

FRANK CAPRA'S AMERICAN DREAM

Hosted by Ron Howard

From penniless immigrant to world-class filmmaker.
His story is the American Dream.

Frank Capras American Dream

Beverly Gray

Frank Capra's American Dream:

Frank Capra's Eastern Horizons Elizabeth Rawitsch, 2014-10-16 Frank Capra has long had a reputation as being the quintessential American director the man who perfectly captured the identity and core values of the United States with a string of classic films in the 1930s and 40s including *It Happened One Night* *Mr Smith Goes to Washington* and *It's a Wonderful Life* However as Elizabeth Rawitsch argues Capra's construction of national identity did not occur within an exclusively national context She points out that many of his films are actually set in or include sequences set in China Latin America the Philippines and the South Seas Featuring in depth textual analysis supported by original archival research Frank Capra's *Eastern Horizons* explains that Capra's view of what constituted America changed over time extending its boundaries to embrace countries often far from the United States Complicating Edward Said's theory of Orientalism as a strict binary in which the West constructs the East as an inferior other it demonstrates that East and West often intermingle in films such as *The Bitter Tea of General Yen* and in Capra's orientation documentaries for World War II American servicemen Capra imagined a kind of global community albeit one with heavy undertones of British and American imperialism Investigating shifts in what Capra's America has meant over time both to Capra and to those who have watched and studied his films this innovative book offers a startlingly fresh perspective on one of the most iconic figures in American film history [The American Dream](#) Lawrence R. Samuel, 2012-08-27 There is no better way to understand America than by understanding the cultural history of the American Dream Rather than just a powerful philosophy or ideology the Dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it No other idea or mythology has as much influence on our individual and collective lives Tracing the history of the phrase in popular culture Samuel gives readers a field guide to the evolution of our national identity over the last eighty years Samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 Relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource to recover unfiltered stories of the Dream The problem Samuel reveals is that it does not exist the Dream is just that a product of our imagination That it is not real ultimately turns out to be the most significant finding and what makes the story most compelling [Mr. Berndt Goes to Hollywood](#) Edward Berndt, 1999-04-29 Edward Berndt came to Hollywood in 1928 to help United Artists make the transition to sound He worked with some of the most notable directors in Hollywood including Frank Capra Leo McCarey and Howard Hawks Though Berndt loved sound work he had higher aspirations and hoped to become a writer and director His first breakthrough came during the mid 1940s on Columbia shorts starring the Three Stooges Berndt worked with Moe Larry Curly Shemp and company for over twenty years as the Stooges favorite director A second breakthrough came when he wrote and directed feature length films among them the science fiction classics *World Without End* *Return of the Fly* *Spacemaster X7* and *Zsa zsa Gabor's Queen of Outer*

Space Edward Bernds witnessed all of the profound changes that Hollywood underwent from the advent of sound to the start of the Easy Rider era Fortunately for students and fans of film he tells his story in this fascinating and vivid account of his life in Hollywood

Songs of Innocence and Experience Magdalena Grabias-Zurek, 2013-07-26 Songs of Innocence and Experience Romance in the Cinema of Frank Capra is a study of the director's chosen movies from the perspective of three types of comedies: paradisa, purgatorial, and infernal as assigned by Dante in his Divine Comedy Magdalena Grabias views Capra's films in two broader categories of innocence and experience where innocence represents Dantean paradisa level and experience combines the levels of purgatory and inferno Such a division constitutes the means to interpret Capra's filmic universe and to describe the ever evolving directorial vision of Frank Capra The main purpose of the book is to demonstrate how in the light of the theory of literary romance as presented by Northrop Frye in his seminal works concerning the subject the films of Frank Capra fit into the genre of romance Romantic elements in Frank Capra's movies can be found in both innocence and experience categories and hence consequently in his paradisa, purgatorial, and infernal comedies However in both categories and all three comedy types the romantic reality of each examined film is structured and developed in a different manner The book offers an insight into Frank Capra's films and the complex process of creating his

multidimensional romantic universe within them

Film Comedy and the American Dream Zach Sands, 2017-09-13 Film Comedy and the American Dream is an examination of national identity in the era of the American superpower as projected in popular comedic films that center on issues of upward mobility It is the story of what made audiences laugh and why and what this says about the changing shape of the American Dream from the end of the Second World War through the first part of the twenty first century Through a combination of narrative and thematic analyses of popular comedic films contextualized within a dynamic historical framework the book traces the increasing disillusionment with this central ideology in the face of multiple forms of systemic exclusion It argues that film comedy is a major component of the discourse surrounding the American Dream because these movies often evoke humor by highlighting the incongruities that exist between the ideals that define this nation versus the actual lived experiences of its citizens

