Frank And The Black Hamster Of Narkiz:

Frank and the Black Hamster of Narkiz Livi Michael, 2002 Most hamsters are gentle timid creatures easily tamed and happy to be left alone But some hamsters are different and Frank is one of them Frank is a hamster with a mission and a motto His motto is Courage and this is a story about a time when Frank needed to use his motto **Frank and the Black Hamster of Narkiz** Livi Michael, 2012 *The Whispering Road* Livi Michael, 2005-01-06 A moving and powerful story about brother and sister Joe and Annie who flee from a pitiful existence as servants They embark on a tough and perilous journey to Manchester in search of their mother who was forced to leave them at the workhouse when they were very young Their future is tainted by the horrors of their past and as Annie is increasingly troubled by spirits Joe is forced to make a tough decision Driven by the lust for freedom he sells Annie to a fair owner who plans to use her as a medium and sets about creating a new identity for himself on the streets of Manchester But the voices of the past won't leave Joe alone and ultimately he finds himself gravitating back to Annie and their original quest to discover the whereabouts of their mother

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature **The A to Z of Fantasy Literature** Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary

fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Is there a book in you?** Alison Baverstock,2006-06-30 Many people feel they might have a book in them but how do you know whether you have what it takes to be a writer whether your writing is any good what you should write about and whether you should dedicate proper time to begin your dream This book asks pertinent questions of you via a questionnaire to help you discover whether there is a talented writer in you Each chapter provides background to the relevant point in the questionnaire Packed with advice from experienced writers including known authors P D James Philip Pullman Jacqueline Wilson Margaret Drabble Katie Fforde and more Expert advice from Daniel Roche BA President independent booksellers publishers Helen Fraser Penguin and Ian Trewin Chairman Cheltenham Literary Festival and administrator Man Booker Prize agents and creative writing tutors Foreword by columnist and writer Katharine Whitehorn *Historical Dictionary of Fantasy Literature* Brian Stableford,2005-09-29 This Historical Dictionary of Fantasy Literature provides an invaluable guide to the current state of the field The chronology tracks fantasy s evolution from the origins of literature until the 21st century The introduction explains the nature of the impulse to create and shape fantasy literature the problems in defining what it is and the reasons for its changing historical fortunes The dictionary includes more than 700 entries on authors both contemporary and historical and more than 200 entries on fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies
