest research on the brain s role in perceiving art This clear provocative book engages with the big debates surrounding our responses to art and is an invaluable introduction to anyone interested in thinking about art *Hello Goodbye Hello* Craig Brown,2013-08-20 A collection of whimsical true encounters between famous and infamous individuals describes the unlikely meetings of Marilyn Monroe with Frank Lloyd Wright Michael Jackson with Nancy Reagan and Sigmund Freud with Gustav Mahler **A Course of Severe and Arduous Trials** Lynn Brunet,2009 The artist Francis Bacon 1909 1992 and the writer Samuel Beckett 1906 1989 both convey in their work a sense of foreboding and confinement in bleak ritualistic spaces This book identifies many similarities between the spaces and activities they evoke and the initiatory practices of fraternal orders and secret societies that were an integral part of the social landscape of the Ireland experienced by both men during childhood Many of these Irish societies modelled their ritual structures and symbolism on the Masonic Order Freemasons use the term spurious Freemasonry to designate those rituals not sanctioned by the Grand Lodge The Masonic author Albert Mackey argues that the spurious forms were those derived from the various cult practices of the classical world and describes these initiatory practices as a course of severe and arduous trials This reading of Bacon s and Beckett s work draws on theories of trauma to suggest that there may be a disturbing link between Bacon s stark imagery Beckett s obscure performances and the unofficial use of Masonic rites Roland Penrose James King,2016-05-04 As an artist an impresario a biographer and a collector Roland Penrose 1900 1984 is a key figure in the study of art in England from 1920 to 1984 In the first biography of Penrose acclaimed biographer James King explores the intricacies of Penrose s life and work tracing the profound effects of his upbringing in a Quaker household on his values the early influence of Roger Fry his friendships with Max Ernst Andre Breton and other surrealists especially Paul Eluard his organization of the landmark International Surrealist Exhibition in the summer of 1936 his conflicted relationship with Pablo Picasso and his tireless promotion of surrealism as well as the production of his own surrealist art With a deftness of touch King traces Penrose s complex professional and personal lives including his pacifism his work as a biographer including his outstanding life of Picasso as well as those of Miro Man Ray and Tapies and as an art historian as well as his unconventionality especially in his two marriages including that to Lee Miller and his numerous love affairs *The Making of Modern Art* Michael Peppiatt,2020-05-05 A new collection

of key texts from a leading critic of modern art The critic Michael Peppiatt has been described by Art Newspaper as the best art writer of his generation For more than 50 years he has written trenchant and lively dispatches from the center of the international art world In this new volume of key works Peppiatt gives his unique insight into the making collection display and interpretation of modern art Covering the whole spectrum of modern art from pioneers such as Gustav Klimt and Chaim Soutine to collectors and dealers who played a pivotal role in the modern art world to artists such as Francis Bacon Bill Jacklin and Frank Auerbach with whom he had close relationships Peppiatt interweaves personal anecdote with critical judgment Each text is accompanied by a new short introduction written in Peppiatt s signature vivid and jargon free style in which he contextualizes his writings and reflects on significant moments in a lifetime of artistic engagement This volume will provide readers with an exhilarating tour of 20th century art Hysterical Men Mark S MICALE, Mark S Micale, 2009-06-30 Over the course of several centuries Western masculinity has successfully established itself as the voice of reason knowledge and sanity he basis for patriarchal rule in the face of massive testimony to the contrary This book boldly challenges this triumphant vision of the stable and secure male by examining the central role played by modern science and medicine in constructing and sustaining it New Directions in Colour Studies Carole P. Biggam, Carole A. Hough, Christian J. Kay, David R. Simmons, 2011-10-20 Colour studies attracts an increasingly wide range of scholars from across the academic world Contributions to the present volume offer a broad perspective on the field ranging from studies of individual languages through papers on art architecture and heraldry to psychological examinations of aspects of colour categorization perception and preference The chapters have been developed from papers and posters presented at a conference on Progress in Colour Studies PICS08 held at the University of Glasgow The volume both updates research reported at the earlier PICS04 conference published by Benjamins in 2006 as Progress in Colour Studies volumes 1 and 2 and introduces new and exciting topics and developments in colour research In order to make the articles maximally accessible to a multidisciplinary readership each of the six sections following the initial theoretical papers begins with a short preface describing and drawing together the themes of the chapters within that section There are seventeen colour illustrations
