1000 Great Everyday Wines DK, 2011-09-19 We live in a time when it is possible to enjoy excellent wine without spending a fortune. Whatever your preferred style, there is superb value to be found if you know what to look for. This new guide to the best everyday wines tells you everything you need to know for buying and enjoying wine at an affordable price, meaning you need never overspend on an average bottle again. When we say everyday wines, we are talking about wines from the great wineries of the world that cost much less than those properties' flagship wines. Wines that a person of above average income could conceivably afford to drink two to three times per week. These should be wines with personality, definitely more sophisticated and authentic than say Two Buck Chuck or a generic Merlot from Languedoc. They should show regional characters, be labeled perhaps Haut Medoc and not Bordeaux, Monterey County and not California, Barossa Valley rather than general Southeast Australia etc. First and foremost, this book contains lots and lots of recommendations. A new generation of wine writers from around the world have looked in detail at the regions they know best and between them have picked out over a thousand superb yet affordable wines in every style. For most entries, a bottle or label image appears alongside the text to make it quick and easy to spot these recommended wines on a crowded liquor store or supermarket shelf. Beyond these listings of wines and producers is a wealth of information to expand your knowledge and understanding of the world of wine. A series of feature spreads looks at the most significant varieties, explaining their particular characteristics, detailing where the best Old and New World examples come from and suggesting foods they work well with. A further series of features focuses on the enjoyment of wine, dispensing practical advice on how to get the most from the experience. Subjects include hosting a wine tasting, storing wine and navigating the wine list in a restaurant. Compiled with as much care and attention to detail as any book on fine wine, 1000 Great Everyday Wines is the only choice for the budding wine enthusiast who cares about getting great value for money. **DK Eyewitness Travel Guide: Florence and Tuscany** Christopher Catling, 2011-03-01 With beautifully commissioned photographs and spectacular 3D aerial views revealing the charm of each destination, these amazing travel guides show what others only tell. DK Eyewitness Travel Guides have been updated to include expanded hotel and restaurant listings, enhanced itineraries and are easier to read and print. Consistently chosen over the competition in national consumer market research, the best keeps getting better. *Revisioning John Chrysostom* Chris de Wet, Wendy Mayer, 2019-01-04 In *Revisioning John Chrysostom*, Chris de Wet and Wendy Mayer harness and promote a new wave of scholarship on the life and works of this famous late antique c. 350-407 CE preacher. New theories from the cognitive and neurosciences, cultural and sleep studies, and history of the emotions, among others, meld with reconsideration of lapsed approaches, his debt to Graeco-Roman *paideia*, philosophy and now medicine, resulting in sometimes surprising and challenging conclusions. Together, the chapters produce a fresh vision of John Chrysostom that moves beyond the often