Hollywood's Italian American Filmmakers Jonathan J. Cavallero, 2011-05-01 Hollywood's Italian American Filmmakers explores the different ways in which Italian American directors from the 1920s to the present have responded to their ethnicity While some directors have used film to declare their ethnic roots and create an Italian American imagined community others have ignored or even denied their background Jonathan J Cavallero examines the films of Frank Capra Martin Scorsese Nancy Savoca Francis Ford Coppola and Quentin Tarantino with a focus on what the films reveal about each director's view on Italian American identities Whereas Capra's films highlight similarities between immigrant characters and WASP Americans Scorsese accepts his ethnic heritage but also sees it as confining Similarly many of Coppola's films provide a nostalgic treatment of Italian American identity but with little criticism of the culture's more negative aspects And while Savoca's movies reveal her artful ability to

recognize how ethnic gender and class identities overlap Tarantino s films exhibit a playfully postmodern engagement with Italian American ethnicity Cavallero s exploration of the films of Capra Scorsese Savoca Coppola and Tarantino demonstrates how immigrant Italians fought prejudice how later generations positioned themselves in relation to their predecessors and how the American cinema usually seen as a cultural institution that works to assimilate has also served as a forum where assimilation was resisted

American Dreams, American Nightmares Daniel Horowitz,2022-11-22 Two decades punctuated by the financial crisis of the Great Recession and the public health crisis of COVID 19 have powerfully reshaped housing in America By integrating social economic intellectual and cultural histories this illuminating work shows how powerful forces have both reflected and catalyzed shifts in the way Americans conceptualize what a house is for in an era that has laid bare the larger structures and inequities of the economy Daniel Horowitz casts an expansive net over a wide range of materials and sources He shows how journalists and anthropologists have explored the impact of global economic forces on housing while filmmakers have depicted the home as a theater where danger lurks as elites gamble with the fates of the less fortunate Real estate workshops and popular TV networks like HGTV teach home buyers how to flip or flop while online platforms like Airbnb make it possible to play house in someone else s home And as the COVID pandemic took hold many who had never imagined living out every moment at home found themselves cocooned there thanks to corporations like Amazon Zoom and Netflix

The Big Myth Naomi Oreskes,Erik M. Conway,2023-02-21 A carefully researched work of intellectual history and an urgently needed political analysis Jane Mayer A scorching indictment of free market fundamentalism and how we can change before it s too late Esquire Best Books of Winter 2023 The bestselling authors of Merchants of Doubt offer a profound startling history of one of America s most tenacious and destructive false ideas the myth of the free market In their bestselling book Merchants of Doubt Naomi Oreskes and Erik M Conway revealed the origins of climate change denial Now they unfold the truth about another disastrous dogma the magic of the marketplace In the early 20th century business elites trade associations wealthy powerbrokers and media allies set out to build a new American orthodoxy down with big government and up with unfettered markets With startling archival evidence Oreskes and Conway document campaigns to rewrite textbooks combat unions and defend child labor They detail the ploys that turned hardline economists Friedrich von Hayek and Milton Friedman into household names recount the libertarian roots of the Little House on the Prairie books and tune into the General Electric sponsored TV show that beamed free market doctrine to millions and launched Ronald Reagan s political career By the 1970s this propaganda was succeeding Free market ideology would define the next half century across Republican and Democratic administrations giving us a housing crisis the opioid scourge climate destruction and a baleful response to the Covid 19 pandemic Only by understanding this history can we imagine a future where markets will serve not stifle democracy

Dismembering the American Dream Kate Charlton-Jones,2014-08-30 A detailed study of Yates s novels and stories Provided by publisher

The Capra Touch Matthew C. Gunter,2011-12-01

During World War II Academy Award winning director Frank Capra 1897 1991 made propaganda films for the U S Government such as *Prelude to War* *The Nazis Strike* *The Battle of Britain* *War Comes to America* and *The Negro Soldier* These entries in the *Why We Fight* documentary series have been largely neglected by Capra scholars This work analyzes the cinematic and thematic techniques Capra employed in these films linking them to the techniques and ideology of the director s popular mainstream narrative films including *It Happened One Night* *Mr Deeds Goes to Town* and *Mr Smith Goes to Washington* Also analyzed are the manners in which Frank Capra s war service affected his later films notably his 1946 masterpiece *It s a Wonderful Life* and how Capra s belief in individual liberty shaped both his films and his career under the oppressive Hollywood studio system

