Kafka's "The Metamorphosis" and Other Writings: Franz Kafka Franz Kafka,2002-10-16 This essential collection of Franz Kafka s writings includes classic as well as new translations The Metamorphosis The Judgment A Country Doctor In the Penal Colony From A Hunger Artist First Sorrow A Little Woman A Hunger Artist Josephine the Singer or The Mouse People The Hunter Gracchus The Great Wall of China Letter to His Father **franz kafka vol 1** Franz Kafka,2014-07-19 Albert Camus once said that the whole of Kafka s art consists in compelling the reader to re read him Since the interpretations of Kafka are many and the search for the meaning of his stories seemingly endless the reader will return to the story itself in the hope of finding guidance from within Thus a second reading will hopefully become a commentary on the first and subsequent readings will again hopefully shed light on the preceding ones It is the purpose of this volume to provide ready access to the entire corpus of Kafka s stories they rather than the novels constitute the very core of his brief life s work

The Aphorisms of Franz Kafka Franz Kafka,2022-04-19 A splendid new translation of an extraordinary work of modern literature featuring facing page commentary by Kafka s acclaimed biographer In 1917 and 1918 Franz Kafka wrote a set of more than 100 aphorisms known as the Z rau aphorisms after the Bohemian village in which he composed them Among the most mysterious of Kafka s

writings they explore philosophical questions about truth good and evil and the spiritual and sensory world This is the first annotated bilingual volume of these extraordinary writings which provide great insight into Kafka s mind Edited introduced and with commentaries by preeminent Kafka biographer and authority Reiner Stach and freshly translated by Shelley Frisch this beautiful volume presents each aphorism on its own page in English and the original German with accessible and enlightening notes on facing pages The most complex of Kafka s writings the aphorisms merge literary and analytical thinking and are radical in their ideas original in their images and metaphors and exceptionally condensed in their language Offering up Kafka s characteristically unsettling charms the aphorisms at times put readers in unfamiliar even inhospitable territory which can then turn luminous I have never been in this place before breathing works differently and a star shines next to the sun more dazzlingly still Above all this volume reveals that these multifaceted gems aren t far removed from Kafka s novels and stories but are instead situated squarely within his cosmos arguably at its very core Long neglected by Kafka readers and scholars his aphorisms have finally been given their full due here Selected Stories Franz Kafka,2024-05-21 Selected Stories by Franz Kafka offers new renderings of the author s finest work Mark Harman s English translations convey the uniqueness of Kafka s German the wit irony and cadence Expert annotations illuminate Kafka s cultural allusions and wordplay while a biographical introduction places the man and his work in historical context Franz Kafka Ronald Gray,1973-02-22 This 1973 text provides a critical introduction to the writings of Franz Kafka Within it Ronald Gray surveys the novels and short stories and glances also at the religious or confessional writings He presents a persuasive and coherent account of Kafka s personal and artistic development and its meaning and value for us Dr Gray argues that the early short stories are most finished and controlled here Kafka recognised and managed to find a form exactly fitting his own condition and the writing is less compulsive and obsessional than it became later Dr Gray quotes extensively translating specifically for the purpose He writes for all whose who read Kafka especially the many who read him in translation and would like a helpful and shrewd guide to understanding Kafka s work hauntingly expresses one whole area of the modern mind its anguish dissociation and guilt and this sane and sympathetic book puts him into a humane perspective *Essential Novelists - Franz Kafka* Franz Kafka,August Nemo,2020-05-03 Welcome to the Essential Novelists book series were we present to you the best works of remarkable authors For this book the literary critic August Nemo has chosen the two most important and meaningful novels of FranzKafkawhich areThe MetamorphosisandThe Trial Author Franz Kafka explored the human struggle for understanding and security in his novels such as Amerika The Trial and The Castle Novels selected for this book The Metamorphosis The Trial This is one of many books in the seriesEssential Novelists If you liked this book look for the other titles in the series we are sure you will like some of the authors *Shorter Works [of] Franz Kafka* Franz Kafka,1973 **Franz Kafka** Jeremy Adler,2002-05-13 A photographic biography of twentieth century novelist Franz Kafka **Franz Kafka: Metamorphosis** Franz Kafka,2010-05-31 Written by Franz Kafka and often considered to be his magnum

opus The Metamorphosis tells the story of one young traveling salesman Gregor Samsa who inexplicably wakes up as a giant insect Despite the novella s short length Franz Kafka manages to provide a deep insight into the human condition ironically through the eyes of a cockroach Though The Metamorphosis can seem depressing at times the overall message is quite hopeful The novel keeps its reader enthralled with a good balance of absurdist and realist elements The Metamorphosis is so much more than a story about a man turning into a beetle It is about the reaction of Gregor Samsa s family to the change plus a clever way of writing about how a family would deal with the main breadwinner in the house becoming unable to work and on a wider scope the way a family reacts to someone who is disabled or terminally ill The descriptive writing in The Metamorphosis is excellent and though it is quite a sad tale it is also very funny in parts enough to make readers laugh out loud Though written nearly 100 years ago The Metamorphosis is amazingly relevant to today s world and remains a great read
