Franz Rosenzweigs Philosophy Of Existence

Aaron W. Hughes, Elliot R. Wolfson

Franz Rosenzweigs Philosophy Of Existence:

Franz Rosenzweig's Philosophy of Existence E.R. Freund, 2013-04-17 The Star of Redemption which presents Franz Rosenzweig's system of philosophy begins with the sentence from death vom Tode from the fear of death originates all cognition of the All and concludes with the words into life This beginning and this conclusion of the book signify more than the first and last words of philosophical books usually do Taken together from death into life they comprise the entire meaning of Rosenzweig's philosophy The leitmotif of this philosophy is the life and death of the human being and not the I of philosophical idealism where man ultimately signifies for ethics no more than a point to which it ethics relates its problems as for science also he man is only a particular case of its general laws I Rosenzweig deals with the individual's actual existence that which is terminated by death he speaks of the individual's hic et nunc of his actions and decisions in the realm of concrete reality This philosophy is not an exposition of theoretical principles It is not concerned with man in general in abstract time but rather with the individual human being designated by a proper name living in his particular time Human existence in its finiteness and temporalness forms the focus in which Rosenzweig's motif can be gathered together Franz Rosenzweig's Philosophy of Existence Else Freund, 1979 **Franz Rosenzweig's Philosophy of Existence** P. R. Freund E. R. Mendes-Flohr, 2014-01-15 *Franz Rosenzweig* Franz Rosenzweig, Nahum Norbert Glatzer, 1998-01-01 Franz Rosenzweig was a prominent figure in the development of Jewish existentialism and a major influence on the work Emil Fackenheim amongst others This work offers an array of significant texts and presents Rosenzweig's life in an informative way **New Directions in Jewish Philosophy** Aaron W. Hughes, Elliot R. Wolfson, 2010 Breaking with strictly historical or textual perspectives this book explores Jewish philosophy as philosophy Often regarded as too technical for Judaic studies and too religious for philosophy departments Jewish philosophy has had an ambiguous position in the academy These provocative essays propose new models for the study of Jewish philosophy that embrace wider intellectual arenas including linguistics poetics aesthetics and visual culture as a path toward understanding the particular philosophic concerns of Judaism As they reread classic Jewish texts the essays articulate a new set of questions and demonstrate the vitality and originality of Jewish philosophy **Hegel and the State** Franz Rosenzweig, 2023-11-30 Franz Rosenzweig 1886-1929 is one of the most significant German Jewish philosophers of the twentieth century Published in German in 1920 and now finally available in English for the first time Hegel and the State is a major contribution to the understanding of Hegel's political and social thought and a profound analysis of the intellectual currents that shaped the German state in the late nineteenth and early twentieth centuries Through careful readings of Hegel's early handwritten manuscripts Rosenzweig shows that Hegel was wrestling with the problem of how to reconcile the subjectivity and freedom of the individual within a community and ultimately the political state According to Rosenzweig the route out of this conundrum chosen by Hegel shaped his mature political philosophy where he saw the relationship between the individual and the state as reciprocal At a deeper level the

significance of Hegel and the State lies in the way that Rosenzweig explains the failure of Hegel's quasi communitarian view of the state to emerge due to the authoritarian direction of the newly unified German state under Bismarck. Anticipating the political and moral disaster that was to follow, Rosenzweig concludes by questioning the very viability of any theory of the state that relies on the pillars of bureaucratic militarism and a government supported capitalist business culture. With the inclusion of a Foreword by Myriam Bienenstock and a substantial Afterword by Axel Honneth, Hegel and the State is a groundbreaking work of early twentieth century philosophical and political thought. It is essential reading for students of Hegel, German Idealism, Jewish philosophy and the origins of critical theory. It will also be of interest to those in related subjects such as the history of sociology and German and intellectual history.

Franz Rosenzweig's Conversions

Benjamin Pollock, 2014-08-12. Franz Rosenzweig's near conversion to Christianity in the summer of 1913 and his subsequent decision three months later to recommit himself to Judaism is one of the foundational narratives of modern Jewish thought. In this new account of events, Benjamin Pollock suggests that what lay at the heart of Rosenzweig's religious crisis was not a struggle between faith and reason but skepticism about the world and hope for personal salvation. A close examination of this important time in Rosenzweig's life, the book also sheds light on the full trajectory of his philosophical development.

The Star of Redemption Franz Rosenzweig, 2005-03-15. The Star of Redemption is essential reading for anyone interested in understanding religion and philosophy in the twentieth century. Fusing philosophy and theology, the book assigns both Judaism and Christianity distinct but equally important roles in the spiritual structure of the world. Franz Rosenzweig finds in both biblical religions approaches to a comprehension of reality. The major themes and motifs of The Star: the birth, life, death and the immortality of the soul; Eastern philosophies and Jewish mysticism; the relationship between God, world and humanity over time and revelation as the real biblical miracle of faith and path to redemption resonate meaningfully.

