Francis Poulenc The Man And His Songs:

Francis Poulenc Pierre Bernac.1977 Song Carol Kimball, 2006-12 Naslagwerk van de liedkunst en de literatuur The Orchestration of the Arts — A Creative Symbiosis of Existential Powers M. Kronegger, 2013-03-09 hierover Regardless of the subject matter our studies are always searching for a sense of the universal in the specific Drawing etchings and paintings are a way of communicating ideas and emotions The key word here is to communicate Whether the audience sees the work as laborious or poetic depends on the creative genius of the artist Some painters use the play of light passing through a landscape or washing over a figure to create an evocative moment that will be both timeless and transitory The essential role of art remains what is has always been a way of human expression. This is the role that our participants concentrate on as they discuss art as the expression of the spirit a creative act through which the artist makes manifest what is within him Spirit suggests the unity of feeling and thought Avoiding broad generalities our participants address specific areas in orchestration with music architecture literature and phenomenology Profs Souiller Scholz Etlin Sweetser Josephs show us at what point art is an intimate profound expression and the magic of a civilization as a whole springing from its evolving thoughts and embodying ideals such as the Renaissance the Baroque Modernism and at what point it reflects the trans formation of a particular society and its mode of life **Poulenc: The Life in the Songs** Graham Johnson, 2020-06-23 One of the greatest modernist composers comes alive in this illuminating biography a must have for musicians and music lovers alike Francis Poulenc 1899 1963 is widely acknowledged as one of the twentieth century s most significant masters of vocal music solo choral and operatic quite apart from his achievements in instrumental spheres But what it cost him and the determined bravery it took for his unusual talent to thrive has always been underestimated In this seminal biography which will serve as the definitive guide to the songs acclaimed collaborative pianist Graham Johnson shows that it is in Poulenc's extraordinary songs and seeing how they fit into his life which included crippling guilt on account of his sexuality that we discover Poulenc heart and soul With Jeremy Sams s vibrant new song translations the first in over forty years and the insight that comes from a lifetime of performing this music Johnson provides an essential volume for singers pianists listeners and readers interested in the artistic milieu of modernism in the first half of the twentieth century The 20th Century O-Z Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography **Les Six** Robert Shapiro, 2014-07-01 The absorbing comprehensive story of an absolutely unique experiment in classical music involving many key figures of the Dada and

Surrealist movements Les Six were a group of talented composers who came together in a unique collaboration that has never been matched in classical music and here their remarkable story is told for the first time A musical experiment originally conceived by Erik Satie and then built upon by Jean Cocteau Les Six were also born out of the shock of the German invasion of France in 1914 an avant garde riposte to German romanticism and Wagnerism Les Six were all and still are respected in music circles but under the aegis of Cocteau they found themselves moving among a whole new milieu the likes of Picasso Ren Clair Blaise Cendrars and Maurice Chevalier all appear in the story But the story of Les Six goes on long after the heyday of Bohemian Paris the group never officially disbanded and it was only in the last 20 years that the last member died moreover their spouses descendents and associates are still active ensuring that the remarkable legacy of this unique Interpreting the Songs of Jacques Leguerney, Carol Kimball, Patrick Choukroun, 2001 Jacques group survives Leguerney heir to the exquisite French m lodie tradition is beautifully served in this carefully researched and practical performance guide The Leguerney melodies are gratifying vehicles for both singers and pianists They reflect the nature of the man himself elegance grace sophistication and an awareness of beauty in all its forms To be in the presence of Monsieur Leguerney no matter how briefly was itself an aesthetic experience This study leads the way to establishing international recognition for a composer who so richly deserves it Richard Miller Wheeler Professor of Performance and Director of the Vocal Arts Center Oberlin Conservatory The songs of the extraordinary composer Jacques Lequerney form a magnum opus of undeniable beauty and originality The various aspects of his musical style are discussed in depth in this book which is a must for performers and enthusiasts of the m lodie Unquestionably it will help achieve the recognition that Jacques Leguerney deserves as one of the twentieth century s great song composers Dalton Baldwin internationally acclaimed pianist Just when we thought there wasn t a major song composer left to explore the trio of Dibbern Kimball and Choukroun have written this invaluable much needed study of the songs of Jacques Leguerney Nothing is left out and all is treated with precision and detail My hat is off to these remarkable scholars and performers who have provided us with a wealth of information that is a must in every serious art song enthusiast s library Chapeau Thomas Grubb the Juilliard School Peabody Conservatory of Music Houston Grand Opera New York City Opera author of Singing in French Historical Dictionary of Modern and Contemporary Classical Music Nicole V. Gagné, 2019-07-17 The contemporary music scene thus embodies a uniquely broad spectrum of activity which has grown and changed down to the present hour With new talents emerging and different technologies developing as we move further into the 21st century no one can predict what paths music will take next All we can be certain of is that the inspiration and originality that make music live will continue to bring awe delight fascination and beauty to the people who listen to it This book cover modernist and postmodern concert music worldwide from the years 1888 to 2018 This second edition of Historical Dictionary of Modern and Contemporary Classical Music contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross referenced entries on the most important composers musicians methods styles and media in modernist and postmodern classical music worldwide from 1888 to 2018 This book is an excellent resource for students researchers and anyone wanting to know more about modern and contemporary classical music Art Song Carol Kimball, 2013-05-01 Book Art Song Linking Poetry and Music is a follow up to author Carol Kimball's bestselling Song A Guide to Art Song Style and Literature Rather than a general survey of art song literature the new book clearly and insightfully defines the fundamental characteristics of art song and the integral relationship between lyric poetry and its musical settings Topics covered include poetry basics for singers exercises for singers in working with poetry insights into composers musical settings of poetry building recital programs performance suggestions and recommended literature for college and university classical voice majors. The three appendices address further aspects of poetry guidelines for creating a recital program and representative classical voice recitals of various descriptions Art Song Linking Poetry and Music is extremely useful as an unofficial text for college university vocal literature classes as an excellent resource for singers and voice teachers and of interest to all those who are fascinated by the rich legacy of the art song genre Dictionary of World Biography: The 20th century, O-Z Frank Northen Magill, Christina J. Moose, Alison Aves, 1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography Le Chant Intime François Le Roux, Romain Raynaldy, 2021-06-29 In this translation of the groundbreaking Le Chant Intime internationally renowned baritone Francis Le Roux in conversation with journalist Romain Raynaldy presents a master class on French art song with a thorough analysis of 60 selected songs that deviate from the traditionally narrow repertoire of the m lodie genre Taking an approach that goes far beyond the typical limiting conventions Le Roux and Raynaldy adhere to composer Francis Poulenc s principle that a song should always be a love affair not an arranged marriage Neither theoretical nor purely academic this guide instills in its readers a deep appreciation for the historical and artistic context of each piece by enriching each analysis with the full text of the lyrical poem and several musical examples as well as fascinating details of historic premieres concert halls singers and poets Paired with intensive and practical notes related to the nuances of melody and vocal delivery each analysis provides an essential reference for performers and listeners alike The translation is due to the expertise of musicologist and pianist Sylvia Kahan Professor of Music at the Graduate Center and College of Staten Island CUNY Researching the Song Shirlee Emmons, Wilbur Watkin Lewis, 2008 Original publication and copyright date 2006 Thinking Bodies Iuliet Flower MacCannell, Laura Zakarin, 1994 The diverse group of philosophers and literary critics who contribute to this volume address