The Films of Fay Wray Roy Kinnard, Tony Crnkovich, 2015-07-11 Widely acclaimed as a horror movie actress Fay Wray is best remembered for her performances in *King Kong* and four other classic 1930s film thrillers *Doctor X* *The Most Dangerous Game* *Mystery of the Wax Museum* and *The Vampire Bat* Yet Wray appeared in 77 feature films between 1925 and 1958 playing leading roles in 67 Many of her films including her entire silent film output have been lost or are available only on a limited basis This heavily illustrated filmography at last makes obvious her sizeable contribution to the film industry After an overview of her professional acting career the filmography is divided into three sections The first introduces Wray s early silent feature film appearances the second covers her leading lady period in popular horror thrillers and other films in the sound era and the third covers her latter day supporting roles Appendices document her work in film shorts and her television appearances Commentary throughout includes first person interviews with Fay Wray

Joseph Losey Colin Gardner, 2019-01-11 The career of Wisconsin born Joseph Losey spanned over four decades and several countries A self proclaimed Marxist and veteran of the 1930s Soviet agit prop theater he collaborated with Bertholt Brecht before directing noir B pictures in Hollywood A victim of McCarthyism he later crossed the Atlantic to direct a series of seminal British films such as *Time Without Pity* *Eve* *The Servant* and *The Go Between* which mark him as one of the cinema s greatest baroque stylists His British films reflect on exile and the outsider s view of a class bound society in crisis through a style rooted in the European art house tradition of Resnais and Godard Gardner employs recent methodologies from cultural studies and poststructural theory exploring and clarifying the films uneasy tension between class and gender and their explorations of fractured temporality

Encyclopedia of Television Horace Newcomb, 2014-02-03 The *Encyclopedia of Television* second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the *Encyclopedia of Television* 2nd edition website

The Forgotten Art of Being Ordinary CJ Casciotta, 2023-09-12 We re addicted to our devices Our kids are too None of us seem to be better for it We all know this but what can we do practically to become less isolated polarized and disconnected This book answers that question with a bold idea In an age of personal brands and artificial intelligence perhaps it s time to relearn the forgotten art of being

ordinary In his follow up to Get Weird writer and media producer CJ Casciotta outlines nine practical solutions and illuminates a better way to live in a culture addicted to media technology a lifeboat for anyone who feels like they're drowning in a sea of digital noise This is a book for those who are tired of feeling like technology owns them their children their politics and their livelihood a hopeful and realistic game plan for navigating the 21st century mindfully without losing their souls The future of our society will depend on the choices we make right now when it comes to our communication methods It's a crisis as urgent as climate change yet far fewer people are talking about it The Forgotten Art of Being Ordinary will give you the language you've been looking for to start changing the conversation **The West Wing** Peter C. Rollins, John E. O'Connor, 2003-04-01 Informed by historical scholarship and media analysis this book takes a critical look at the award winning show from a wide range of perspectives Media scholars Peter C Rollins and John E O Connor make an important contribution to the field with an eclectic mix of essays which translate the visual language of the onscreen politics of the series Encyclopedia of the Documentary Film 3-Volume Set Ian Aitken, 2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumière brothers Workers Leaving the Lumière Factory 1885 to Michael Moore's Fahrenheit 9/11 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation **A Critical Companion to Robert Zemeckis** Adam Barkman, Antonio Sanna, 2020-10-15 A Critical Companion to Robert Zemeckis offers a comprehensive academic and detailed study of the works of Robert Zemeckis whose films include successful productions such as the Back to the Future trilogy 1985-90 Forrest Gump 1994 Contact 1997 Cast Away 2000 and The Polar Express 2004 but also lesser known films such as I Wanna Hold Your Hand 1978 Used Cars 1980 and Allied 2015 Most of Zemeckis major productions were not only successful when they were first released but continue to enjoy popularity with critics and fans alike even today This volume investigates several distinct areas of Zemeckis works and addresses the different approaches the philosophical the artistic the socio cultural and the personal The methodologies adopted by the contributors differ significantly from each other thus offering the reader a variegated and compelling picture of Zemeckis oeuvre which includes nineteen films Contrary to the few volumes published in the past on the subject the chapters in this volume offer specific case studies that have been previously ignored or only partially mentioned by other scholars A Critical Companion to Robert Zemeckis offers a great variety of interdisciplinary approaches to Zemeckis films illuminating re-reading and or interpreting for the first time the entire career of the director from his first films to the most recent ones **Ron Howard** Beverly Gray, 2023-08-22 Ron Howard From Mayberry to the Moon and Beyond the first full length biography of Ron Howard takes an in depth look at the Oklahoma boy who gained