The Philosophy of Franz Rosenzweig Paul R. Mendes-Flohr, 1988. This volume of essays pays tribute to the philosophical legacy of Franz Rosenzweig (1886-1929), a German Jew who is now celebrated as perhaps the most creative Jewish religious thinker of the twentieth century. Despite his brief life, he died two weeks shy of his forty-third birthday after a heroic struggle to overcome a terrible disease. Rosenzweig served to inspire a veritable spiritual and religious renaissance of German Jewry. From the midst of assimilation and indeed from the threshold of baptism, Rosenzweig affirmed Judaism as a living faith that he deemed to be of urgent relevance to the modern individual. Based on the centrality of divine revelation as a historical fact and an existential possibility, Rosenzweig's theology led him to abandon his erstwhile pursuit of an academic career as he himself put it: one perfectly eligible for a university lectureship and devote himself exclusively to the community of his fellow Jews.

Franz Rosenzweig and Jehuda Halevi Barbara Ellen Galli, Franz Rosenzweig, 1995. Galli's primary aim is to explore Rosenzweig's statement that his notes to Halevi's poems exemplify a practical application of the philosophic system he set out in The Star of Redemption. Through an extended multifaceted investigation of Rosenzweig's thought, Galli uncovers his

philosophy of translation out of which she determines and unravels his philosophic conclusion and his belief that there is only one language In the final chapters she concentrates on the notes to the poems and in doing so attempts to philosophize according to Rosenzweig's own mandate full speech is word and response

Heidegger and His Jewish Reception Daniel M. Herskowitz, 2020-10-08 In this book Daniel Herskowitz examines the rich intense and persistent Jewish engagement with one of the most important and controversial modern philosophers Martin Heidegger Contextualizing this encounter within wider intellectual cultural and political contexts he outlines the main patterns and the diverse Jewish responses to Heidegger Herskowitz shows that through a dialectic of attraction and repulsion Jewish thinkers developed a version of Jewishness that sought to offer the way out of the overall crisis plaguing their world which was embodied as they saw it in Heidegger's life and thought Neither turning a blind eye to Heidegger's anti-Semitism nor using it as an excuse for ignoring his philosophy they wrestled with his existential analytic and what they took to be its religious ethical and political failings Ironically Heidegger's thought proved itself to be fertile ground for re-conceptualizing what it means to be Jewish in the modern world

The Shape of Revelation Zachary Braiterman, 2007 The Shape of Revelation highlights the image of form creation sheer presence lyric pathos rhythmic repetition open spatial dynamism and erotic pulse unique in the work of Martin Buber Franz Rosenzweig and German Expressionism in order to explore the overlap between revelation and aesthetic shape from the perspective of Judaism

"Into Life." Franz Rosenzweig on Knowledge, Aesthetics, and Politics, 2021-07-26 The articles collected in Into Life Franz Rosenzweig on Knowledge Aesthetics and Politics focus on the significance of Franz Rosenzweig's work far beyond the realms of theology and philosophy of religion They engage with a wide range of issues in philosophy and offer new insights both by presenting an array of unpublished and underestimated sources and by bringing Rosenzweig's thought into dialogue with new approaches and interlocutors such as Stanley Cavell William Alston Carl Schmitt and Martin Heidegger The result is a refreshing and original perspective on the work of one of the most significant thinkers of the twentieth century

Rosenzweig and Heidegger Peter Eli Gordon, 2005-09-26 With brilliance and considerable daring Peter Gordon's Rosenzweig and Heidegger broaches the possibility of a shared horizon and a promising dialogue between these two seminal figures these antipodes of twentieth century thought It will be the benchmark for future work in the field Thomas Sheehan author of Heidegger The Man and the Thinker In this brilliant book Peter Gordon sheds light on Rosenzweig's most important philosophical book The Star of Redemption by means of an unexpected and sure to be controversial comparison with the philosophy of Heidegger's Being and Time The result is a must read for anyone with a serious interest in either thinker Hilary Putnam author of The Collapse of the Fact Value Dichotomy and Other Essays A major work Gordon persuasively argues that the true originality of Rosenzweig's achievement heretofore associated with a distinctively Jewish break with his German philosophical milieu only becomes intelligible from within that very milieu Focusing on resemblances between Rosenzweig's and Heidegger's projects Gordon discerns the contours of a post

Nietzschean religious sensibility condensed into the paradox of a redemption in the world This book will be valued by readers of both Heidegger and Rosenzweig and by anyone interested in the intersections of philosophy and religion Eric L Santner author of *On the Psychotheology of Everyday Life Reflections on Freud and Rosenzweig* A comparative reading of Rosenzweig's *Star of Redemption* and Heidegger's *Being and Time* Peter Eli Gordon has written a work of exemplary erudition analytical nuance philosophical acumen and expository grace Paul Mendes Flohr author of *German Jews A Dual Identity* **The Religious Existentialists and the Redemption of Feeling** Anthony Malagon, Abi Doukhan, 2019-06-27

Traditional philosophizing has generally depended upon reason as its primary access to truth Subjective experiences such as feelings the passions and emotions have typically been viewed as secondary to reason untrustworthy or both *The Religious Existentialists and the Redemption of Feeling* revisits how the movement of existentialism via the religious existentialists has contributed to a rethinking of the role of subjective experience in contrast to the rationalist and idealist traditions thus reframing the importance of feelings in general for the philosophical enterprise as a whole Through the considerations of a variety of thinkers this collection provides a fresh look at the contributions of twentieth century existentialists thereby re contextualizing the very notion of existentialism offering a powerful and genuine re evaluation of the significance of subjectivity and underscoring the continued relevance of the religious existentialists **Yale Companion to Jewish**

Writing and Thought in German Culture, 1096-1996 Sander L. Gilman, 1997-01-01 This work provides a history of Jewish writing and thought in the German speaking world Written by 118 scholars in the field the book is arranged chronologically moving from the 11th century to the present Throughout it depicts the contribution that Jewish writers have made to German culture and at the same time explores what it means to the other within that mainstream culture

Survival Adam Y. Stern, 2021-03-26 For a world mired in catastrophe nothing could be more urgent than the question of survival In this theoretically and methodologically groundbreaking book Adam Y Stern calls for a critical reevaluation of survival as a contemporary regime of representation In *Survival* Stern asks what texts what institutions and what traditions have made survival a recognizable element of our current political vocabulary The book begins by suggesting that the interpretive key lies in the discursive prominence of Jewish survival Yet the Jewish example he argues is less a marker of Jewish history than an index of Christianity's impact on the modern secular political imagination With this inversion the book repositions Jewish survival as the supplemental effect and mask of a more capacious political theology of Christian survival The argument proceeds by taking major moments in twentieth century philosophy theology and political theory as occasions for collecting the scattered elements of survival's theological political archive Through readings of canonical texts by secular and Jewish thinkers Hannah Arendt Walter Benjamin Franz Rosenzweig and Sigmund Freud Stern shows that survival belongs to a history of debates about the sovereignty and subjection of Christ's body Interrogating survival as a rhetorical formation the book intervenes in discussions about biopolitics secularism political theology and the philosophy of religion

Encyclopedia of Modern Jewish Culture Glenda Abramson, 2004-03 The Companion to Jewish Culture From the Eighteenth Century to the Present was first published in 1989 It is a single volume encyclopedia containing biographical and topic entries ranging from 200 to 1000 word each

Nineteenth-Century Religious Thought in the West: Volume 3 Ninian Smart, John Clayton, Patrick Sherry, Steven T. Katz, 1988-07-01 The successful three volumes of Nineteenth Century Religious Thought in the West provide a fresh appraisal of the most important thinkers of that time Soames essays centre on major figures of the period others cover topics trends and schools of thought between the French Revolution and the First World War

German-Jewish Thought Between Religion and Politics Christian Wiese, Martina Urban, 2012-03-30 Since the Enlightenment period German Jewish intellectuals have been prominent voices in the multi faceted discourse on the reinterpretation of Jewish tradition in light of modern thinking Paul Mendes Flohr one of the towering figures of current scholarship on German Jewish intellectual history has made invaluable contributions to a better understanding of the religious cultural and political dimensions of these thinkers encounter with German and European culture including the tension between their loyalty to Judaism and the often competing claims of non Jewish society and culture This volume assembles essays by internationally acknowledged scholars in the field who intend to honor Mendes Flohr s work by portraying the abundance of religious philosophical aesthetical and political aspects dominating the thinking of those famous thinkers populating German Jewry s rich and complex intellectual world in the modern period It also provides a fresh theoretical outlook on trends in Jewish intellectual history raising new questions concerning the dialectics of assimilation In addition to that the volume sheds light on thinkers and debates that hitherto have not been accorded full scholarly attention

Franz Rosenzweigs Philosophy Of Existence Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Franz Rosenzweigs Philosophy Of Existence PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Franz Rosenzweigs Philosophy Of Existence PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Franz Rosenzweigs Philosophy Of Existence free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Franz Rosenzweigs Philosophy Of Existence Books

1. Where can I buy Franz Rosenzweigs Philosophy Of Existence books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