national fame as a child star then grew up to be one of Hollywood's most admired directors. Although many show biz kids founder as they approach adulthood, Ron Howard had the advantage of brains, common sense, and two down-to-earth parents who kept him from having an inflated view of his own accomplishments. He also had a longstanding goal to trade the glare of the spotlight for a quieter but equally creative life behind the camera. This biography tracks his career from 1960 when he debuted as six-year-old Opie Taylor on *The Andy Griffith Show* through 2002 when he accepted his Academy Award as Best Director for *A Beautiful Mind*. Author Beverly Gray, an entertainment industry veteran, has spoken to teachers, friends, and professional colleagues from all phases of Howard's career. She has also combed the archives to gain further insight into this very private man whose accomplishments have brought pleasure to so many.

Envisioning the Americas Pasquale De Marco, 2025-05-11 Embark on a captivating journey through the Americas, a land of boundless diversity and unparalleled opportunity. This comprehensive book takes you on an immersive exploration of the continent's rich history, vibrant cultures, and breathtaking landscapes. From the earliest indigenous civilizations to the modern era of technological innovation, this book delves into the stories of resilience, triumph, and struggle that have shaped the Americas. Discover the complex interplay of people, landscapes, and ideas that have molded this extraordinary continent into what it is today. With its blend of historical depth and contemporary relevance, this book offers a fresh perspective on the Americas, inviting readers to explore its diverse cultures, stunning natural wonders, and the challenges and opportunities that lie ahead. Whether you are a lifelong resident or a curious traveler, this book will provide you with a deeper appreciation for the Americas and its place in the world. Immerse yourself in the vibrant traditions, the breathtaking landscapes, and the boundless opportunities that make this continent so captivating. From the bustling cities of the East Coast to the rugged wilderness of the West, from the sun-kissed beaches of the Caribbean to the towering peaks of the Andes, this book takes you on an immersive journey that captures the essence of the Americas. This book is not just a collection of facts and figures; it is an invitation to embark on a journey of discovery to explore the hidden gems, the untold stories, and the diverse perspectives that make the Americas a place of wonder and inspiration. Whether you are a student, a lifelong learner, or simply someone with a curious mind, this book will enrich your understanding of this remarkable continent and its people. As you delve into the pages of this book, you will gain a deeper appreciation for the interconnectedness of the Americas, its shared history, and its common destiny. This book is a testament to the resilience, the creativity, and the boundless potential of the American people, and it will leave you with a renewed sense of awe and wonder for this extraordinary land. If you like this book, write a review on Google Books.

America Reflected Peter C. Rollins, 2021-10-15 Eclectic criticism and insightful observations from one of the most respected cultural historians working today. Ronald A. Wells, Professor of History Emeritus, Calvin College. From cowboy philosopher Will Rogers to popular perceptions of two world wars and Vietnam, from the history of language to the language of film and television, Peter Rollins has devoted his career to exploring the intriguing ways in which the creative impulse both shapes and reflects American

culture His observations are fresh illuminating and of enduring value John E O Connor co founder editor of Film History An Interdisciplinary Journal of Film and Television Studies Examines the roles of language satire and film in reflecting the American consciousness through such diverse sources as Orestes Brownson Benjamin Lee Whorf Will Rogers and Hollywood Readers of America Reflected are in for a delightful voyage as they travel through American history and culture with Peter Rollins as their guide providing personal and scholarly insights into the shaping of the American mind Ron Briley editor of The Politics of Baseball Essays on the Pastime and Power at Home and Abroad Even those who have known and admired Peter Rollins s acclaimed works will here find enlightening surprises Epistemology language theory war s polemics filmed history and an array of significant creators of American culture are all elegantly displayed This book will make you a wiser person and charm you while it does it John Shelton Lawrence Emeritus Professor of Philosophy Morningside College Two decades ago I was privileged to work on a book America Observed with Alistair Cooke Now we have America Reflected by Peter Rollins Not only does Rollins make good observations about our lives and times his reflections on a diverse set of subjects helps us to see the meanings of our observations Ronald A Wells Professor of History Emeritus Calvin College Rollins gathers together glimpses of our shared worlds so that we may observe their interconnections across media genres and time From down home values and front porch philosophy to tales of wars and chronicles of lives the subjects considered here are all part of the stories we tell about ourselves and our social worlds Cynthia J Miller President Literature Film Association
